

## § 25.8

Seller licenses (exclusively or non-exclusively) the right to manufacture and sell the technology, in the same manner and to the same extent that such certification applies to the Seller, effective as of the date of commencement of the license, provided that the Seller notifies the Under Secretary of such license by submitting, within 30 days after such date of commencement, a “Notice of License of Approved Anti-terrorism Technology” form issued by the Under Secretary. The Under Secretary shall make this form available at <http://www.dhs.gov> and by mail upon request sent to: Directorate of Science and Technology, SAFETY Act/room 4320, Department of Homeland Security, Washington, DC 20528. Such notification shall not be required for any licensee listed as a Seller on the applicable Certification.

(i) *Transfer of Certification.* In the event of any permitted transfer and assignment of a Designation, any related Certification for the same anti-terrorism technology shall automatically be deemed to be transferred and assigned to the same transferee to which such Designation is transferred and assigned. The transferred Certification will continue to apply to the transferor with respect to all transactions and occurrences that occurred through the time at which such transfer and assignment of the Certification became effective.

(j) *Issuance of Certificate; Approved Product List.* For anti-terrorism technology reviewed and approved by the Under Secretary and for which a Certification is issued, the Under Secretary shall issue a certificate of conformance to the Seller and place the anti-terrorism technology on an Approved Product List for Homeland Security, which shall be published by the Department of Homeland Security.

## § 25.8 Confidentiality and protection of intellectual property.

The Secretary, in consultation with the Office of Management and Budget and appropriate Federal law enforcement and intelligence officials, and in a manner consistent with existing protections for sensitive or classified information, shall establish confidentiality protocols for maintenance and

## 6 CFR Ch. I (1–1–06 Edition)

use of information submitted to the Department under the SAFETY Act and this Part. Such protocols shall, among other things, ensure that the Department will utilize all appropriate exemptions from the Freedom of Information Act.

## § 25.9 Definitions.

*Act of Terrorism*—The term “act of terrorism” means any act that—

- (1) Is unlawful;
- (2) Causes harm to a person, property, or entity, in the United States, or in the case of a domestic United States air carrier or a United States-flag vessel (or a vessel based principally in the United States on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), in or outside the United States; and
- (3) Uses or attempts to use instrumentalities, weapons or other methods designed or intended to cause mass destruction, injury or other loss to citizens or institutions of the United States.

*Assistant Secretary*—The term “Assistant Secretary” means the Assistant Secretary for Plans, Programs, and Budget of the Department of Homeland Security Directorate of Science and Technology, or such other official of such Directorate as may be designated from time to time by the Under Secretary.

*Certification*—The term “Certification” means (unless the context requires otherwise) a certification that a qualified anti-terrorism technology for which a Designation has been issued will perform as intended, conforms to the Seller’s specifications, and is safe for use as intended.

*Contractor*—The term “contractor” of a Seller means any person or entity with whom or with which the Seller has entered into a contract relating to the manufacture, sale, use, or operation of anti-terrorism technology for which a Designation is issued (regardless of whether such contract is entered into before or after the issuance of such Designation), including, without limitation, an independent laboratory or other entity engaged in testing
