§ 931.53 Modification, suspension, or termination of regulations.

(a) In the event the committee at any time finds that, by reason of changed conditions, any regulations issued pursuant to § 931.52 should be modified, suspended, or terminated, it shall so recommend to the Secretary.

(b) Whenever the Secretary finds, from the recommendations and information submitted by the committee or from other available information, that a regulation should be modified, suspended, or terminated with respect to any or all shipments of pears in order to effectuate the declared policy of the act, he shall modify, suspend, or terminate such regulation. On the same basis and in like manner, the Secretary may terminate any such modification or suspension. If the Secretary finds that a regulation obstructs or does not tend to effectuate the declared policy of the act, he shall suspend or terminate such regulation. On the same basis and in like manner the Secretary may terminate any such suspension.

(c) The committee shall, with the approval of the Secretary prescribe such rules, regulations, and safeguards as it may deem necessary to assure compliance with this section. Such rules, regulations, and safeguards may include the requirements that handlers shall file applications and receive approval from the committee for authorization to handle pears pursuant to this section. It may be required that such applications be accompanied by a certification by the intended purchaser or receiver that the pears will not be used for any purpose not authorized by this section.

§ 931.55 Inspection and certification.

Whenever the handling of any variety of pears is regulated pursuant to § 931.52 or § 931.53, each handler who handles pears shall, prior thereto, cause such pears to be inspected by the Federal or Federal-State Inspection Service and certified by it as meeting the applicable requirements of such regulation: *Provided*, That inspection and certification shall be required for pears which previously have been so inspected and certified only if such pears have been regarded, resorted, repackaged, or in any other way further prepared for market. Promptly after inspection and certification, each such handler shall submit or cause to be submitted to the committee a copy of the certificate of inspection issued with respect to such pears. The committee may, with the approval of the Secretary, prescribe rules and regulations modifying the inspection requirements of this section as to time and place such inspection shall be performed whenever it is determined it would not be practical to perform the required inspection at a particular location: *Provided*, That all such shipments shall comply with all regulations in effect.
