§204.4 Grant appeals.

(a) *Scope.* This section applies to certain determinations (as set forth in part 16, appendix A, section C of this title), made with respect to direct, discretionary project grants awarded by the Family Support Administration, and such other grants or grant programs as the Administrator, with the approval of the Secretary, may designate. The statutory authority for current grant programs to which this section applies appears in the appendix to this section. This section is also applicable to determinations with respect to grants which were made under authority which has expired or been repealed since the grants were made, even though such authority does not appear in the appendix.

(b) *Submission.* (1) A grantee who has received notification, as described in §16.3 (b) and (c) of this title, of a determination described in part 16, appendix A, section C of this title, may request reconsideration by informing the Grants Appeals Officer as identified in the final adverse determination or otherwise designated by the Administrator, Family Support Administration, Washington, DC 20201 of the grantee's intent to contest the determination. The grantee's request for reconsideration must be postmarked no later than 30 days after the postmark date of the written notification of such determination, except when the Grant Appeals Officer grants an extension of time for good cause.

(2) Although the request need not follow any prescribed form, it shall clear-

ly identify the question or questions in dispute and contain a full statement of the grantee's position with respect to such question or questions, and the pertinent facts and reasons in support of such position. The grantee shall attach to his submission a copy of the agency notification specified in §16.3(b) of this title.

(c) *Action by the Administration on requests for reconsideration.* (1) Upon receipt of such an application the Grant Appeals Officer will inform the grantee that:

(i) His request is under review, and

(ii) If no decision is received within 90 days of the postmark date of the grantee's request for reconsideration, the determination may be appealed to the Departmental Grant Appeals Board.

(2) The Grant Appeals Officer will reconsider the determination appealed from, considering any material submitted by the grantee and any other material necessary.

(3) If the response to the grantee is adverse to the grantee's position, the response will include notification of the grantee's right to appeal to the Departmental Grant Appeals Board.

(a) *State plan requirements.* A State plan under title I, IV-A, X, XIV, or XVI (AABD) of the Social Security Act must provide that the plan will be amended whenever necessary to reflect new or revised Federal statutes or regulations, or material change in any phase of State law, organization, policy or State agency operation.

financial participation is available in the additional expenditures resulting from an amended provision of the State plan as of the first day of the calendar quarter in which an approvable amendment is submitted or the date on which the amended provision becomes effective in the State, whichever is later.

[39 FR 34542, Dec. 26, 1974, as amended at 53 FR 36579, Sept. 21, 1988]

§ 205.10 Hearings.

(a) *State plan requirements.* A State plan under title I, IV-A, X, XIV, or XVI(AABD) of the Social Security Act shall provide for a system of hearings under which:

(1) The single State agency responsible for the program shall be responsible for fulfillment of hearing provisions which shall provide for:

(i) A hearing before the State agency, or

(ii) An evidentiary hearing at the local level with a right of appeal to a State agency hearing. Where a State agency adopts a system of evidentiary hearings with an appeal to a State agency hearing, it may, in some political subdivisions, permit local evidentiary hearings, and in others, provide for a single hearing before the State agency. Under this requirement hearings shall meet the due process standards set forth in the U.S. Supreme Court decision in *Goldberg v. Kelly*, 397 U.S. 254 (1970) and the standards set forth in this section.

(2) Hearing procedures shall be issued and publicized by the State agency. Such procedures shall provide for a face-to-face hearing or, at State option, a hearing by telephone when the applicant or recipient also agrees. Under this provision, the State shall assure that the applicant or recipient is afforded all rights as specified in this section, whether the hearing is face-to-face or by telephone;

(3) Every applicant or recipient shall be informed in writing at the time of application and at the time of any action affecting his claim:

(i) Of his right to a hearing, as provided in paragraph (a)(5) of this section;

(ii) Of the method by which he may obtain a hearing;

(iii) That he may be represented by an authorized representative, such as legal counsel, relative, friend, or other spokesman, or he may represent himself.

(4) In cases of intended action to discontinue, terminate, suspend or reduce assistance or to change the manner or form of payment to a protective, vendor, or two-party payment under §234.60:

(i) The State or local agency shall give timely and adequate notice, except as provided for in paragraphs (a)(4)(ii), (iii), or (iv) of this section. Under this requirement:

(A) *Timely* means that the notice is mailed at least 10 days before the date of action, that is, the date upon which the action would become effective;

(B) *Adequate* means a written notice that includes a statement of what action the agency intends to take, the reasons for the intended agency action, the specific regulations supporting such action, explanation of the individual's right to request an evidentiary hearing (if provided) and a State agency hearing, the circumstances under which assistance is continued if a hearing is requested, and if the agency action is upheld, that such assistance must be repaid under title IV-A, and must also be repaid under titles I, X, XIV or XVI (AABD) if the State plan provides for recovery of such payments.

(ii) The agency may dispense with timely notice but shall send adequate notice not later than the date of action when:

(A) The agency has factual information confirming the death of a recipient or of the AFDC payee when there is no relative available to serve as new payee;

(B) The agency receives a clear written statement signed by a recipient that he no longer wishes assistance, or that gives information which requires termination or reduction of assistance, and the recipient has indicated, in writing, that he understands that this must be the consequence of supplying such information;

(C) The recipient has been admitted or committed to an institution, and further payments to that individual do

not qualify for Federal financial participation under the State plan;

(D) The recipient has been placed in skilled nursing care, intermediate care or long-term hospitalization;

(E) The claimant's whereabouts are unknown and agency mail directed to him has been returned by the post office indicating no known forwarding address. The claimant's check must, however, be made available to him if his whereabouts become known during the payment period covered by a returned check;

(F) A recipient has been accepted for assistance in a new jurisdiction and that fact has been established by the jurisdiction previously providing assistance;

(G) An AFDC child is removed from the home as a result of a judicial determination, or voluntarily placed in foster care by his legal guardian;

(H) For AFDC, the agency takes action because of information the recipient furnished in a monthly report or because the recipient has failed to submit a complete or a timely monthly report without good cause. (See §233.37);

(I) A special allowance granted for a specific period is terminated and the recipient has been informed in writing at the time of initiation that the allowance shall automatically terminate at the end of the specified period;

(J) The agency has made a presumption of mismanagement as a result of a recipient's nonpayment of rent and provides for post hearings in such circumstances;

(K) An individual's payment is suspended or reduced for failure to meet a payment after performance obligation as set forth at §233.101(b)(2)(iv) (B) or (C) of this chapter. In addition to the contents set forth in paragraph (a)(4)(i)(B) of this section, the adequate notice must advise the individual of the right to have assistance immediately reinstated retroactive to the date of action at the previous month's level pending the hearing decision if he or she makes a request for a hearing and reinstatement within 10 days after the date of the notice.

(iii) When changes in either State or Federal law require automatic grant adjustments for classes of recipients,

§ 205.10

45 CFR Ch. II (10-1-06 Edition)

timely notice of such grant adjustments shall be given which shall be "adequate" if it includes a statement of the intended action, the reasons for such intended action, a statement of the specific change in law requiring such action and a statement of the circumstances under which a hearing may be obtained and assistance continued.

(iv) When the agency obtains facts indicating that assistance should be discontinued, suspended, terminated, or reduced because of the probable fraud of the recipient, and, where possible, such facts have been verified through collateral sources, notice of such grant adjustment shall be timely if mailed at least five (5) days before action would become effective.

(5) An opportunity for a hearing shall be granted to any applicant who requests a hearing because his or her claim for financial assistance (including a request for supplemental payments under §§ 233.23 and 233.27) is denied, or is not acted upon with reasonable promptness, and to any recipient who is aggrieved by any agency action resulting in suspension, reduction, discontinuance, or termination of assistance, or determination that a protective, vendor, or two-party payment should be made or continued. A hearing need not be granted when either State or Federal law requires automatic grant adjustments for classes of recipients unless the reason for an individual appeal is incorrect grant computation.

(i) A request for a hearing is defined as a clear expression by the claimant (or his authorized representative acting for him), to the effect that he wants the opportunity to present his case to higher authority. The State may require that such request be in written form in order to be effective;

(ii) The freedom to make such a request shall not be limited or interfered with in any way. The agency may assist the claimant to submit and process his request;

(iii) The claimant shall be provided reasonable time, not to exceed 90 days, in which to appeal an agency action;

(iv) Agencies may respond to a series of individual requests for hearing by conducting a single group hearing. Agencies may consolidate only cases in which the sole issue involved is one of

State or Federal law or policy or changes in State or Federal law. In all group hearings, the policies governing hearings must be followed. Thus, each individual claimant shall be permitted to present his own case or be represented by his authorized representative;

(v) The agency may deny or dismiss a request for a hearing where it has been withdrawn by the claimant in writing, where the sole issue is one of State or Federal law requiring automatic grant adjustments for classes of recipients, where a decision has been rendered after a WIN hearing before the manpower agency that a participant has, without good cause, refused to accept employment or participate in the WIN program, or has failed to request such a hearing after notice of intended action for such refusal, or where it is abandoned. Abandonment may be deemed to have occurred if the claimant, without good cause therefor, fails to appear by himself or by authorized representative at the hearing scheduled for such claimant.

(6) If the recipient requests a hearing within the timely notice period:

(i) Assistance shall not be suspended, reduced, discontinued or terminated (but is subject to recovery by the agency if its action is sustained), until a decision is rendered after a hearing, unless:

(A) A determination is made at the hearing that the sole issue is one of State or Federal law or policy, or change in State or Federal law and not one of incorrect grant computation;

(B) A change affecting the recipient's grant occurs while the hearing decision is pending and the recipient fails to request a hearing after notice of the change;

(C) The recipient specifically requests that he or she not receive continued assistance pending a hearing decision; or

(D) The agency has made a presumption of mismanagement as a result of a recipient's nonpayment of rent and provides for the opportunity for a hearing after the manner or form of payment has been changed for such cases in accordance with § 234.60 (a)(2) and (a)(11).

(ii) The agency shall promptly inform the claimant in writing if assistance is to be discontinued pending the hearing decision; and

(iii) In any case where the decision of an evidentiary hearing is adverse to the claimant, he shall be informed of and afforded the right to make a written request, within 15 days of the mailing of the notification of such adverse decision, for a State agency hearing and of his right to request a de novo hearing. Unless a de novo hearing is specifically requested by the appellant, the State agency hearing may consist of a review by the State agency hearing officer of the record of the evidentiary hearing to determine whether the decision of the evidentiary hearing officer was supported by substantial evidence in the record. Assistance shall not be continued after an adverse decision to the claimant at the evidentiary hearing.

(7) A State may provide that a hearing request made after the date of action (but during a period not in excess of 10 days following such date) shall result in reinstatement of assistance to be continued until the hearing decision, unless (i) the recipient specifically requests that continued assistance not be paid pending the hearing decision; or (ii) at the hearing it is determined that the sole issue is one of State or Federal law or policy. In any case where action was taken without timely notice, if the recipient requests a hearing within 10 days of the mailing of the notice of the action, and the agency determines that the action resulted from other than the application of State or Federal law or policy or a change in State or Federal law, assistance shall be reinstated and continued until a decision is rendered after the hearing, unless the recipient specifically requests that continued assistance not be paid pending the hearing decision.

(8) The hearing shall be conducted at a reasonable time, date, and place, and adequate preliminary written notice shall be given.

(9) Hearings shall be conducted by an impartial official (officials) or designee of the agency. Under this requirement, the hearing official (officials) or designee shall not have been directly in-

involved in the initial determination of the action in question.

(10) When the hearing involves medical issues such as those concerning a diagnosis, an examining physician's report, or a medical review team's decision, a medical assessment other than that of the person or persons involved in making the original decision shall be obtained at agency expense and made part of the record if the hearing officer considers it necessary.

(11) In respect to title IV-C, when the appeal has been taken on the basis of a disputed WIN registration requirement, exemption determination or finding of failure to appear for an appraisal interview, a representative of the local WIN manpower agency shall, where appropriate, participate in the conduct of the hearing.

(12) The hearing shall include consideration of:

(i) An agency action, or failure to act with reasonable promptness, on a claim for financial assistance, which includes undue delay in reaching a decision on eligibility or in making a payment, refusal to consider a request for or undue delay in making an adjustment in payment, and discontinuance, termination or reduction of such assistance;

(ii) Agency decision regarding:

(A) Eligibility for financial assistance in both initial and subsequent determinations,

(B) Amount of financial assistance or change in payments,

(C) The manner or form of payment, including restricted or protective payments, even though no Federal financial participation is claimed.

(13) The claimant, or his representative, shall have adequate opportunity:

(i) To examine the contents of his case file and all documents and records to be used by the agency at the hearing at a reasonable time before the date of the hearing as well as during the hearing;

(ii) At his option, to present his case himself or with the aid of an authorized representative;

(iii) To bring witnesses;

(iv) To establish all pertinent facts and circumstances;

(v) To advance any arguments without undue interference;

§ 205.25

45 CFR Ch. II (10-1-06 Edition)

(vi) To question or refute any testimony or evidence, including opportunity to confront and cross-examine adverse witnesses.

(14) Recommendations or decisions of the hearing officer or panel shall be based exclusively on evidence and other material introduced at the hearing. The transcript or recording of testimony and exhibits, or an official report containing the substance of what transpired at the hearing, together with all papers and requests filed in the proceeding, and the recommendation or decision of the hearing officer or panel shall constitute the exclusive record and shall be available to the claimant at a place accessible to him or his representative at a reasonable time.

(15) Decisions by the hearing authority shall:

(i) In the event of an evidentiary hearing, consist of a memorandum decision summarizing the facts and identifying the regulations supporting the decision;

(ii) In the event of a State agency de novo hearing, specify the reasons for the decision and identify the supporting evidence and regulations.

Under this requirement no persons who participated in the local decision being appealed shall participate in a final administrative decision on such a case.

(16) Prompt, definitive, and final administrative action shall be taken within 90 days from the date of the request for a hearing.

(17) The claimant shall be notified of the decision in writing and, to the extent it is available to him, of his right to appeal to State agency hearing or judicial review.

(18) When the hearing decision is favorable to the claimant, or when the agency decides in favor of the claimant prior to the hearing, the agency shall promptly make corrective payments retroactively to the date the incorrect action was taken.

(19) All State agency hearing decisions shall be accessible to the public (subject to provisions of safeguarding public assistance information).

(b) *Federal financial participation.* Federal financial participation is available for the following items:

(1) Payments of assistance continued pending a hearing decision.

(2) Payments of assistance made to carry out hearing decisions, or to take corrective action after an appeal but prior to hearing, or to extend the benefit of a hearing decision or court order to others in the same situation as those directly affected by the decision or order. Such payments may be retroactive in accordance with applicable Federal policies on corrective payments.

(3) Payments of assistance within the scope of Federally aided public assistance programs made in accordance with a court order.

(4) Administrative costs incurred by the agency for:

(i) Providing transportation for the claimant, his representative and witnesses to and from the place of the hearing;

(ii) Meeting other expenditures incurred by the claimant in connection with the hearing;

(iii) Carrying out the hearing procedures, including expenses of obtaining an additional medical assessment.

§ 205.25 Eligibility of supplemental security income beneficiaries for food stamps or surplus commodities.

(a) In respect to any individual who is receiving supplemental security income benefits under title XVI of the Social Security Act, the State agency shall make the following determinations:

(1) The amount of assistance such individual would have been entitled to receive for any month under the appropriate State plan in effect for December 1973, under title I, X, XIV, or XVI, and for such purpose such individual shall be deemed to be aged, blind, or permanently and totally disabled, as the case may be, under the provisions of such plan.

(2) The bonus value of the food stamps (according to the Food Stamp Schedule effective for July 1973) such individual would have been entitled to receive for such month, assuming the

individual were receiving the assistance determined under paragraph (a)(1) of this section.

(3) The amount of benefits such individual is receiving for such month under Title XVI, plus supplementary payments as defined in section 1616(a) of the Social Security Act and payments pursuant to section 212 of Pub. L. 93-66, if any.

(b) If the amount determined in paragraph (a)(1) of this section plus the amount determined in paragraph (a)(2) of this section exceeds the amount determined in paragraph (a)(3) of this section, such individual shall be eligible to participate in the food stamp program established by the Food Stamp Act of 1964 or surplus commodities distribution programs established by the Secretary of Agriculture pursuant to section 416 of the Agricultural Act of 1949, section 32 of Pub. L. 74-320, or any other law, in accordance with regulations and procedures established by the Secretary of Agriculture.

(c) For purposes of paragraph (a)(3) of this section, the State agency shall obtain the amount of the title XVI payment and the amount of any Federally administered State supplementary payment from the Social Security Administration.

(d) The State agency shall redetermine the eligibility of individuals to participate in the food stamp or surplus commodities distribution programs hereunder at such times as the Secretary of Agriculture requires recertification for such stamps or commodities.

§ 205.30 Methods of administration.

§ 205.32 Procedures for issuance of replacement checks.

(a) *State plan requirements.* A State plan under title IV-A of the Social Se-

curity Act shall provide that (1) procedures are in effect to ensure that no undue delays occur in issuing a replacement check; and (2) when applicable, prior to the issuance of a replacement check, the State agency must:

(i) Issue a stop payment order on the original AFDC check through appropriate banking procedures; and

(ii) Require recipients to execute a signed statement attesting to the non-receipt, loss, or theft of the original FDC check. However, if obtaining such a statement from the recipient will cause the issuance of the check to be unduly delayed, the statement may be obtained within a reasonable time after the check is issued.

(b) *State option.* A State plan may provide that as a condition for issuance of a replacement check, a recipient is required to report a lost or stolen AFDC check to the police or other appropriate authorities. Under this provision, the State agency may require that the recipient verify that a report was made to the police or other appropriate authorities and, if so, the agency will establish procedures for such verification.

§ 205.36 State plan requirements.

A State plan under title IV-A of the Social Security Act shall, at the option of the State, provide for the establishment and operation, in accordance with an (initial and annually updated) advance automated data processing planning document approved by SSA, of an automated statewide management information system designed effectively and efficiently, to assist management in the administration of an approved AFDC State plan. The submission process to amend the State plan is explained in § 201.3. This system must be designed:

(a) To automatically control and account for—

(1) All the factors in the total eligibility determination process under the plan for aid, including but not limited to:

(i) Identifiable correlation factors (such as social security numbers, names, dates of birth, home addresses, and mailing addresses (including postal ZIP codes), of all applicants and recipients of AFDC and the relative with whom any child who is an applicant or recipient is living).

(A) To assure sufficient compatibility among the systems of different jurisdictions, and

(B) To permit periodic screening to determine whether an individual is or has been receiving benefits from more than one jurisdiction.

(ii) Checking records of applicants and recipients of such aid on a periodic basis with other agencies, both intra and inter-state, for eligibility determination, verification and payment as required by other provisions of the Social Security Act.

(2) The costs, quality, and delivery of funds and services furnished to applicants for and recipients of such aid.

(b) To notify the appropriate State officials of child support, food stamp, social service, and medical assistance programs approved under title XIX whenever a case/recipient for aid and services becomes ineligible or the amount of aid or services is changed.

(c) To electronically refer and exchange information with programs under titles IV-D and IV-F for purposes of assuring that benefits and services are provided in an integrated manner.

(d) To provide for security against unauthorized access to, or use of, the data in the system.

[51 FR 13006, Apr. 17, 1986, as amended at 57 FR 47002, Oct. 14, 1992]

§ 205.37 Responsibilities of the Administration for Children and Families (ACF).

(a) ACF shall not approve the initial and annually updated advance automatic data processing planning document unless the document, when implemented, will carry out the requirements of the law and the objectives of title IV-A (AFDC) Automated Application Processing and Information Retrieval System Guide. The initial advance automatic data processing planning document must include:

(1) A requirements analysis, including consideration of the program mission, functions, organization, services, constraints and current support relating to such system;

(2) A description of the proposed statewide management system, including the description of information flows, input data formats, output reports and uses;

(3) The security and interface requirements to be employed in such statewide management system;

(4) A description of the projected resource requirements including staff and other needs; and the resources available or expected to be available to meet these requirements;

(5) A cost benefit analysis of alternative systems designs, data processing services and equipment in terms of qualitative and quantitative measures. The alternative systems considered should include the advantages of the proposed system over the alternatives and should indicate the period of time the system will be operated to justify the funds invested. ACF certified systems that are already in place in other States must be included in the alternatives to be considered and evaluated;

(6) A plan for distribution of costs, containing the basis for rates, both direct and indirect, to be in effect under such a statewide management system;

(7) An implementation plan with charts of development events, testing description, proposed acceptance criteria, and backup and fallback procedures to handle possible failure of a system; and

(8) Evidence that the State's system will be compatible with those of the FSA to facilitate the exchange of data between the State and Federal system.

(b) ACF shall on a continuing basis, review, assess, and inspect the planning, design, and operation of, statewide management information systems, with a view to determining whether, and to what extent, these systems meet and continue to meet the requirements under these regulations.

(c) If ACF finds that any statewide management information system referred to in § 205.38 fails to comply substantially with criteria, requirements, and other undertakings prescribed by the approved advance automatic data processing planning document, approval of such document shall be suspended. The State will be given written notice of the suspension. The notice of suspension will state the reason for the suspension, whether the suspended system complies with the criteria for 50 percent FFP under 45 CFR part 95, the actions required for future Federal funding, and the effective date of the

suspension. The suspension shall be effective as of the date that the system failed to comply substantially with the approved APD. The suspension shall remain in effect until ACF makes a determination that such system complies with prescribed criteria, requirements, and other undertakings for future Federal funding. Should a State cease development of their approved system, either by voluntary withdrawal or as a result of Federal suspension, all Federal incentive funds invested to date that exceed the normal administrative FFP rate (50 percent) will be subject to recoupment.

(d) ACF shall provide technical assistance to States as is deemed necessary to assist States to plan, design, develop, or install and provide for the security of the management information systems.

(e) Approvals of the systems by ACF under the provisions of this section will be undertaken only as a result of State applications for increased matching. The requirements of 45 CFR part 95, subpart E and subpart F apply.

§ 205.38 Federal financial participation (FFP) for establishing a statewide mechanized system.

(a) Effective July 1, 1981 through March 31, 1994, FFP is available at 90 percent of expenditures incurred for planning, design, development or installation of a statewide automated application processing and information retrieval system which are consistent with an approved ADP. (Beginning April 1, 1994 the match rate available for development of title IV-A automated systems is 50 percent.) The 90 percent FFP includes the purchase or rental of computer equipment and software directly required for and used in the operation of this system.

(b) ACF will approve the system provided the following conditions are met—

(1) ACF determines that the system is likely to provide more efficient, economical, and effective administration of the AFDC program.

§ 205.44

45 CFR Ch. II (10–1–06 Edition)

(2) The system is compatible with the claims processing and information retrieval systems used in the administration of State plans approved under title XIX, and State programs where there is FFP under title XX.

(3) The system meets the requirements referred to in § 205.36.

(4) The system meets criteria established in the title IV-A (AFDC) Automated Application Processing and Information Retrieval System Guide issued by ACF and which provides specific standard requirements for major functions, such as automated eligibility determination, grant computation, verification, referral, management control, compability, and data security.

(5) The State agency certifies that—

(i) The State will have all ownership rights in software or modifications thereof and associated documentation designed or developed with 90 percent FFP under this section, except that the Department of Health and Human Services reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use for Federal government purposes, such software, modifications, and documentation;

(ii) Methods and procedures for properly charging the cost of all systems whether acquired from public or private sources shall be in accordance with Federal regulations in part 74 of this title and the applicable ACF title IV-A (AFDC) Automated Application Processing and Information Retrieval System Guide;

(iii) The complete system planned, designed, developed, installed, and hardware acquired, with FFP under these regulations will be used for a period of time which is consistent with the advance planning document as approved, or which ACF determines is sufficient to justify the Federal funds invested;

(iv) Information in the system will be safeguarded in accordance with applicable Federal law; and

(v) Access to the system in all of its aspects, including design, development, and operation, including work performed by any source, and including cost records of contractors and subcontractors, shall be made available to

the Federal Government by the State at intervals deemed necessary by ACF to determine whether the conditions for approval are being met and to determine its efficiency, economy and effectiveness.

(c) If ACF suspends approval, as described in § 205.37, of the advance automated data processing planning document and/or system, FFP at the higher matching rate shall not be allowed for any costs incurred, until such time as the conditions for approval are met. Should the State fail to correct the deficiencies which led to the suspension within 90 days of the date of notification of suspension or within a longer period of time agreed to by both the State and ACF, all Federal incentive funds invested to date that exceed the normal administrative FFP rate (50 percent) will be disallowed.

(d) Should a State voluntarily withdraw its approved APD and cease development of the approved system, all Federal incentive funds invested to date that exceed the normal administrative FFP rate (50 percent) will be disallowed.

(e) Once a State is certified as having met the requirements referred to in § 205.36 incentive funding will not be allowable for enhancements or other modifications unless these modifications are authorized by the Administration for Children and Families as a result of Federal legislative or regulatory change.

State Wage Information Collection Agency (SWICA) means the State agency receiving quarterly wage reports from employers in the State (which may be the agency administering the State's unemployment compensation program), or an alternative system which has been determined by the Secretary of Labor, in consultation with the Secretary of Agriculture and the Secretary of Health and Human Services, to be as effective and timely in providing employment related income and eligibility information.

(c) Wage information maintained by a SWICA which receives quarterly wage reports from employers but does not use these reports for computation of employment compensation shall:

(1) Contain the social security number, first and last name and middle initial, wages earned for the period of the report, and an identifier of the employer (such as name and address) for each employee;

45 CFR Ch. II (10-1-06 Edition)

(2) Include all employers covered by the State's UC law and require such employers to report wage information (as specified above) for each employee within 30 days from the end of each calendar quarter;

(3) Accumulate earnings reported by employers for periods no longer than calendar quarters;

(4) Be machine readable; i.e., maintained in a fashion that permits automated processing; and

(a) As a condition of eligibility, each applicant for or recipient of aid will be required:

(1) To furnish to the State or local agency a social security account number, hereinafter referred to as the SSN (or numbers, if more than one has been issued); and

(2) If he cannot furnish a SSN (either because such SSN has not been issued or is not known), to apply for such number through procedures adopted by the State or local agency with the Social Security Administration. If such procedures are not in effect, the applicant or recipient shall apply directly for such number, submit verification of such application, and provide the number upon its receipt.

(b) The State or local agency will assist the applicant or recipient in making applications for SSNs and will comply with the procedures and requirements established by the Social Security Administration for application,

issuance, and verification of social security account numbers.

(c) The State or local agency will not deny, delay, or discontinue assistance pending the issuance or verification of such numbers if the applicant or recipient has complied with the requirements of paragraph (a) of this section.

(d) The State or local agency will use such account numbers, in addition to any other means of identification it may determine to employ, in the administration of the plan.

(e) "Applicant" and "recipient" include for the purposes of this section the individuals seeking or receiving assistance and any other individual whose needs are considered in determining the amount of assistance.

(f) The State or local agency shall notify the applicant or recipient that the furnishing of the SSN is a condition of eligibility for assistance required by section 1137 of the Social Security Act and that the SSN will be utilized in the administration of the program.

(g) The State agency will submit all unverified social security numbers to the Social Security Administration (SSA) for verification. The State agency may accept as verified a social security number provided directly to the State agency by SSA or by another Federal or federally-assisted benefit program which has received the number from SSA or has submitted it to SSA for verification.

§ 205.55 Requirements for requesting and furnishing eligibility and income information.

A State plan under title I, IV-A, X, XIV, or XVI (AABD) of the Social Security Act must provide that:

§ 205.56

45 CFR Ch. II (10–1–06 Edition)

(b)(1) With respect to individuals who cannot furnish an SSN at application, information specified in paragraph (a) will be requested at the first opportunity provided by each source after the State agency is provided with the SSN.

(2) For the purposes of this section, applicants and recipients shall also include any other individuals whose income or resources are considered in determining the amount of assistance, if the State agency has obtained the SSN of such individuals.

(c) The State agency must furnish, when requested, income, eligibility and benefit information to:

The State agency must demonstrate to the Secretary that the alternate source or sources is as timely, complete and useful for verifying eligibility and benefit amounts. The Secretary will consult with the Secretary of Agriculture and the Secretary of Labor prior to approval of a request. The State must continue to meet the requirements of this section unless the Secretary has approved the request.

[51 FR 7215, Feb. 28, 1986]

§ 205.56 Requirements governing the use of income and eligibility information.

A State plan under title I, IV-A, X, XIV, or XVI (AABD) of the Social Security Act must provide that:

(a) The State agency will use the information obtained under § 205.55, in conjunction with other information, for:

(1) Determining individuals' eligibility for assistance under the State plan and determining the amount of assistance. States wishing to exclude categories of information items from follow-up must submit for the Secretary's approval a follow-up plan describing the categories of information items which it proposes to exclude. For each category, the State must provide a reasonable justification that follow-up is not cost-effective. A formal cost-benefit analysis is not required. A State may exclude information items from the following data sources without written justification if followed up previously from another source: Unemployment compensation information received from the Internal Revenue Service, and earnings information received from the Social Security Administration. Information items in these categories which are not duplicative, but provide new leads, may not be excluded without written justification. A State may submit a follow-up plan or alter its plan at any time by notifying the Secretary and submitting the necessary justification. The Secretary will approve or disapprove categories of information items to be excluded under the plan within 60 days of its submission. Those categories approved by the Secretary will constitute an approved State follow-up plan for IEVS. For those information items not excluded from follow-up,

(i) The State agency shall review and compare the information obtained from each data exchange against information contained in the case record to determine whether it affects the applicant's or the recipient's eligibility or the amount of assistance.

(ii) The State agency shall verify that the information is accurate and applicable to case circumstances either through the applicant or recipient or through a third party, if such

verification is determined appropriate based on agency experience or is required under paragraph (b) of this section.

(iii) For applicants, if the information is received during the application period, the State agency shall use such information, to the extent possible, in making the eligibility determination.

(iv) For individuals who are recipients when the information is received or for whom a decision could not be made prior to authorization of benefits, the State agency shall within forty-five (45) days of its receipt, initiate a notice of case action or an entry in the case record that no case action is necessary, except that: Completion of action may be delayed beyond forty-five (45) days on no more than twenty (20) percent of the information items targeted for follow-up, if:

(A) The reason that the action cannot be completed within forty-five (45) days is the nonreceipt of requested third-party verification; and

(B) Action is completed promptly, when third party verification is received or at the next time eligibility is redetermined, whichever is earlier. If action is completed when eligibility is redetermined and third party verification has not been received, the State agency shall make its decision based on information provided by the recipient and any other information in its possession.

(v) The State agency shall use appropriate procedures to monitor the timeliness requirements specified in this subparagraph;

(2) Investigations to determine whether recipients received assistance under the State plan to which they were not entitled; and

(3) Criminal or civil prosecutions based on receipt of assistance under the State plan to which recipients were not entitled.

(b)(1) State agencies shall not take any adverse action to terminate, deny, suspend or reduce benefits to an applicant or recipient, based on information produced by a Federal computer matching program that is subject to the requirements in the Computer Matching and Privacy Protection Act (CMPPA) unless (i) The information has been independently verified in ac-

cordance with the independent verification requirements set out in the State agency's written agreement as required by §205.58 or (ii) The independent verification requirement has been waived by the Department's Data Integrity Board.

(2) The CMPPA defines a matching program as any computerized comparison of (i) Two or more automated systems of records or a system of records with non-Federal records for the purpose of (A) Establishing or verifying the eligibility of, or continuing compliance with statutory and regulatory requirements by, applicants for, recipients or beneficiaries of, participants in, or providers of services with respect to, cash or in-kind assistance or payments under Federal benefit programs, or (B) Recouping payments or delinquent debts under such Federal benefit programs, or (ii) Two or more automated Federal personnel or payroll system of records or a system of Federal personnel or payroll record with non-Federal records.

(c) If the agency intends to reduce, suspend, terminate or deny benefits as a result of the actions taken pursuant to this section, the agency must provide notice and the opportunity for a fair hearing in accordance with §205.10(a).

[51 FR 7215, Feb. 28, 1986, as amended at 53 FR 52712, Dec. 29, 1988; 57 FR 53859, Nov. 13, 1992]

§205.57 Maintenance of a machine readable file; requests for income and eligibility information.

A State plan under title I, IV—A, X, XIV, or XVI (AABD) of the Social Security Act must provide that:

(a) The State agency will maintain a file which is machine readable, i.e., which is maintained in a fashion that permits automated processing, and which contains the first and last name and verified social security number of each person applying for or receiving assistance under the plan.

(b) The State agency will use this file to exchange data with other agencies pursuant to §205.55.

§ 205.58

§ 205.58 Income and eligibility information; specific agreements required between the State agency and the agency supplying the information.

(a) A State plan under title I, IV-A, X, XIV, or XVI (AABD) of the Social Security Act must provide that, in carrying out the requirements of §§ 205.55 and 205.56, the State agency will enter into specific written agreements as described in paragraph (b) of this section with those agencies providing income and eligibility information. Agreements with Federal agencies are subject to the approval by the appropriate Federal Data Integrity Boards. The agreements will contain the procedure to be used in requesting and providing information.

(b) These agreements will include, but need not be limited to, the following:

- (1) Purpose of the request;
- (2) Identification of all agency officials, by position with authority to request information;
- (3) Methods and timing of the requests for information, including the machine readable format to be used, the period of time needed to furnish the requested information and the basis for establishing this period. Agreements with the SWICA and the agency administering the Unemployment Compensation program in the State must provide that the State agency shall obtain information no less frequently than twice monthly;
- (4) The type of information and reporting periods for which information will be provided and the verification methodologies to be used;
- (5) Safeguards limiting release or redisclosure as required by Federal or State law or regulation, including the requirements of § 205.50 and as may be required by guidelines issued by the Secretary; and
