

§51.7

(b) Agencies may consult with the Office of the Federal Register at any time with respect to the requirements of this part.

§51.7 What publications are eligible?

(a) A publication is eligible for incorporation by reference under 5 U.S.C. 552(a) if it—

(2) Is published data, criteria, standards, specifications, techniques, illustrations, or similar material;

(3) Substantially reduces the volume of material published in the FEDERAL REGISTER; and

(ii) Whether it is bound, numbered, and organized.

(b) The Director will assume that a publication produced by the same agency that is seeking its approval is inappropriate for incorporation by reference. A publication produced by the agency may be approved, if, in the judgment of the Director, it meets the requirements of paragraph (a) and possesses other unique or highly unusual qualities. A publication may be approved if it cannot be printed using the FEDERAL REGISTER/Code of Federal Regulations printing system.

(c) The following materials are not appropriate for incorporation by reference:

(1) Material published previously in the FEDERAL REGISTER.

(2) Material published in the *United States Code*.

§51.9 What is the proper language of incorporation?

(a) The language incorporating a publication by reference shall be as precise and complete as possible and shall make it clear that the incorporation by reference is intended and completed by the final rule document in which it appears.

1 CFR Ch. II (1–1–05 Edition)

(b) The language incorporating a publication by reference is precise and complete if it—

(1) Uses the words “incorporated by reference;”

(2) States the title, date, edition, author, publisher, and identification number of the publication;

(3) Informs the user that the incorporated publication is a requirement;

(4) Makes an official showing that the publication is in fact available by stating where and how copies may be examined and readily obtained with maximum convenience to the user; and

(5) Refers to 5 U.S.C. 552(a).

(c) If the Director approves a publication for incorporation by reference, the agency must—

(1) Include the following under the DATES caption of the preamble to the final rule document (See 1 CFR 18.12 *Preamble requirements*):

The incorporation by reference of certain publications listed in the regulations is approved by the Director of the Federal Register as of ____.

(2) Includes the term “incorporation by reference” in the list of index terms (See 1 CFR 18.20 *Identification of subjects in agency regulations*).

§51.11 How does an agency change or remove an approved incorporation?

(a) An agency that seeks approval for a change to a publication that is approved for incorporation by reference must—

(1) Publish notice of the change in the FEDERAL REGISTER and amend the Code of Federal Regulations;

(2) Ensure that a copy of the amendment or revision is on file at the Office of the Federal Register; and

(3) Notify the Director of the Federal Register in writing that the change is being made.

(b) If a regulation containing an incorporation by reference fails to become effective or is removed from the Code of Federal Regulations, the agency must notify the Director of the Federal Register in writing of that fact within 5 working days of the occurrence.
