§ 958.30

§ 958.28 Nominations.

Nominations from which the Secretary may select the members of the Idaho-Eastern Oregon Onion Committee and their respective alternates may be made in the following manner:

(a) The committee shall hold or cause to be held prior to April 1 of each year, after the effective date of this subpart, one or more meetings of producers and of handlers in each of the districts, or portions of the production area, in which the then current terms of office will expire the following May 31;

(b) In arranging for such meetings the committee may, if it deems desirable, cooperate with existing organizations and agencies and may combine its meetings with others;

(c) Nominations for committee members and alternate members shall be supplied to the Secretary, in such manner and form as he may prescribe, not later than 30 days prior to the end of each fiscal period;

(d) Only producers may participate in designating nominees for producer committee members and their alternates and only handlers may participate in designating nominees for handler committee members and their alternates;

(e) Each person who is both a handler and a producer may vote either as a handler or as a producer and may select the group in which he will vote;

(f) Regardless of the number of districts in which a person produces or handles onions, each such person is entitled to cast only one vote on behalf of himself, his partners, agents, subsidiaries, affiliates and representatives, in designating nominees for committee members and alternates. In the event a person is a producer engaged in producing onions in more than one district, such person shall select the district within which he may participate as aforesaid in designating nominees. Similarly, a person who is a handler both in Malheur County, Oregon, and in the Idaho portion of the production area, may select either Malheur County or the Idaho portion of the production area in which to cast his vote for the applicable committee handler member and alternate. Each such handler shall also be entitled to cast his

vote for the committee member and alternate to represent the production area-at-large. An eligible voter's privilege of casting only one vote, as aforesaid, shall be construed to permit such voter to cast one vote for each member and alternate position to be filled in the respective district or portion of the production area, as the case may be, in which he elects to vote; and

(g) The producer and handler members of the committee shall nominate the public member and alternate. The committee shall prescribe such additional qualifications, administrative rules and procedures for selection and voting for each candidate as it deems necessary and as the Secretary approves.

§ 958.29 Failure to nominate.

If nominations are not made within the time and in the manner specified by the Secretary pursuant to § 958.28, the Secretary may, without regard to nominations, select the committee members and alternates on the basis of the representation provided for in this subpart.

§ 958.30 Vacancies.

To fill any vacancy occasioned by the failure of any person, selected as a committee member or alternate, to qualify, or in the event of the death, removal, resignation, or disqualification of any qualified member or alternate, a successor for his unexpired term may be selected by the Secretary from nominations made in the manner specified in § 958.28, or the Secretary may select such committee member or alternate from previously unselected nominees on the current nominee list from the district or portion of the production area, as the case may be, that is involved, or from other eligible persons. If the names of nominees to fill any such vacancy are not made available to the Secretary within 30 days after such vacancy occurs, the Secretary may fill such vacancy without regard to nominations, which selection shall be made on the basis of the representation provided for in this subpart.

§ 958.40

7 CFR Ch. IX (1-1-06 Edition)

EXPENSES AND ASSESSMENTS

§ 958.40 Expenses.

The committee is authorized to incur such expenses as the Secretary may find are reasonable and likely to be incurred by it during each fiscal period for its maintenance and functioning, and for such purposes as the Secretary, pursuant to this subpart, determines to be appropriate. Handlers shall share expenses upon the basis of a fiscal period. Each handler's share of such expenses shall be proportionate to the ratio between the total quantity of such handler's onion shipments inspected pursuant to this part that are handled by him as the first handler thereof during a fiscal period, and the total quantity of such onions handled by all handlers as first handlers thereof during the same period.

§ 958.41 Budget.

Prior to each fiscal period, and as may be necessary thereafter the committee shall prepare a budget of estimated income and expenditures necessary for the administration of this part. The committee shall recommend to the Secretary a rate of assessment calculated to provide adequate funds to defray its proposed expenditures. The committee shall present such budget promptly to the Secretary with an accompanying report thereon showing the basis for its calculations and recommended rate.

§ 958.42 Assessments.

(a) The funds to cover the committee's expenses pursuant to § 958.40 shall be acquired by the levying of assessments upon handlers as provided in this subpart. Each handler who handles onions as the first handler thereof which are inspected pursuant to this part shall pay assessments to the committee upon demand, which assessments shall be in payment of such handler's pro rata share of such expenses.

(b) Assessments shall be levied upon handlers at rates established by the Secretary. Such rates may be established upon the basis of the commit-

tee's recommendations or other available information.

(c) At any time during or subsequent to a given fiscal period, the committee may recommend the approval of an amended budget and an increase in the rate of assessment. Upon the basis of such recommendation, or other available information, the Secretary may approve an amended budget and increase the rate of assessment. Such increase shall be applicable to all onion shipments inspected pursuant to this part during such fiscal period.

§ 958.43 Accounting.

(a) All funds received by the committee pursuant to the provisions of this part shall be used solely for the purposes specified in this part.

(b) The Secretary may at any time require the committee, its members and alternates, employees, agents, and all other persons to account for all receipts and disbursements, funds, property, or records for which they are responsible. Whenever any person ceases to be a member or alternate of the committee, he shall account for all receipts, disbursements, funds, and property (including, but not being limited to, books and other records) pertaining to the committee's activities for which he is responsible, and deliver all such property and funds in his hands to such successor, agency, or person as may be designated by the Secretary, and shall execute such assignments and other instruments as may be necessary or appropriate to vest in each such successor, agency, or person as may be designated by the Secretary the right to all of such property and funds and all claims vested in such person.

(c) The committee may make recommendations to the Secretary for one or more of the members thereof, or any other person, to act as a trustee for holding records, funds, and any other committee property during periods of suspension of this part, or during any periods when regulations are not in effect; and, if the Secretary determines such action appropriate, he may direct that such person or persons shall so act as trustee or trustees.
