

(ii) Where DOL support is provided to social service programs in prisons, detention facilities, or community correction centers, in which social service organizations assist chaplains in carrying out their duties; or

(iii) Where DOL-supported social service programs involve such a degree of government control over the program environment that religious exercise would be significantly burdened absent affirmative steps by DOL or its social service providers.

(c) To the extent otherwise permitted by Federal law, the restrictions set forth in this section regarding the use of direct DOL support do not apply to social service programs where DOL support is provided to a religious or other non-governmental organization indirectly within the meaning of the Establishment Clause of the First Amendment to the Constitution. Religious or other non-governmental organizations will be considered to have received support indirectly, for example, if as a result of a program beneficiary's genuine and independent choice the beneficiary redeems a voucher, coupon, or certificate that allows the beneficiary to choose the service provider, or some other mechanism is provided to ensure that beneficiaries have a genuine and independent choice among providers or program options. All organizations must, however, satisfy all applicable legal and programmatic requirements.

§ 2.34 Application to State and local funds.

If a State or local government voluntarily contributes its own funds to supplement activities carried out under the applicable programs, the State or local government has the option to separate out the Federal funds or commingle them. If the funds are commingled, then the provisions of this subpart apply to all of the commingled funds in the same manner, and to the same extent, as the provisions apply to the Federal assistance. State funds that are contributed pursuant to the requirements of a matching or grant agreement are considered to be commingled funds.

§ 2.35 Effect of DOL support on Title VII employment nondiscrimination requirements and on other existing statutes.

A religious organization's exemption from the Federal prohibition on employment discrimination on the basis of religion, set forth in § 702(a) of the Civil Rights Act of 1964, 42 U.S.C. § 2000e-1, is not forfeited when the organization receives direct or indirect DOL support. Some DOL programs, however, were established through Federal statutes containing independent statutory provisions requiring that recipients refrain from discriminating on the basis of religion. Accordingly, to determine the scope of any applicable requirements, recipients and potential recipients should consult with the appropriate DOL program official or with the Civil Rights Center, U.S. Department of Labor, 200 Constitution Avenue, NW., Room N4123, Washington, DC 20210, (202) 693-6500. Individuals with hearing or speech impairments may access this telephone number via TTY by calling the toll-free Federal Information Relay Service at 1-800-877-8339.

§ 2.36 Status of nonprofit organizations.

(a) In general, DOL does not require that an organization, including a religious organization, obtain tax-exempt status under section 501(c)(3) of the Internal Revenue Code in order to be eligible for Federal financial assistance under DOL social service programs. Many such programs, however, do require an organization to be a "nonprofit organization" in order to be eligible for such support. Individual solicitations that require organizations to have nonprofit status must specifically so indicate in the eligibility section of the solicitation. In addition, any solicitation for a program that requires an organization to maintain tax-exempt status must expressly state the statutory authority for requiring such status. For assistance with questions about a particular solicitation, applicants should contact the DOL program office that issued the solicitation.

(b) Unless otherwise provided by statute, in DOL programs in which an applicant must show that it is a nonprofit organization, the applicant must

be permitted to do so by any of the following means:

(1) Proof that the Internal Revenue Service currently recognizes the applicant as tax exempt under section 501(c)(3) of the Internal Revenue Code;

(2) A statement from a State taxing body or the State Secretary of State certifying that:

(i) the organization is a nonprofit organization operating within the State; and

(ii) no part of its net earnings may lawfully benefit any private shareholder or individual;

(3) A certified copy of the applicant's certificate of incorporation or similar document that clearly establishes the nonprofit status of the applicant; or

(4) Any item described in paragraphs (b)(1) through (b)(3) of this section, if that item applies to a State or national parent organization, together with a statement by the State or national parent organization that the applicant is a local nonprofit affiliate of the organization.

§ 3.1 Purpose and scope.

This part prescribes "anti-kickback" regulations under section 2 of the Act of June 13, 1934, as amended (40 U.S.C. 276c), popularly known as the Copeland Act. This part applies to any contract which is subject to Federal wage standards and which is for the construction, prosecution, completion, or repair of public buildings, public works or buildings or works financed in whole or in part by loans or grants from the United States. The part is intended to aid in the enforcement of the minimum wage provisions of the Davis-Bacon Act and the various statutes dealing with federally assisted construction that contain similar minimum wage provisions, including those provisions which are not subject to Reorganization Plan No. 14 (e.g., the College Housing Act of 1950, the Federal Water Pollution Control Act, and the Housing Act of 1959), and in the enforcement of the overtime provisions of the Contract Work Hours Standards Act whenever they are applicable to construction work. The part details the obligation of contractors and subcontractors relative to the weekly submission of statements regarding the wages paid on work covered thereby; sets forth the circumstances and procedures governing the making of payroll deductions from the wages of those employed on such work; and delineates the methods of payment permissible on such work.

§ 3.2 Definitions.

As used in the regulations in this part:

(a) The terms *building* or *work* generally include construction activity as distinguished from manufacturing, furnishing of materials, or servicing and maintenance work. The terms include, without limitation, buildings, structures, and improvements of all types, such as bridges, dams, plants, highways, parkways, streets, subways, tunnels, sewers, mains, powerlines, pumping stations, railways, airports, terminals, docks, piers, wharves, ways, light-houses, buoys, jetties, breakwaters, levees, and canals; dredging, shoring, scaffolding, drilling, blasting, excavating, clearing, and landscaping. Unless conducted in connection with and at the site of such a building or work
