5 CFR Ch. I (1–1–07 Edition)

of Personnel Management in accordance with the provisions of this subpart.

Subpart C—Basic Pay for Employees of Temporary Organizations

SOURCE: 67 FR 3582, Jan. 25, 2002, unless otherwise noted.

§ 534.301 Purpose.

This subpart provides rules for determining the rate of basic pay and locality-adjusted rate of basic pay for employees who are appointed to positions in temporary organizations and compensated under 5 U.S.C. 3161. Such temporary organizations are established by law or Executive order. This subpart does not provide authority to establish other forms of compensation and benefits not authorized by title 5, United States Code, or another specific statutory authority.

[67 FR 63049, Oct. 10, 2002]

§ 534.302 Coverage.

This subpart applies to employees in executive level and staff positions in temporary organizations. Such employees are not subject to the provisions applicable to General Schedule employees covered by chapter 51 and subchapter III of chapter 53 of title 5, United States Code.

[67 FR 63049, Oct. 10, 2002]

§ 534.303 Basic pay for executive level positions.

Rates of basic pay for executive level positions of temporary organizations may not exceed the rate for level III of the Executive Schedule.

[69 FR 70362, Dec. 6, 2004]

§ 534.304 Basic pay for staff positions.

(a)(1) Rates of basic pay for staff or other non-executive level positions of temporary organizations may not exceed the maximum rate of basic pay for grade GS-15 of the General Schedule under 5 U.S.C. 5332, excluding any locality-based comparability payment under 5 U.S.C. 5304.

(2) In establishing rates of basic pay for staff and other non-executive level

positions of temporary organizations, the head of a temporary organization must give consideration to the significance, scope, and technical complexity of the position and the qualifications required for the work involved. The head of a temporary organization must also take into account the rates of pay applicable to Federal employees who have duties that are similar in terms of difficulty and responsibility.

(b) Employees in staff and other non-executive level positions of temporary organizations must be paid locality payments in addition to basic pay in the same manner as employees covered by 5 U.S.C. 5304. Locality-adjusted rates of basic pay may not exceed the locality-adjusted rate of basic pay for grade GS-15 of the General Schedule under 5 U.S.C. 5304, for the locality pay area involved (not to exceed the rate for level IV of the Executive Schedule).

(c) Notwithstanding the limitations in paragraphs (a) and (b) of this section, the rate of basic pay and locality-adjusted rate of basic pay for a senior staff position of a temporary organization may, in a case determined by the head of a temporary organization to be exceptional, exceed the maximum rates established under those paragraphs. However, the higher payable rates may not exceed the rate for level III of the Executive Schedule.

§ 534.305 Pay periods and computation of pay.

(a) The requirements of 5 U.S.C. 5504, must be applied to employees of temporary organizations. This includes requirements for biweekly pay periods and requirements for converting an annual rate of basic pay to a basic hourly, daily, weekly, or biweekly rate.

(b) Employees of temporary organizations must receive basic pay on an hourly basis.

Subpart D—Pay and Performance Awards Under the Senior Executive Service

SOURCE: 54 FR 2987, Jan. 23, 1989, unless otherwise noted.

§ 534.401 Purpose.

This subpart contains the rules for setting and adjusting rates of basic pay and granting performance awards for members of the Senior Executive Service (SES), as provided by 5 U.S.C. 5382, 5383, and 5384. An agency must set and adjust the rate of basic pay for an SES member on the basis of the employee's performance and/or contribution to the agency's performance, as determined by the agency through the administration of its performance management system(s) for senior executives. These regulations must be read in combination with applicable statutes and with the regulations for the approval of an SES performance management system under 5 CFR part 430, subpart C, and certification of an SES performance appraisal system under 5 CFR part 430, subpart D.

[69 FR 70362, Dec. 6, 2004]

§ 534.402 Definitions.

In this subpart—

Agency means an executive agency or military department, as defined by 5 U.S.C. 105 and 102.

Authorized agency official means the head of an agency or an official who is authorized to act for the head of the agency in the matter concerned. The agency's Inspector General is the *authorized agency official* for senior executive positions in the Office of the Inspector General, consistent with the requirements in section 3(a) of the Inspector General Act of 1978.

Outstanding performance means performance that substantially exceeds the normally high performance expected of any senior executive, as evidenced by exceptional accomplishments or contributions to the agency's performance.

Performance expectations means the critical and other performance elements and performance requirements that constitute the senior executive performance plans (as defined in § 430.303).

PRB means Performance Review Board, as described in § 430.310.

Rate of basic pay means the rate of pay fixed by law or administrative action for the senior executive, within the established SES rate range or, in

the case of a senior executive entitled to pay retention, the employee's retained rate of pay, excluding any applicable locality-based comparability payments under 5 U.S.C. 5304, but before any deductions and exclusive of additional pay of any other kind.

Relative performance means the performance of a senior executive with respect to the performance of other senior executives, including their contribution to agency performance, where appropriate, as determined by the application of a certified performance appraisal system under 5 CFR part 430, subpart D.

Senior executive means a member of the Senior Executive Service (SES) paid under 5 U.S.C. 5383.

SES rate means a rate of basic pay within the SES rate range assigned to a member of the SES under § 534.403(a).

SES rate range means the range of rates of basic pay established for the SES under 5 U.S.C. 5382 and § 534.403(a).

[69 FR 70362, Dec. 6, 2004]

§ 534.403 SES rate range.

(a) *SES rate range.* (1) On the first day of the first applicable pay period beginning on or after January 1, 2004, the minimum rate of basic pay of the SES rate range is set at an amount equal to the minimum rate of basic pay under 5 U.S.C. 5376 for senior-level positions (excluding any locality-based comparability payment under 5 U.S.C. 5304). The minimum rate of basic pay for the SES rate range will increase consistent with any increase in the minimum rate of basic pay for senior-level positions under 5 U.S.C. 5376. An SES member may not receive less than the minimum rate of the SES rate range. Except as provided in paragraph (a)(2) of this section, the maximum rate of basic pay of the SES rate range is set at the rate for level III of the Executive Schedule. An SES member's rate of basic pay must be set at one of the rates within the SES rate range based on the senior executive's performance and/or contribution to the agency's performance.

(2) The maximum rate of basic pay of the SES rate range is set at the rate for level II of the Executive Schedule for senior executives in an agency who are covered by a performance appraisal

system that makes meaningful distinctions based on relative performance, as certified by the Office of Personnel Management (OPM), with concurrence by the Office of Management and Budget (OMB), under 5 U.S.C. 5307(d) and 5 CFR part 430, subpart D. A senior executive's rate of basic pay may not exceed the maximum rate of the applicable SES rate range, except as provided in § 534.404(h)(2). The applicable maximum rate of basic pay for the SES rate range will increase with any increase in the rate for levels II or III of the Executive Schedule under 5 U.S.C. 5318.

(3) Rates of basic pay higher than the rate for level III of the Executive Schedule but less than or equal to the rate for level II of the Executive Schedule generally are reserved for those senior executives who have demonstrated the highest levels of individual performance and/or made the greatest contributions to the agency's performance, as determined by the agency through the administration of its performance appraisal system for senior executives, or, in the case of newly-appointed senior executives, those who possess superior leadership or other competencies, consistent with the agency's strategic human capital plan.

(b) *Suspension of certification of performance appraisal system.* A senior executive whose rate of basic pay is higher than the rate for level III of the Executive Schedule may not suffer a reduction in pay because his or her agency's applicable performance appraisal system certification is suspended under 5 CFR 430.405(h). The senior executive will continue to receive his or her current SES rate and is not eligible for a pay adjustment until the senior executive is assigned to a position that would allow the employee to receive a pay adjustment or until certification of the employing agency's applicable performance appraisal system is reinstated under 5 CFR part 430, subpart D. The SES rate of pay is not considered a retained rate of pay for the purpose of applying 5 U.S.C. 3594 and 5 CFR part 359, subpart G, or 5 U.S.C. 5363 and 5 CFR part 536, subpart C.

[69 FR 70362, Dec. 6, 2004, as amended at 70 FR 31305, May 31, 2005]

§ 534.404 Setting and adjusting pay for senior executives.

(a) *Setting pay upon initial appointment to the SES.* An authorized agency official may set the rate of basic pay of an individual at any rate within the SES rate range upon initial appointment to the SES, subject to the limitation on the maximum rate of basic pay in § 534.403(a). Rates of basic pay above the rate for level III of the Executive Schedule but less than or equal to the rate for level II of the Executive Schedule generally are reserved for those newly appointed senior executives who possess superior leadership or other competencies, as determined by the agency as part of its strategic human capital plan. In setting a new senior executive's rate of basic pay, an agency must consider the nature and quality of the individual's experience, qualifications, and accomplishments as they relate to the requirements of the SES position, as well as the individual's current responsibilities.

(b) *Adjusting the pay of SES members.*

(1) An authorized agency official may adjust (increase or reduce) the rate of basic pay of a senior executive consistent with the agency's plan for setting and adjusting SES rates of basic pay under paragraph (g) of this section.

(2) A senior executive who receives an annual summary rating of outstanding performance must be considered for an annual pay increase, subject to the limitation on the maximum rate of basic pay in § 534.403(a).

(3) An agency may provide a pay increase to allow a senior executive to advance his or her relative position within the SES rate range only upon a determination by the authorized agency official that the senior executive's individual performance and/or contributions to agency performance so warrant. In assessing a senior executive's performance and/or contribution to the agency's performance, the authorized agency official may consider such things as unique skills, qualifications, or competencies that the individual possesses, and their significance to the agency's performance, as well as the senior executive's current responsibilities. Senior executives who demonstrate the highest levels of individual performance and/or make the

greatest contributions to the agency's performance, as determined by the agency through the administration of its performance appraisal system, or, in the case of newly-appointed senior executives, those who possess superior leadership or other competencies, as determined by the agency as part of its strategic human capital plan, must receive the highest rates of basic pay or pay adjustments.

(4)(i) On the effective date of an increase in the minimum or maximum rate of basic pay of the SES rate range under § 534.403(a)(1) or (2), an authorized agency official may increase the rate of basic pay of a senior executive who meets or exceeds his or her performance expectations by an amount that does not exceed the amount necessary to maintain the senior executive's relative position in the SES rate range, except as provided in paragraph (b)(4)(ii) and (b)(4)(iii) of this section. A pay increase made under this paragraph is not considered a pay adjustment for the purpose of applying § 534.404(c).

(ii) A pay increase under paragraph (b)(4)(i) of this section may not be provided to a senior executive whose rate of basic pay is at or below the rate for level III of the Executive Schedule if such an increase would cause the senior executive's rate of basic pay to exceed the rate for level III of the Executive Schedule unless the senior executive has received an annual summary rating of outstanding for the most recently completed appraisal period and the agency head or designee who performs the functions described in 5 CFR 430.404(a)(5) or (6) (including the Inspector General, where applicable) has approved the increase in pay.

(iii) A pay increase under paragraph (b)(4)(i) of this section may not be provided to a senior executive whose rate of basic pay is above the rate for level III of the Executive Schedule unless the senior executive has received an annual summary rating of outstanding for the most recently completed appraisal period and the agency head or designee who performs the functions described in 5 CFR 430.404(a)(5) or (6) (including the Inspector General, where applicable) has approved the increase in pay. However, in the case of a senior

executive whose rate of basic pay is above the rate for level III of the Executive Schedule and who has been rated below outstanding, but above fully successful, for the most recently completed appraisal period, the agency head or designee who performs the functions described in 5 CFR 430.404(a)(5) or (6) (including the Inspector General, where applicable) may approve such a pay increase in limited circumstances, such as for an exceptionally meritorious accomplishment.

(5) A senior executive who receives a summary rating of less than fully successful may not receive an increase in pay for the current appraisal period.

(6) An authorized agency official may reduce the rate of basic pay of a senior executive for performance and/or disciplinary reasons, consistent with the restrictions on reducing the rate of basic pay of a career senior executive in paragraph (j) of this section and in § 534.406(b).

(c) *12-month rule.* (1) An authorized agency official may adjust (*i.e.*, increase or reduce) the rate of basic pay of a senior executive not more than once during any 12-month period. However, an agency may make a determination to provide an additional pay increase under certain conditions as prescribed in paragraph (c)(3) and (4) of this section without regard to whether the senior executive has received a pay adjustment during the previous 12-month period.

(2) The following pay actions are considered pay adjustments for the purpose of applying this paragraph:

(i) The setting of an individual's rate of basic pay upon initial appointment or reappointment to the SES under paragraphs (a) and (i)(1) of this section and upon reinstatement to the SES under paragraph (i)(2)(ii) of this section; and

(ii) Any adjustment (increase or reduction) in an SES rate of basic pay granted to a senior executive, except as provided in paragraph (c)(3) of this section.

(3) The following pay actions are not considered pay adjustments for the purpose of applying this paragraph:

(i) The conversion of senior executives to the new SES pay system under § 534.406 and the conversion of other

employees to equivalent senior executive positions;

(ii) A determination by an authorized agency official to make a zero adjustment in pay after reviewing a senior executive's annual summary rating;

(iii) A zero adjustment in pay made during the 12-month period preceding the first day of the first applicable pay period beginning on or after January 1, 2004, caused by the former limitation on basic pay plus locality-based comparability payments under 5 U.S.C. 5304(g)(2) for a senior executive who was granted an increase in his or her rate of basic pay that did not result in an actual increase in pay;

(iv) A determination to provide an additional pay increase under paragraph (f) of this section when there is an increase in Executive Schedule rates of pay;

(v) A determination to provide an additional pay increase under paragraph (e)(2) of this section when an agency's senior executive performance appraisal system is certified under 5 CFR part 430, subpart D, after the beginning of a calendar year;

(vi) A determination to provide a pay increase under paragraph (b)(4) of this section to allow a senior executive to maintain his or her relative position in the SES rate range; and

(vii) An increase in pay equivalent to the minimum amount necessary to ensure that a senior executive's rate of basic pay does not fall below the minimum rate of the SES rate range.

(4) An authorized agency official may approve increases in a senior executive's rate of basic pay more than once during a 12-month period if the agency head or designee who performs the functions described in 5 CFR 430.404(a)(5) or (6) (including the Inspector General, where applicable) determines that—

(i) The senior executive's exceptionally meritorious accomplishment significantly contributes to the agency's performance;

(ii) A pay increase is necessary to reassign a senior executive to a position with substantially greater scope and responsibility or to recruit a senior executive with superior leadership or other competencies from a position in another agency;

(iii) The retention of the senior executive is critical to the mission of the agency and the senior executive would be likely to leave the agency in the absence of a pay increase; or

(iv) Such action conforms to an otherwise applicable executive appraisal and pay adjustment cycle (e.g., in the case of a senior executive who was appointed to an SES position within the past 12 months or a senior executive who was transferred to an SES position from an agency with a different senior executive appraisal and pay adjustment cycle within the past 12 months).

(5) An authorized agency official must provide written documentation approving an exception under paragraph (c)(4) of this section. Any pay adjustment made as a result of a determination under paragraph (c)(4) of this section is considered a pay adjustment for the purpose of applying § 534.404(c) and begins a new 12-month period.

(d) *Adjustments in pay prior to certification of applicable performance appraisal system.* An authorized agency official may adjust a senior executive's rate of basic pay converted under § 534.406 on the first day of the first applicable pay period beginning on or after January 1, 2004, or on any date thereafter prior to obtaining certification under 5 CFR part 430, subpart D, but only up to the rate for level III of the Executive Schedule. The authorized agency official may provide an increase in pay if warranted under the conditions prescribed in paragraph (b) of this section and the senior executive is otherwise eligible for such an increase (*i.e.*, he or she did not receive a pay adjustment under § 534.404(c) during the previous 12-month period). An adjustment in pay made under this paragraph is considered a pay adjustment for the purpose of applying § 534.404(c).

(e) *Adjustments in pay after certification of applicable performance appraisal system.* (1) In the case of an agency that obtains certification of a performance appraisal system for senior executives under 5 CFR part 430, subpart D, an authorized agency official may increase a covered senior executive's rate of basic pay up to the rate for level II of the Executive Schedule, consistent with the limitations in

§ 534.403(a)(3). The authorized agency official may provide an increase in pay if warranted under the conditions prescribed in paragraph (b) of this section and if the senior executive is otherwise eligible for such an increase (i.e., he or she did not receive a pay adjustment under § 534.404(c) during the previous 12-month period). An adjustment in pay made under this paragraph is considered a pay adjustment for the purpose of applying § 534.404(c).

(2) In the case of an agency that was prevented from establishing or adjusting a rate of basic pay above the rate for level III of the Executive Schedule for an individual upon initial appointment to the SES under § 534.404(a) or for a current SES member using one of the exceptions to the 12-month rule in § 534.404(c)(4)(i), (ii), or (iii) because the agency had not yet obtained certification of its performance appraisal system for senior executives under 5 CFR part 430, subpart D, in the current calendar year, an authorized agency official may increase such a senior executive's rate of basic pay up to the rate for level II of the Executive Schedule upon certification of the agency's senior executive performance appraisal system, consistent with the limitations in § 534.403(a)(3). The authorized agency official may review the previous determination to set or adjust the pay of a senior executive to determine whether, and to what extent, an additional pay increase may be warranted based on the same criteria used for the previous determination. The determination to provide an additional pay increase may not be made effective before the date the agency's senior executive performance appraisal system is certified under 5 CFR part 430, subpart D, or after December 31st of the calendar year for which the agency's system is certified. An adjustment in pay made under this paragraph is not considered a pay adjustment for the purpose of applying § 534.404(c) and does not begin a new 12-month period for that purpose.

(f) *Effect of increase in Executive Schedule rates of pay.* (1) If there is an additional increase in the rates for the Executive Schedule in a calendar year, and if that increase becomes effective on the first day of the first pay period beginning on or after January 1 (i.e.,

the date prescribed in 5 U.S.C. 5318), an agency may review any previous determination to adjust the pay of a senior executive that was made effective on or after the effective date of the first increase in the rates for the Executive Schedule to determine whether, and to what extent, an additional pay increase may be warranted for senior executives based on the same criteria used for the previous determination. If the agency determines that an additional pay increase is warranted, that increase must be made effective as of the effective date of the previous pay increase and is not considered a pay adjustment for the purpose of applying § 534.404(c).

(2) If there is an increase in the rates of pay for the Executive Schedule under 5 U.S.C. 5318 after an agency has already granted pay increases to its senior executives following the applicable performance appraisal period, an agency may review any previous determination to increase the pay of a senior executive whose rate of basic pay is equivalent to the rate for level II (if covered under a performance appraisal system that is certified) or level III (if covered under a performance appraisal system that is not certified) when the applicable maximum rate is increased to determine whether, and to what extent, an additional pay increase may be warranted for the senior executive based on the same criteria used for the previous determination. The determination to provide an additional pay increase must be approved and made effective as of the effective date of increases in the Executive Schedule under 5 U.S.C. 5318 (i.e., the first day of the first pay period beginning on or after January 1). An additional pay increase under this paragraph is not considered a pay adjustment for the purpose of applying § 534.404(c).

(g) *Agency plan for setting and adjusting SES rate of basic pay.* Each agency must establish a plan for setting and adjusting the rates of basic pay for SES members. Agencies must provide for transparency in the processes for making pay decisions, while assuring confidentiality. In developing its plan for setting and adjusting SES rates, an agency may consider the senior executive's broad scope of authority and level of responsibility and his or her

§ 534.404

5 CFR Ch. I (1–1–07 Edition)

personal accountability for the success (or failure) of an agency's programs. The agency's plan must require that any decisions to adjust pay must reflect meaningful distinctions among senior executives based on individual performance and/or contribution to agency performance and must include—

(1) The criteria that will be used to set and adjust a senior executive's rate of basic pay to ensure that individual pay rates or pay adjustments, as well as their overall distribution within the SES rate range, reflect meaningful distinctions within a single performance rating level (e.g., the higher the employee's relative performance within a rating level, the higher the pay adjustment) and/or between performance rating levels (e.g., the higher the rating level, the higher the pay adjustment);

(2) The criteria that will be used to set and adjust a senior executive's rate of basic pay at a rate that exceeds the rate for level III of the Executive Schedule if the applicable agency performance appraisal system has been certified under 5 CFR part 430, subpart D;

(3) The designation of the authorized agency official who has authority to set and adjust SES rates of pay for individual senior executives, subject to the requirement that the agency head or designee who performs the functions described in 5 CFR 430.404(a)(5) and (6) (including the Inspector General, where applicable) must approve any determination to set a senior executive's rate of basic pay higher than the rate for level III of the Executive Schedule and must approve any determination to increase a senior executive's rate of basic pay more than once in any 12-month period; and

(4) The administrative and management controls that will be applied to ensure compliance with applicable statutes, OPM's regulations, the agency's plan, and, where applicable, the certification requirements set forth in 5 CFR 430, subpart D, and the limitation on the maximum rate of basic pay in § 534.403(a).

(h) *Setting pay upon transfer.* (1) An authorized agency official may set the pay of a senior executive transferring from another agency at any rate with-

in the SES rate range, subject to the limitation on the maximum rate of basic pay in § 534.403(a) and the restrictions on reducing the pay of career senior executives in paragraph (h)(2) of this section (upon transfer to an agency whose applicable performance appraisal system is not certified) and in § 534.406(b) (for 12 months following the effective date of the new SES pay system). If pay is set at the same SES rate the senior executive received in his or her former agency, the action is not considered a pay adjustment for the purpose of applying § 534.404(c).

(2) A senior executive whose rate of basic pay is higher than the rate for level III of the Executive Schedule may not suffer a reduction in pay as a result of transferring to an agency where the maximum rate of basic pay for the applicable SES rate range is equal to the rate for level III of the Executive Schedule. The senior executive will continue to receive his or her current SES rate and is not eligible for a pay adjustment until the senior executive is assigned to a position that would allow the employee to receive a pay adjustment or the employing agency's applicable performance appraisal system is certified under 5 CFR part 430, subpart D. The SES rate of pay is not considered a retained rate of pay for the purpose of applying 5 U.S.C. 3594 and 5 CFR part 359, subpart G, or 5 U.S.C. 5363 and 5 CFR part 536, subpart C.

(i) *Setting pay following a break in SES service—*(1) *General.* Upon reappointment to the SES, an authorized agency official may set the rate of basic pay of a former senior executive at any rate within the SES rate range, subject to the limitations in § 534.403(a), if there has been a break in SES service of more than 30 days. If there has been a break in SES service of 30 days or less, the senior executive's rate of basic pay may be set at any rate within the SES rate range (without regard to whether the employee received a pay adjustment during the previous 12-month period), but not higher than the senior executive's former SES rate of basic pay. Where there has been a break in service of 30 days or less, the agency head or designee who performs the functions described in 5 CFR

430.404(a)(5) and (6) (including the Inspector General, where applicable) may approve a higher rate than the senior executive's former rate of basic pay, if warranted. Setting a rate of basic pay upon reappointment to the SES is considered a pay adjustment under § 534.404(c).

(2) *Reinstatement from a Presidential appointment requiring Senate confirmation.* The following provisions apply to a former career senior executive who is reinstated under 5 CFR 317.703:

(i) If the individual elected to remain subject to the SES pay provisions while serving under a Presidential appointment, his or her SES rate may be adjusted upon reinstatement to the SES, whether in the agency where the individual held the Presidential appointment or in another agency, if at least 12 months have elapsed since the employee's last SES pay adjustment. If fewer than 12 months have elapsed since the employee's last SES pay adjustment, an authorized agency official may approve an additional pay increase under § 534.404(c)(4) if the additional pay increase is warranted. Any pay adjustment must be made in accordance with paragraphs (b), (d), and (e) of this section and the agency's plan for adjusting SES rates of pay in paragraph (g) of this section.

(ii) If the individual did not elect to remain subject to the SES pay provisions while serving under a Presidential appointment, his or her SES rate may be set upon reinstatement to the SES at any rate within the SES rate range, subject to the limitations in § 534.403(a).

(iii) Setting a rate of basic pay upon reinstatement to the SES under paragraphs (i)(2)(i) and (ii) of this section is considered a pay adjustment for the purpose of applying § 534.404(c).

(j) *Restrictions on reducing the pay of career senior executives.* (1) An authorized agency official may reduce a career senior executive's SES rate of basic pay by not more than 10 percent for performance or disciplinary reasons, subject to the restriction on reducing the pay of career senior executives in § 534.406(b) or setting pay below the minimum rate of the SES rate range in § 534.403(a).

(2) The SES rate of basic pay of a career senior executive may be reduced without the employee's consent by the senior executive's agency or upon transfer of function to another agency only—

(i) If the senior executive has received a less than fully successful annual summary rating under 5 CFR part 430, subpart C, or has otherwise failed to meet the performance requirements for a critical element as defined in 5 CFR 430.303; or

(ii) As a disciplinary or adverse action resulting from conduct-related activity, including, but not limited to, misconduct, neglect of duty, or malfeasance.

(3) Prior to reducing a career senior executive's rate of basic pay, the agency must provide the senior executive with the following:

(i) Written notice of such reduction at least 15 days in advance of its effective date;

(ii) A reasonable period of time, but not less than 7 days, for the senior executive to respond to such notice orally and/or in writing and to furnish affidavits and other documentary evidence in support of that response;

(iii) An opportunity to be represented in the matter by an attorney or other representative;

(iv) A written decision and specific reasons for the pay reduction at the earliest practicable date after the senior executive's response, if any; and

(v) An opportunity to request, within 7 days after the date of that decision, reconsideration by the head of the agency, whose determination with respect to that request will be final and not subject to further review.

(4) Reductions in pay under paragraph (j) of this section are not appealable under 5 U.S.C. 7543.

[69 FR 70363, Dec. 6, 2004, as amended at 70 FR 31305, May 31, 2005; 71 FR 38754, July 10, 2006]

§ 534.405 Performance awards.

(a) This section covers the payment of performance awards to career appointees in the Senior Executive Service (SES).

(1) To be eligible for an award, the individual must have been an SES career

appointee as of the end of the performance appraisal period; and the individual's most recent performance rating of record under part 430, subpart C, of this chapter for the appraisal period must have been "Fully Successful" or higher.

(2) Individuals eligible for a performance award include:

(i) A former SES career appointee who elected to retain award eligibility under 5 CFR part 317, subpart H. If the rate of basic pay of the individual is higher than the maximum rate of basic pay for the applicable SES rate range, the maximum rate of that SES rate range is used for crediting the agency award pool under paragraph (b) of this section and the amount the individual may receive under paragraph (c) of this section.

(ii) A reemployed annuitant with an SES career appointment.

(iii) An SES career appointee who is on detail. If the detail is to another agency, eligibility is in the individual's official employing agency, *i.e.*, the agency from which detailed. If the appointee is on a reimbursable detail, the agency to which the appointee is detailed may reimburse the employing agency for some or all of any award, as agreed upon by the two agencies; but the reimbursement does not affect the award pool for either agency as calculated under paragraph (b) or this section.

(3) When making recommendations on performance awards, more than one-half of the membership of a Performance Review Board must be career SES appointees. The only exception is if OPM has determined under § 430.307(d) of this chapter that the Board does not have to have a majority of career members when making recommendations on performance appraisals of career appointees because there exists an insufficient number of career appointees.

(4) The agency head must consider the recommendations of the Performance Review Board (PRB), but the agency head has the final authority as to who is to receive a performance award and the amount of the award.

(b)(1) The total amount of performance awards paid during a fiscal year by an agency may not exceed the greater of—

(i) Ten percent of the aggregate career SES rates of basic pay for the agency as of the end of the fiscal year prior to the fiscal year in which the award payments are made; or

(ii) Twenty percent of the average annual rates of basic pay for career SES appointees of the agency as of the end of the fiscal year prior to the fiscal year in which the award payments are made.

(2) In determining the aggregate career SES rates of basic pay and the average annual rate of basic pay as of the end of FY 2003 for the purpose of applying paragraph (b) of this section, agencies must use the annual rate of basic pay, plus any applicable locality-based comparability payment under 5 U.S.C. 5304 or special geographic pay adjustment established for law enforcement officers under section 404(a) of the Federal Employees Pay Comparability Act of 1990 (Pub. L. 101-509), which the SES appointees were receiving at the end of FY 2003.

(c) The amount of a performance award paid to an individual career appointee may not be less than 5 percent nor more than 20 percent of the appointee's SES rate of basic pay as of the end of the performance appraisal period.

(d) OPM shall issue guidance concerning the distribution of performance awards within an agency.

(e) Agencies shall submit their distribution of performance awards, the total amount of awards, and the aggregate payroll or average rate of basic pay as computed under paragraph (b) of this section to OPM no later than 14 days after the date the performance awards are approved by the agency. If OPM determines that an agency's payments do not meet the requirements of law or regulations, the agency shall take any corrective action directed by OPM.

(f) Performance awards must be paid in a lump sum except in those instances when it is not possible to pay the full amount because of the applicable aggregate limitation on pay during a calendar year under 5 CFR part 530, subpart B. In that case, any amount in excess of the applicable aggregate limitation must be paid at the beginning of

the following calendar year in accordance with 5 CFR part 530, subpart B. The full performance award, however, is charged against the agency bonus pool under § 534.405(b) for the fiscal year in which the initial payment was made.

§ 534.406 Conversion to the SES pay system.

(a) On the first day of the first applicable pay period beginning on or after January 1, 2004, agencies must convert an existing SES rate of basic pay for a senior executive to an SES rate of basic pay that is equal to the employee's rate of basic pay, plus any applicable locality-based comparability payment under 5 U.S.C. 5304 which the senior executive was receiving immediately before that date, except as provided in paragraph (b) of this section. The newly converted rate is the senior executive's SES rate of basic pay. An agency's establishment of an SES rate of basic pay for a senior executive under this paragraph is not considered a pay adjustment for the purpose of applying § 534.404(c).

(b) An SES member's rate of basic pay, plus any applicable locality-based comparability payment under 5 U.S.C. 5304 to which the employee was entitled on November 24, 2003, may not be reduced for 1 year after the first day of the first applicable pay period beginning on or after January 1, 2004. If an SES member's rate of basic pay, plus any applicable locality-based comparability payment under 5 U.S.C. 5304 to which the employee was entitled on November 23, 2003, is higher than the rate in effect immediately prior to the first day of the first applicable pay period beginning on or after January 1, 2004, the agency must use the higher rate for the purpose of converting SES members to the SES pay system.

(c) An SES member who is assigned to a position outside the 48 contiguous States and the District of Columbia to a position overseas or in Alaska, Hawaii, Guam or the Commonwealth of

the Northern Mariana Islands, Puerto Rico, the U.S. Virgin Islands, or other U.S. territories and possessions as of the first day of the first applicable pay period beginning on or after January 1, 2004, will be converted to a new rate of basic pay that equals the senior executive's current rate of basic pay, plus the amount of locality pay authorized under 5 U.S.C. 5304 for the applicable locality pay area upon the employee's initial reassignment to a position in the 48 contiguous States or the District of Columbia. The adjustment will be prospective, not retroactive, and it will not be considered a pay adjustment for the purpose of applying § 534.404(c). If the senior executive's rate of basic pay did not exceed the rate for level III of the Executive Schedule while assigned to a position outside the 48 contiguous States or the District of Columbia, upon initial reassignment to a locality pay area the senior executive's converted rate of basic pay may not exceed the rate for level III of the Executive Schedule. The newly converted rate is the senior executive's SES rate of basic pay.

(d) On the first day of the first applicable pay period beginning on or after January 1, 2004, a law enforcement officer (LEO), as defined in 5 CFR 531.301, who is a member of the SES will have his or her rate of basic pay, plus any applicable special geographic pay adjustment established for LEOs under section 404(a) of the Federal Employees Pay Comparability Act of 1990 (Pub. L. 101-509) to which he or she was entitled immediately before that date, converted to a new SES rate of basic pay. The newly converted rate is the senior executive's SES rate of basic pay, and any pay adjustments approved on or after January 11, 2004, must be computed based on the senior executive's converted rate of basic pay. Conversion to a new SES rate of basic pay is not considered a pay adjustment for the purpose of applying § 534.404(c).

§ 534.407 Pay computation and aggregate compensation.

(a) Except as provided in paragraph (b) of this section, pay for members of the SES must be computed in accordance with 5 U.S.C. 5504(b).

§ 534.408

5 CFR Ch. I (1–1–07 Edition)

(b) To determine the hourly rate of pay for members of the SES, divide the annual SES rate of basic pay by 2,087 and round to the nearest cent, counting one-half cent and over as a whole cent. To derive the biweekly rate, multiply the hourly rate by 80.

(c) Senior executives are subject to the applicable aggregate limitation on pay in 5 CFR part 530, subpart B.

[69 FR 70367, Dec. 6, 2004]

§ 534.408 Restrictions on premium pay and compensatory time.

(a) Under 5 U.S.C. 5541(2)(xvi) and 5 CFR 550.101(b)(18), members of the Senior Executive Service (SES) are excluded from premium pay, including overtime pay.

(b) Since SES members are not eligible for overtime pay, they also are not eligible for compensatory time in lieu of overtime pay for work performed as an SES member. SES members are eligible, however, for compensatory time off for religious purposes under 5 U.S.C. 5550a and 5 CFR part 550, subpart J.
