Subpart A—Competition

§ 34.1 Purpose and applicability.

(a) This subpart of the regulation implements section 262(d)(1) (A) and (B) of the Juvenile Justice and Delinquency Prevention Act of 1974, as amended (42 U.S.C. 5601 *et seq.*). This provision requires that project applications, selected for categorical assistance awards under part C—National Programs shall be selected through a competitive process established by rule by the Administrator, OJJDP. The statute specifies that this process must include announcement in the FEDERAL REGISTER of the availability of funds for assistance programs, the general criteria applicable to the selection of applications for assistance, and a description

of the procedures applicable to the submission and review of assistance applications.

(b) This subpart of the regulation applies to all grant, cooperative agreement, and other assistance awards selected by the Administrator, OJJDP, or the Administrator's designee, under part C—National Programs, of the Juvenile Justice and Delinquency Prevention Act of 1974, as amended, except as provided in the exceptions to applicability set forth below.

§ 34.2 Exceptions to applicability.

The following are assistance and procurement contract award situations that OJJDP considers to be outside the scope of the section 262(d)(1) competition requirement:

(b) Assistance awards to initially fund or continue training services to be funded under part C, section 244, if the Administrator has made a written determination that the applicant is uniquely qualified to provide proposed training services and other qualified sources are not capable of providing such services (section 262(d)(1)(B)(ii));

(c) Assistance awards of funds transferred to OJJDP by another Federal agency to augment authorized juvenile justice programs, projects, or purposes;

(d) Funds transferred to other Federal agencies by OJJDP for program purposes as authorized by law;

(e) Procurement contract awards which are subject to applicable Federal laws and regulations governing the procurement of goods and services for the benefit and use of the government;

(f) Assistance awards from the 5% "set aside" of Special Emphasis funds under section 261(e); and

(g) Assistance awards under section 241(f).

28 CFR Ch. I (7–1–07 Edition)

§ 34.3 Selection criteria.

(a) All individual project applications will, at a minimum, be subject to review based on the extent to which they meet the following general selection criteria:

(1) The problem to be addressed by the project is clearly stated;

(2) The objectives of the proposed project are clearly defined;

(3) The project design is sound and contains program elements directly linked to the achievement of project objectives;

(4) The project management structure is adequate to the successful conduct of the project;

(5) Organizational capability is demonstrated at a level sufficient to successfully support the project; and

(6) Budgeted costs are reasonable, allowable and cost effective for the activities proposed to be undertaken.

(b) The general selection criteria set forth under paragraph (a) of this section, may be supplemented for each announced competitive program by program-specific selection criteria for the particular part C program. Such announcements may also modify the general selection criteria to provide greater specificity or otherwise improve their applicability to a given program. The relative weight (point value) for each selection criterion will be specified in the program announcement.

§ 34.4 Additional competitive application requirements and procedures.

(a) *Applications for grants.* Any applicant eligible for assistance may submit on or before such submission deadline date or dates as the Administrator may establish in program announcements, an application containing such pertinent information and in accordance with the forms and instructions as prescribed therein and any additional forms and instructions as may be specified by the Administrator. Such application shall be executed by the applicant or an official or representative of the applicant duly authorized to make such application and to assume on behalf of the applicant the obligations imposed by law, applicable regulations, and any additional terms and conditions of the assistance award.
