

to Service custody an alien previously approved for release under the procedures in this section. A district director may also revoke release of an alien when, in the district director's opinion, revocation is in the public interest and circumstances do not reasonably permit referral of the case to the Executive Associate Commissioner. Release may be revoked in the exercise of discretion when, in the opinion of the revoking official:

- (i) The purposes of release have been served;
- (ii) The alien violates any condition of release;
- (iii) It is appropriate to enforce a removal order or to commence removal proceedings against an alien; or
- (iv) The conduct of the alien, or any other circumstance, indicates that release would no longer be appropriate.

(3) *Timing of review when release is revoked.* If the alien is not released from custody following the informal interview provided for in paragraph (1)(1) of this section, the HQPDU Director shall schedule the review process in the case of an alien whose previous release or parole from immigration custody pursuant to a decision of either the district director, Director of the Detention and Removal Field Office, or Executive Associate Commissioner under the procedures in this section has been or is subject to being revoked. The normal review process will commence with notification to the alien of a records review and scheduling of an interview, which will ordinarily be expected to occur within approximately three months after release is revoked. That custody review will include a final evaluation of any contested facts relevant to the revocation and a determination whether the facts as determined warrant revocation and further denial of release. Thereafter, custody reviews will be conducted annually under the provisions of paragraphs (i), (j), and (k) of this section.
