Subpart A—General Provisions

SOURCE: 68 FR 16172, Apr. 3, 2003, unless otherwise noted.

§ 718.1 Applicability.

(a) This part is applicable to all programs set forth in chapters VII and XIV of this title which are administered by the Farm Service Agency (FSA). This rule governs how FSA monitors marketing quotas, allotments, base acres and acreage reports. The regulations affected are those that establish procedures for measuring allotments and program eligible acreage, and determining program compliance.

(b) The provisions of this part will be administered under the general supervision of the Administrator, FSA, and shall be carried out in the field by State and county FSA committees (State and county committees).

(c) State and county committees, and representatives and employees thereof, do not have authority to modify or waive any regulations in this part.

(d) No provisions or delegation herein to a State or county committee shall preclude the Administrator, FSA, or a designee, from determining any question arising under the program or from reversing or modifying any determination made by a State or county committee.

(e) The Deputy Administrator may authorize State and county committees to waive or modify deadlines and other requirements in cases where lateness or failure to meet such other requirements does not adversely affect the operation of the program.

§ 718.2 Definitions.

Except as provided in individual parts of chapters VII and XIV of this title, the following terms shall be as defined herein:

Administrative variance (AV) means the amount by which the determined acreage of tobacco may exceed the effective allotment and be considered in compliance with program regulations.

Allotment means an acreage for a commodity allocated to a farm in ac-

cordance with the Agricultural Adjustment Act of 1938, as amended.

Allotment crop means any tobacco crop for which acreage allotments are established pursuant to part 723 of this chapter.

Barley means barley that follows the standard planting and harvesting practice of barley for the area in which the barley is grown.

Base acres means the quantity of acres established according to part 1413 of this title.

CCC means the Commodity Credit Corporation.

Combination means consolidation of two or more farms or parts of farms, having the same operator, into one farm.

Common ownership unit means a distinguishable parcel of land consisting of one or more tracts of land with the same owners, as determined by FSA.

Constitution means the make-up of the farm before any change is made because of change in ownership or operation.

Controlled substances means the term set forth in 21 CFR part 1308.

Corn means field corn or sterile high-sugar corn that follows the standard planting and harvesting practices for corn for the area in which the corn is grown. Popcorn, corn nuts, blue corn, sweet corn, and corn varieties grown for decoration uses are not corn.

County means the county or parish of a state. For Alaska, Puerto Rico and the Virgin Islands, a county shall be an area designated by the State committee with the concurrence of the Deputy Administrator.

County committee means the FSA county committee.

Crop reporting date means the latest date the Administrator, FSA will allow the farm operator, owner, or their agent to submit a crop acreage report in order for the report to be considered timely.

Cropland. (a) Means land which the county committee determines meets any of the following conditions:

(1) Is currently being tilled for the production of a crop for harvest. Land which is seeded by drilling, broadcast or other no-till planting practices shall be considered tilled for cropland definition purposes;
