Subpart B—Initial Procedures and Requirements

§ 802.5 Procedures for requests pertaining to individual records in a record system.

The NTSB may not disclose any record to any person or other agency, except pursuant to a written request by, or with the prior written consent of, the individual to whom the record pertains, provided the record under the control of the NTSB is maintained in a system of records from which information is retrieved by the name of the in-

dividual or by some identifying number, symbol, or other particular assigned to such individual. Written consent is not required if the disclosure is:

- (a) To officers or employees of the NTSB who require the information in the official performance of their duties;
- (b) Required under 5 U.S.C. 552, Freedom of Information Act;
- (c) For a routine use compatible with the purpose for which it was collected;
- (d) To the Bureau of the Census for uses pursuant to title 13, U.S.C.;
- (e) To a recipient who has provided the NTSB with advance adequate assurance that the record will be used solely as a statistical research or reporting record and that it is to be transferred in a form not individually identifiable; or
- (f) Pursuant to the order of a court of competent jurisdiction.

§ 802.6 Types of requests and specification of records.

(a) *Types of requests.* An individual may make the following request respecting records about himself maintained by NTSB in any system of records subject to the Act:

- (1) Whether information concerning himself is contained in any system of records.
- (2) Access to a record concerning himself. Such request may include a request to review the record and/or obtain a copy of all or any portion thereof.
- (3) Correction or amendment of a record concerning himself.

(4) Accounting of disclosure to any other person or Government agency of any record concerning himself contained in any system of records controlled by NTSB, except: (i) Disclosures made pursuant to the FOIA; (ii) disclosures made within the NTSB; (iii) disclosures made to another Government agency or instrumentality for an authorized law enforcement activity pursuant to subsection (b)(7) of the Act; and (iv) disclosures expressly exempted by NTSB from the requirements of subsection (c)(3) of the Act, pursuant to subsection (k) thereof.

(b) *Specification of records.* All requests for access to records must reasonably describe the system of records and the individual's record within the

system of records in sufficient detail to permit identification of the requested record. Specific information regarding the system name, the individual's full name, and other information helpful in identifying the record or records shall be included. Requests for correction or amendment of records shall, in addition, specify the particular record involved, state the nature of the correction or amendment sought, and furnish justification for the correction or amendment.

(c) *Inadequate identification of record.* Requests which do not contain information sufficient to identify the record requested will be returned promptly to the requester, with a notice indicating what information is lacking. Individuals making requests in person will be informed of any deficiency in the specification of the records at the time the request is made. Individuals making requests in writing will be notified of any such deficiency when their request is acknowledged.

§ 802.7 Requests: How, where, and when presented; verification of identity of individuals making requests; accompanying persons; and procedures for acknowledgment of requests.

(a) *Requests—general.* Requests may be made in person or in writing. Assistance regarding requests or other matters relating to the Act may be obtained by writing to the Director, Bureau of Administration, National Transportation Safety Board, 800 Independence Avenue, SW., Washington, DC 20594. The Director, Bureau of Administration, or his designee, on request, will aid an individual in preparing an amendment to the record or to an appeal following denial of a request to amend the record, pursuant to subsection (f)(4) of the Act.

(b) *Written requests.* Written requests shall be made to the Director, Bureau of Administration at the address given above, and shall clearly state on the envelope and on the request itself, "Privacy Act Request," "Privacy Act Statement of Disagreement," "Privacy Act Disclosure Accounting Request," "Appeal from Privacy Act Adverse Determination," or "Privacy Act Correction Request," as the case may be. Actual receipt by the Director, Bureau of

Administration, or his designee, shall constitute receipt.

(c) *Requests made in person.* Requests may be made in person during official working hours of the NTSB at the office where the record is located, as listed in the "Notice of Systems of Records" for the system in which the record is contained.

(d) *Verification of identity of requester.* (1) For written requests, the requester's identity must be verified before the release of any record, unless exempted under the FOIA. This may be accomplished by adequate proof of identity in the form of a driver's license or other acceptable item of the same type.

(2) For requests in person, the requester's identity may be established by a single document bearing a photograph (such as a passport or identification badge) or by two items of identification containing name, address, and signature (such as a driver's license or credit card).

(3) Where a request is made for reproduced records which are to be delivered by mail, the request must include a notarized statement verifying the requester's identity.

(e) *Inability to provide requisite documentation of identity.* A requester who cannot provide the necessary documentation of identity may provide a notarized statement, swearing or affirming his identity and the fact that he is aware of the penalties for false statement imposed pursuant to 18 U.S.C. 1001, and subsection (i)(3) of the Act. Where requested, the Director, Bureau of Administration, or his designee, will assist the requester in formulating the necessary document.

(f) *Accompanying persons.* A requester may wish to have a person of his choice accompany him to review the requested record. Prior to the release of the record, the NTSB will require the requester to furnish the Director, Bureau of Administration or his designee, with a written statement authorizing disclosure of the record in the accompanying person's presence.

(g) *Acknowledgment of requests.* Written requests to verify the existence of, to obtain access to, or to correct or amend records about the requester maintained by NTSB in any system of

National Transportation Safety Board

§ 802.11

records subject to the Act, shall be acknowledged in writing by the Director, Bureau of Administration, or his designee, within 3 working days after the date of actual receipt of the request by the Director, Bureau of Administration, or his designee. The acknowledgment shall advise the requester of the need for any additional information to process the request. Wherever practicable, the acknowledgment shall notify the individual whether his request has been granted or denied. When a request is made in person, every effort will be made to determine immediately whether the request will be granted. If such decision cannot be made, the request will be processed in the same manner as a written request. Records will be made available for immediate inspection whenever possible.

[41 FR 22358, June 3, 1976, as amended at 41 FR 43154, Sept. 30, 1976]

Subpart C—Initial Determinations

§ 802.8 Disclosure of requested information.

(a) The System Manager may initially determine that the request be granted. If so, the individual making the request shall be notified orally, or in writing, and the notice shall include:

(1) A brief description of the information to be made available;

(2) The time and place where the record may be inspected, or alternatively, the procedure for delivery by mail to the requesting party;

(3) The estimated cost for furnishing copies of the record;

(4) The requirements for verification of identity;

(5) The requirements for authorizing discussion of the record in the presence of an accompanying person; and

(b) Within 10 working days after actual receipt of the request by the Director, Bureau of Administration, or his designee, in appropriate cases, the requester will be informed:

(1) That the request does not reasonably describe the system of records or record sought to permit its identification, and shall set forth the additional

information needed to clarify the request; or

(2) That the system of records identified does not include a record retrievable by the requester's name or other identifying particulars.

(c) The System Manager shall advise the requester within 10 working days after actual receipt of the request by the Director, Bureau of Administration, or his designee, that the request for access has been denied, and the reason for the denial, or that the determination has been made to grant the request, either in whole or in part, in which case the relevant information will be provided.

[41 FR 22358, June 3, 1976, as amended at 41 FR 43154, Sept. 30, 1976]

Subpart D—Correction or Amending the Record

§ 802.10 Request for correction or amendment to record.

All requests for correcting or amending records shall be made in writing to the Director, Bureau of Administration, National Transportation Safety Board, 800 Independence Avenue., SW., Washington, DC 20594, and shall be deemed received upon actual receipt by the Director, Bureau of Administration. The request shall clearly be marked on the envelope and in the letter with the legend that it is a "Privacy Act Correction Request." The request must reasonably set forth the portion of the record which the individual contends is not accurate, relevant, timely, or complete.

[41 FR 22358, June 3, 1976, as amended at 41 FR 43154, Sept. 30, 1976]

§ 802.11 Agency review of requests for correction or amendment of record.

Within 10 working days after actual receipt of the request by the Director, Bureau of Administration, or his designee, to correct or amend the record, the System Manager shall either make the correction in whole or in part, or inform the individual of the refusal to correct or amend the record as requested, and shall present the reasons for any denials.

[41 FR 22358, June 3, 1976, as amended at 41 FR 43154, Sept. 30, 1976]

§ 802.12 Initial adverse agency determination on correction or amendment.

If the System Manager determines that the record should not be corrected or amended in whole or in part, he will forthwith make such finding in writing, after consulting with the General Counsel, or his designee. The requester shall be notified of the refusal to correct or amend the record. The notification shall be in writing, signed by the System Manager, and shall include—

- (a) The reason for the denial;
- (b) The name and title or position of each person responsible for the denial of the request;
- (c) The appeal procedures for the individual for a review of the denial; and
- (d) Notice that the denial from the System Manager is appealable within 30 days from the receipt thereof by the requester to the Board.

The System Manager is allotted 10 working days (or within such extended period as is provided in the section concerning “unusual circumstances” *infra*) to respond to the request for review. If the requester does not receive an answer within such time, the delay shall constitute a denial of the request and shall permit the requester immediately to appeal to the Board, or to a district court.

Subpart E—Review of Initial Adverse Determination

§ 802.14 Review procedure and judicial review.

(a) A requester may appeal from any adverse determination within 30 days after actual receipt of a denial from the System Manager. The appeal must be in writing addressed to the Chairman, National Transportation Safety Board, 800 Independence Avenue, SW., Washington, DC 20594, and shall contain a statement on the envelope and in the appeal: “Appeal from Privacy Act Adverse Determination.”

(b) The Board shall make a determination with respect to the appeal within 30 working days after the actual receipt of the appeal by the Chairman, except as provided for in “unusual circumstances” *infra*.

(c)(1) *Review of denial of access.* If the appeal upholds the denial of access to records, the Board shall: Notify the requester in writing, explaining the Board’s determination; state that the denial is a final agency action and that judicial review is available in a district court of the United States in the district where the requester resides or has his principal place of business, or where the agency records are located, or in the District of Columbia; and request a filing with the Board of a concise statement enumerating the reasons for the requester’s disagreement with the denial, pursuant to subsection (g) of the Act.

(2) *Review of denial of correction or amendment.* If the appeal upholds the denial in whole or in part for correction or amendment of the record, the same notification and judicial review privileges described in paragraph (c)(1) of this section shall apply.

(d) If the denial is reversed on appeal, the Board shall notify the requester in writing of the reversal. The notice shall include a brief statement outlining those portions of the individual’s record which were not accurate, relevant, timely, or complete, and corrections of the record which were made, and shall provide the individual with a courtesy copy of the corrected record.

(e) Copies of all appeals and written determinations will be furnished by the System Manager to the Board.

(f) In unusual circumstances, time limits may be extended by not more than 10 working days by written notice to the individual making the request. The notice shall include the reasons for the extension and the date on which a determination is expected to be forthcoming. “Unusual circumstances” as used in this section shall include circumstances where a search and collection of the requested records from field offices or other establishments are required, cases where a voluminous amount of data is involved, and cases where consultations are required with other agencies or with others having a substantial interest in the determination of the request.

(g) *Statements of Disagreement.* (1) Written Statements of Disagreement may be furnished by the individual within 30 working days of the date of

National Transportation Safety Board

§ 802.14

(2) The Director, Bureau of Administration, or his designee, shall be responsible for ensuring that:

(i) The Statement of Disagreement is included in the system of records in which the disputed item of information is maintained; and

(ii) The original record is marked to indicate the information disputed, the existence of the Statement of Disagreement, and its location within the relevant system of records.

(3) The Director, Bureau of Administration, or his designee, may, if he deems it appropriate, prepare a concise Statement of Explanation indicating why the requested amendments or corrections were not made. Such Statement of Explanation shall be included in the system of records in the same manner as the Statement of Disagreement. Courtesy copies of the NTSB Statement of Explanation and the notation of dispute, as marked on the original record, shall be furnished to the individual who requested correction or amendment of the record.

(h) *Notices of correction and/or amendment, or dispute.* After a record has been corrected or a Statement of Disagreement has been filed, the Director, Bureau of Administration, or his designee, shall within 30 working days thereof, advise all previous recipients of the affected record as to the correction or the filing of the Statement of Disagreement. The identity of such recipients shall be determined pursuant to an accounting of disclosures required by the Act or any other accounting previously made. Any disclosure of disputed information occurring after a Statement of Disagreement has been filed shall clearly identify the specific information disputed and shall be accompanied by a copy of the Statement of Disagreement and a copy of any NTSB Statement of Explanation.

(i) *Disclosure to others of records concerning individuals.* Neither the Board nor other NTSB personnel shall disclose any record which is contained in a system of records maintained by NTSB, by any means of communication, including oral communication, to any person, or to another Government agency, except pursuant to a written request by, or with the prior written consent, of the individual to whom the record pertains, unless disclosure of the record is:

(6) To the National Archives of the United States as a record which has sufficient historical or other value to warrant its continued preservation by the U.S. Government, or to the Administrator of the General Services Administration, or his designee, for evaluation to determine whether the record has such value;
