§ 3.26 Exceptions to notice requirements.

(a) When the procedural requirements of § 3.25 have been met by the creditor agency or under some other statutory or regulatory authority, an agency need not duplicate the notice before effecting administrative offset.

(b) A USDA agency may effect administrative offset against a payment to be made to a debtor before completion of the procedures in § 3.25 when the agency finds, or is advised by the requesting creditor agency, that:

(1) Failure to take the offset would substantially prejudice the Government's ability to collect the debt, such as where possible insolvency of the debtor might encourage competition among creditors for funds, or where expiration of a statute of limitations is imminent; and

(2) The time before the payment is to be made does not reasonably permit the completion of these procedures.

(c) The finding required by paragraph (b) of this section must be furnished by the offsetting agency to the debtor in writing as soon as reasonably possible after the offset is effected. Promptly after administrative offset is effected under this subsection, the creditor agency must give the debtor the notice required by § 3.25.

(d) An offsetting USDA agency may rely on the information contained in a creditor agency's request for administrative offset under this section.

§ 3.27 Inspection of USDA records related to the debt.

A debtor who intends to inspect or copy agency or Departmental records with respect to the claim action must notify the agency in writing within 20 calendar days of the date the Notice of Intent to Offset was delivered to the debtor. In response, the agency must notify the debtor of the location, time, and any other conditions, consistent with part 1, subpart A of this title, for inspecting and copying, and that the debtor may be liable for reasonable copying expenses.
