

(d) *Sectarian purposes and activities.* Funds provided under grants or contracts to providers may not be expended for any sectarian purpose or activity, including sectarian worship or instruction. Pursuant to §98.2, assistance provided to parents through certificates is not a grant or contract. Funds provided through child care certificates may be expended for sectarian purposes or activities, including sectarian worship or instruction when provided as part of the child care services.

(e) The CCDF may not be used as the non-Federal share for other Federal grant programs.

§98.55 Cost allocation.

for the provision of technical assistance; and

(2) Will award the remaining CCDF funds to grantees that have an approved application and Plan.

(c) The Secretary may make payments in installments, and in advance or by way of reimbursement, with necessary adjustments due to overpayments or underpayments.

(d) The following obligation and liquidation provisions apply to States and Territories:

(2)(i) Mandatory Funds for States requesting Matching Funds per §98.53 shall be obligated in the fiscal year in which the funds are granted and are available until expended.

(ii) Mandatory Funds for States that do not request Matching Funds are available until expended.

(3) Both the Federal and non-Federal share of the Matching Fund shall be obligated in the fiscal year in which the funds are granted and liquidated no later than the end of the succeeding fiscal year.

(4) Except for paragraph (d)(5) of this section, determination of whether funds have been obligated and liquidated will be based on:

(i) State or local law; or,

(ii) If there is no applicable State or local law, the regulation at 45 CFR 92.3, Obligations and Outlays (expenditures).

(5) Obligations may include subgrants or contracts that require the payment of funds to a third party (e.g., subgrantee or contractor). However, the following are not considered third party subgrantees or contractors:

a child care certificate will be considered obligated when a child care certificate is issued to a family in writing that indicates:

(i) The amount of funds that will be paid to a child care provider or family, and

(ii) The specific length of time covered by the certificate, which is limited to the date established for redetermination of the family's eligibility, but shall be no later than the end of the liquidation period.

(7) Any funds not obligated during the obligation period specified in paragraph (d) of this section will revert to the Federal government. Any funds not liquidated by the end of the applicable liquidation period specified in paragraph (d) of this section will also revert to the Federal government.

(e) The following obligation and liquidation provisions apply to Tribal Discretionary and Tribal Mandatory Funds:

(1) Tribal grantees shall obligate all funds by the end of the fiscal year following the fiscal year for which the grant is awarded. Any funds not obligated during this period will revert to the Federal government.

(2) Obligations that remain unliquidated at the end of the succeeding fiscal year shall be liquidated within the next fiscal year. Any tribal funds that remain unliquidated by the end of this period will also revert to the Federal government.

(f) Cash advances shall be limited to the minimum amounts needed and shall be timed to be in accord with the actual, immediate cash requirements of the State Lead Agency, its subgrantee or contractor in carrying out the purpose of the program in accordance with 31 CFR part 205.

(g) Funds that are returned (e.g., loan repayments, funds deobligated by cancellation of a child care certificate, unused subgrantee funds) as well as program income (e.g., contributions made by families directly to the Lead Agency or subgrantee for the cost of care where the Lead Agency or subgrantee has made a full payment to the child care provider) shall,

(1) if received by the Lead Agency during the applicable obligation period, described in paragraphs (d) and (e) of

45 CFR Subtitle A (10-1-07 Edition)

this section, be used for activities specified in the Lead Agency's approved plan and must be obligated by the end of the obligation period; or

(2) if received after the end of the applicable obligation period described at paragraphs (d) and (e) of this section, be returned to the Federal government.

(h) Repayment of loans, pursuant to §98.51(a)(2)(ii), may be made in cash or in services provided in-kind. Payment provided in-kind shall be based on fair market value. All loans shall be fully repaid.

(i) Lead Agencies shall recover child care payments that are the result of fraud. These payments shall be recovered from the party responsible for committing the fraud.

§98.61 Allotments from the Discretionary Fund.

(a) To the 50 States, the District of Columbia, and the Commonwealth of Puerto Rico an amount equal to the funds appropriated for the Child Care and Development Block Grant, less amounts reserved for technical assistance and amounts reserved for the Territories and Tribes, pursuant to §98.60(b) and paragraphs (b) and (c) of this section, shall be allotted based upon the formula specified in section 658O(b) of the Act.

(b) For the U.S. Territories of Guam, American Samoa, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands an amount up to one-half of one percent of the amount appropriated for the Child Care and Development Block Grant shall be reserved.

(1) Funds shall be allotted to these Territories based upon the following factors:

(i) A Young Child factor—the ratio of the number of children in the Territory under five years of age to the number of such children in all Territories; and

(ii) An Allotment Proportion factor—determined by dividing the per capita income of all individuals in all the Territories by the per capita income of all individuals in the Territory.

(A) Per capita income shall be:

(1) Equal to the average of the annual per capita incomes for the most recent period of three consecutive years for which satisfactory data are available

at the time such determination is made; and

(2) Determined every two years.

(B) Per capita income determined, pursuant to paragraph (b)(1)(ii)(A) of this section, will be applied in establishing the allotment for the fiscal year for which it is determined and for the following fiscal year.

(C) If the Allotment Proportion factor determined at paragraph (b)(1)(ii) of this section:

(1) Exceeds 1.2, then the Allotment Proportion factor of the Territory shall be considered to be 1.2; or

(2) Is less than 0.8, then the Allotment Proportion factor of the Territory shall be considered to be 0.8.

(2)(i) The formula used in calculating a Territory's allotment is as follows:

$$\frac{YCF_t \times APF_t}{\sum (YCF_t \times APF_t)} \times \text{amount reserved for Territories at paragraph (a) of this section.}$$

(ii) For purposes of the formula specified at paragraph (b)(2)(i) of this section, the term "YCF_t" means the Territory's Young Child factor as defined at paragraph (b)(1)(i) of this section.

(iii) For purposes of the formula specified at paragraph (b)(2)(i) of this section, the term "APF_t" means the Territory's Allotment Proportion factor as defined at paragraph (b)(1)(ii) of this section.

(c) For Indian Tribes and tribal organizations, including any Alaskan Native Village or regional or village corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act (43 U.S.C. 1601 *et seq*) an amount up to two percent of the amount appropriated for the Child Care and Development Block Grant shall be reserved.

(1) Except as specified in paragraph (c)(2) of this section, grants to individual tribal grantees will be equal to the sum of:

(i) A base amount as set by the Secretary; and

(ii) An additional amount per Indian child under age 13 (or such similar age as determined by the Secretary from the best available data), which is determined by dividing the amount of funds available, less amounts set aside for eligible Tribes, pursuant to paragraph (c)(1)(i) of this section, by the number

of all Indian children living on or near tribal reservations or other appropriate area served by the tribal grantee, pursuant to §98.80(e).

(2) Grants to Tribes with fewer than 50 Indian children that apply as part of a consortium, pursuant to §98.80(b)(1), are equal to the sum of:

(i) A portion of the base amount, pursuant to paragraph (c)(1)(i) of this section, that bears the same ratio as the number of Indian children in the Tribe living on or near the reservation, or other appropriate area served by the tribal grantee, pursuant to §98.80(e), does to 50; and

(ii) An additional amount per Indian child, pursuant to paragraph (c)(1)(ii) of this section.

(3) Tribal consortia will receive grants that are equal to the sum of the individual grants of their members.

(d) All funds reserved for Territories at paragraph (b) of this section will be allotted to Territories, and all funds reserved for Tribes at paragraph (c) of this section will be allotted to tribal grantees. Any funds that are returned by the Territories after they have been allotted will revert to the Federal government.

(e) For other organizations, up to \$2,000,000 may be reserved from the tribal funds reserved at paragraph (c) of this section. From this amount the Secretary may award a grant to a Native Hawaiian Organization, as defined in section 4009(4) of the Augustus F. Hawkins-Robert T. Stafford Elementary and Secondary School Improvement Amendments of 1988 (20 U.S.C. 4909(4)) and to a private non-profit organization established for the purpose of serving youth who are Indians or Native Hawaiians. The Secretary will establish selection criteria and procedures for the award of grants under this subsection by notice in the FEDERAL REGISTER.

§ 98.62 Allotments from the Mandatory Fund.

(a) Each of the 50 States and the District of Columbia will be allocated from the funds appropriated under section 418(a)(3) of the Social Security Act, less the amounts reserved for technical assistance pursuant to §98.60(b)(1) and the amount reserved for

§ 98.63

Tribes pursuant to paragraph (b) of this section, an amount of funds equal to the greater of:

(1) the Federal share of its child care expenditures under subsections (g) and (i) of section 402 of the Social Security Act (as in effect before October 1, 1995) for fiscal year 1994 or 1995 (whichever is greater); or

(2) the average of the Federal share of its child care expenditures under the subsections referred to in subparagraph (a)(1) of this section for fiscal years 1992 through 1994.

(b) For Indian Tribes and tribal organizations up to 2 percent of the amount appropriated under section 418(a)(3) of the Social Security Act shall be allocated according to the formula at paragraph (c) of this section. In Alaska, only the following 13 entities shall receive allocations under this subpart, in accordance with the formula at paragraph (c) of this section:

- (12) Kodiak Area Native Association; and
- (13) Copper River Native Association.

(c)(1) Grants to individual Tribes with 50 or more Indian children, and to Tribes with fewer than 50 Indian children that apply as part of a consortium pursuant to § 98.80(b)(1), will be equal to an amount per Indian child under age 13 (or such similar age as determined by the Secretary from the best available data), which is determined by dividing the amount of funds available, by the number of Indian children in each Tribe's service area pursuant to § 98.80(e).

(2) Tribal consortia will receive grants that are equal to the sum of the individual grants of their members.

45 CFR Subtitle A (10-1-07 Edition)

§ 98.63 Allotments from the Matching Fund.

(a) To each of the 50 States and the District of Columbia there is allocated an amount equal to its share of the total available under section 418(a)(3) of the Social Security Act. That amount is based on the same ratio as the number of children under age 13 residing in the State bears to the national total of children under age 13. The number of children under 13 is derived from the best data available to the Secretary for the second preceding fiscal year.

(b) For purposes of this subsection, the amounts available under section 418(a)(3) of the Social Security Act excludes the amounts reserved and allocated under § 98.60(b)(1) for technical assistance and under § 98.62(a) and (b) for the Mandatory Fund.

(c) Amounts under this subsection are available pursuant to the requirements at § 98.53(c).

§ 98.64 Reallotment and redistribution of funds.

(a) According to the provisions of this section State and Tribal Discretionary Funds are subject to reallotment, and State Matching Funds are subject to redistribution. State funds are reallotted or redistributed only to States as defined for the original allocation. Tribal funds are reallotted only to Tribes. Funds granted to the Territories are not subject to reallotment. Any funds granted to the Territories that are returned after they have been allotted will revert to the Federal government.

(b) Any portion of a State's Discretionary Fund allotment that is not required to carry out its Plan, in the period for which the allotment is made available, shall be reallotted to other States in proportion to the original allotments. For purposes of this paragraph the term "State" means the 50 States, the District of Columbia, and the Commonwealth of Puerto Rico. The other Territories and the Tribes may not receive reallotted State Discretionary Funds.

(1) Each year, the State shall report to the Secretary either the dollar amount from the previous year's grant that it will be unable to obligate by the

end of the obligation period or that all funds will be obligated during such time. Such report shall be postmarked by April 1st.

(2) Based upon the reallocation reports submitted by States, the Secretary will reallocate funds.

(i) If the total amount available for reallocation is \$25,000 or more, funds will be reallocated to States in proportion to each State's allotment for the applicable fiscal year's funds, pursuant to § 98.61(a).

(ii) If the amount available for reallocation is less than \$25,000, the Secretary will not reallocate any funds, and such funds will revert to the Federal government.

(iii) If an individual reallocation amount to a State is less than \$500, the Secretary will not issue the award, and such funds will revert to the Federal government.

(3) If a State does not submit a reallocation report by the deadline for report submittal, either:

(i) The Secretary will determine that the State does not have any funds available for reallocation; or

(ii) In the case of a report postmarked after April 1st, any funds reported to be available for reallocation shall revert to the Federal government.

(4) States receiving reallocated funds shall obligate and expend these funds in accordance with § 98.60. The reallocation of funds does not extend the obligation period or the program period for expenditure of such funds.

(c)(1) Any portion of the Matching Fund granted to a State that is not obligated in the period for which the grant is made shall be redistributed. Funds, if any, will be redistributed on the request of, and only to, those other States that have met the requirements of § 98.53(c) in the period for which the grant was first made. For purposes of this paragraph the term "State" means the 50 States and the District of Columbia. Territorial and tribal grantees may not receive redistributed Matching Funds.

(2) Matching Funds allotted to a State under § 98.63(a), but not granted, shall also be redistributed in the manner described in paragraph (1) of this section.

(3) The amount of Matching Funds granted to a State that will be made available for redistribution will be based on the State's financial report to ACF for the Child Care and Development Fund (ACF-696) and is subject to the monetary limits at paragraph (b)(2) of this section.

(4) A State eligible to receive redistributed Matching Funds shall also use the ACF-696 to request its share of the redistributed funds, if any.

(5) A State's share of redistributed Matching Funds is based on the same ratio as the number of children under 13 residing in the State to the number of children residing in all States eligible to receive and that request the redistributed Matching Funds.

(6) Redistributed funds are considered part of the grant for the fiscal year in which the redistribution occurs.

(d) Any portion of a Tribe's allotment of Discretionary Funds that is not required to carry out its Plan, in the period for which the allotment is made available, shall be reallocated to other tribal grantees in proportion to their original allotments. States and Territories may not receive reallocated tribal funds.

(1) Each year, the Tribe shall report to the Secretary either the dollar amount from the previous year's grant that it will be unable to obligate by the end of the obligation period or that all funds will be obligated during such time. Such report shall be postmarked by a deadline established by the Secretary.

(2) Based upon the reallocation reports submitted by Tribes, the Secretary will reallocate Tribal Discretionary Funds among the other Tribes.

(i) If the total amount available for reallocation is \$25,000 or more, funds will be reallocated to other tribal grantees in proportion to each Tribe's original allotment for the applicable fiscal year pursuant to § 98.62(c).

(ii) If the total amount available for reallocation is less than \$25,000, the Secretary will not reallocate any funds, and such funds will revert to the Federal government.

(iii) If an individual reallocation amount to an applicant Tribe is less than \$500, the Secretary will not issue

§ 98.65

the award, and such funds will revert to the Federal government.

(3) If a Tribe does not submit a reallocation report by the deadline for report submittal, either:

(i) The Secretary will determine that Tribe does not have any funds available for reallocation; or

(ii) In the case of a report received after the deadline established by the Secretary, any funds reported to be available for reallocation shall revert to the Federal government.

(4) Tribes receiving reallocated funds shall obligate and expend these funds in accordance with § 98.60. The reallocation of funds does not extend the obligation period or the program period for expenditure of such funds.

§ 98.65 Audits and financial reporting.

(a) Each Lead Agency shall have an audit conducted after the close of each program period in accordance with OMB Circular A-133 and the Single Audit Act Amendments of 1996.

(b) Lead Agencies are responsible for ensuring that subgrantees are audited in accordance with appropriate audit requirements.

(c) Not later than 30 days after the completion of the audit, Lead Agencies shall submit a copy of their audit report to the legislature of the State or, if applicable, to the Tribal Council(s). Lead Agencies shall also submit a copy of their audit report to the HHS Inspector General for Audit Services, as well as to their cognizant agency, if applicable.

(d) Any amounts determined through an audit not to have been expended in accordance with these statutory or regulatory provisions, or with the Plan, and that are subsequently disallowed by the Department shall be repaid to the Federal government, or the Secretary will offset such amounts against any other CCDF funds to which the Lead Agency is or may be entitled.

(e) Lead Agencies shall provide access to appropriate books, documents, papers and records to allow the Secretary to verify that CCDF funds have been expended in accordance with the statutory and regulatory requirements of the program, and with the Plan.

(f) The audit required in paragraph (a) of this section shall be conducted by

45 CFR Subtitle A (10-1-07 Edition)

an agency that is independent of the State, Territory or Tribe as defined by generally accepted government auditing standards issued by the Comptroller General, or a public accountant who meets such independent standards.

(g) The Secretary shall require financial reports as necessary.

§ 98.66 Disallowance procedures.

(a) Any expenditures not made in accordance with the Act, the implementing regulations, or the approved Plan, will be subject to disallowance.

(b) If the Department, as the result of an audit or a review, finds that expenditures should be disallowed, the Department will notify the Lead Agency of this decision in writing.

(c)(1) If the Lead Agency agrees with the finding that amounts were not expended in accordance with the Act, these regulations, or the Plan, the Lead Agency shall fulfill the provisions of the disallowance notice and repay any amounts improperly expended; or

(2) The Lead Agency may appeal the finding:

(i) By requesting reconsideration from the Assistant Secretary, pursuant to paragraph (f) of this section; or

(ii) By following the procedure in paragraph (d) of this section.

(d) A Lead Agency may appeal the disallowance decision to the Departmental Appeals Board in accordance with 45 CFR part 16.

(e) The Lead Agency may appeal a disallowance of costs that the Department has determined to be unallowable under an award. A grantee may not appeal the determination of award amounts or disposition of unobligated balances.

(f) The Lead Agency's request for reconsideration in (c)(2)(i) of this section shall be postmarked no later than 30 days after the receipt of the disallowance notice. A Lead Agency may request an extension within the 30-day time frame. The request for reconsideration, pursuant to (c)(2)(i) of this section, need not follow any prescribed form, but it shall contain:

(1) The amount of the disallowance;

(2) The Lead Agency's reasons for believing that the disallowance was improper; and

(3) A copy of the disallowance decision issued pursuant to paragraph (b) of this section.

(g)(1) Upon receipt of a request for reconsideration, pursuant to (c)(2)(i) of this section, the Assistant Secretary or the Assistant Secretary's designee will inform the Lead Agency that the request is under review.

(2) The Assistant Secretary or the designee will review any material submitted by the Lead Agency and any other necessary materials.

(3) If the reconsideration decision is adverse to the Lead Agency's position, the response will include a notification of the Lead Agency's right to appeal to the Departmental Appeals Board, pursuant to paragraph (d) of this section.

(h) If a Lead Agency refuses to repay amounts after a final decision has been made, the amounts will be offset against future payments to the Lead Agency.

(i) The appeals process in this section is not applicable if the disallowance is part of a compliance review, pursuant to § 98.90, the findings of which have been appealed by the Lead Agency.

(j) Disallowances under the CCDF program are subject to interest regulations at 45 CFR part 30. Interest will begin to accrue from the date of notification.

§ 98.67 Fiscal requirements.

(a) Lead Agencies shall expend and account for CCDF funds in accordance with their own laws and procedures for expending and accounting for their own funds.

(b) Unless otherwise specified in this part, contracts that entail the expenditure of CCDF funds shall comply with the laws and procedures generally applicable to expenditures by the contracting agency of its own funds.

(c) Fiscal control and accounting procedures shall be sufficient to permit:

(1) Preparation of reports required by the Secretary under this subpart and under subpart H; and

(2) The tracing of funds to a level of expenditure adequate to establish that such funds have not been used in violation of the provisions of this part.

Subpart H—Program Reporting Requirements

§ 98.70 Reporting requirements.

(a) Quarterly Case-level Report—

(1) State and territorial Lead Agencies that receive assistance under the CCDF shall prepare and submit to the Department, in a manner specified by the Secretary, a quarterly case-level report of monthly family case-level data. Data shall be collected monthly and submitted quarterly. States may submit the data monthly if they choose to do so.

(2) The information shall be reported for the three-month federal fiscal period preceding the required report. The first report shall be submitted no later than August 31, 1998, and quarterly thereafter. The first report shall include data from the third quarter of FFY 1998 (April 1998 through June 1998). States and Territorial Lead Agencies which choose to submit case-level data monthly must submit their report for April 1998 no later than July 30, 1998. Following reports must be submitted every thirty days thereafter.

States are not prohibited from submitting case-level data for the entire population receiving CCDF services.

(4) Quarterly family case-level reports to the Secretary shall include the information listed in § 98.71(a).

(b) Annual Report—

(1) State and territorial Lead Agencies that receive assistance under CCDF shall prepare and submit to the Secretary an annual report. The report shall be submitted, in a manner specified by the Secretary, by December 31 of each year and shall cover the most recent federal fiscal year (October through September).
