(b) If the amount of the mortgage loan exceeds \$90,000, or the reduced maximum amount of insurance available to an eligible veteran, whichever amount is the lesser, the amount of insurance in force on the life of the veteran shall remain at a constant level until the principal amount of the mortgage loan which is basis for establishing the amount of insurance is reduced to \$90,000, or to the amount of the reduced maximum amount of insurance available to the veteran, at which time the amount of insurance in force on his or her life shall be reduced in accordance with the schedule for the reduction of the principal of the mortgage loan, and whether or not the scheduled payments are timely made.

(c) Subject to the \$90,000 maximum amount of insurance, and to the reduced maximum amount of insurance available to the eligible veteran, he or she is entitled to be insured under VMLI or to apply for such insurance as often as he or she becomes obligated under a mortgage loan or a refinanced mortgage loan on a housing unit or a successor housing unit owned and occupied by the eligible veteran. (a) The effective date of Servicemembers' Group Life Insurance will be in accordance with provisions set forth in 38 U.S.C. 1967.

(b) The effective date of Veterans' Group Life Insurance will be as follows:

(1) For members whose Servicemembers' Group Life Insurance coverage ceases under 38 U.S.C. 1968(a)(1)(A) and 38 U.S.C. 1968(a)(4), the effective date shall be the 121st day after termination of duty. An application and the initial premium must be received by the administrative office within 120 days following termination of duty or separation or release from such assignment.

(2) For members whose Servicemembers' Group Life Insurance coverage was extended because of total disability, the effective date shall be the day following the end of the 1-year period of extended coverage or the day following the end of the total disability, whichever is the earlier date, but in no event before the 121st day following termination of duty. An application and the initial premium must be received by the administrative office within 1 year following termination of duty.

(3) For members who qualify for coverage under 38 U.S.C. 1967(b), the effective date shall be the 121st day after termination of duty. An application, the initial premium, and proof of disability must be received by the admin-

istrative office within 120 days following termination of duty.

(4) For members of the Individual Ready Reserve or the Inactive National Guard, the effective date shall be the date an application and the initial premium are received by the administrative office. (c) If either an application or the initial premium has not been received by the administrative office within the time limits set forth above, Servicemembers' Group Life Insurance or Veterans' Group Life Insurance coverage may still be granted if an application, the initial premium, and evidence of insurability are received by the administrative office within 1 year and 120 days following termination of duty.

[61 FR 20135, May 6, 1996, as amended at 62 FR 35970, July 3, 1997]

§9.3 Waiver or reduction of coverage.

(a) Full-time coverage which is in effect will terminate or be reduced at midnight of the last day of the month a member's written notice requesting such termination or reduction is received by his or her uniformed service.

In the case of a member paying premiums directly to the administrative office, full-time coverage will terminate or be reduced as of the last day of the month for which the last full premium was paid. Termination or reduction of coverage is effective for the entire remaining period of active duty unless the member reinstates his or her coverage under the provisions of 38 U.S.C. 1967(c). If, following termination of duty, a member reenters duty (in the same or another uniformed service), a waiver or reduction for the previous period of duty will not apply to the subsequent period of duty.

(b) Part-time coverage will terminate or be reduced at the end of the last day of the period of duty then being performed if the member is on active duty or active duty for training when the waiver or reduction is filed; at the end of the period of inactive duty training then being performed if the member is on inactive duty training when the waiver or reduction is filed; or on the date the waiver or reduction is received by his or her uniformed service if the member is not on active duty, active duty for training; or inactive duty training on the date the waiver or reduction is filed.

(1) When a member insured under part-time coverage waives his or her right to group coverage or elects a reduced amount of insurance, such waiver or election, unless changed, is effective throughout the period of the member's continuous reserve obligation in the same uniformed service. If, following termination of duty, the member reenters duty or resumes the obligation to perform duty (in the same or another uniformed service), the waiver or reduction will not apply to the subsequent period of duty or obligation.

(2) If a reservist insured under part-time coverage is called or ordered to active duty or active duty for training under a call or order that does not specify a period of less than 31 days and is separated or released from such duty and then resumes his or her reserve obligation, any waiver or election of reduced coverage made while eligible for part-time coverage, unless changed, shall be effective throughout the entire period of part-time coverage, the active duty or active duty for training

period and 120 days thereafter and the period of immediately resumed reserve obligation.

(3) If a member, other than a member referred to in paragraph (b)(2) of this section, upon termination of duty qualifying him or her for full-time coverage assumes an obligation to perform duty as a reservist, any waiver or election previously made by the member shall not apply to coverage arising from his or her reservist obligation. Furthermore, during the 120 days following termination of such duty the full-time coverage shall not be reduced by any waiver or election made by a member as a reservist.

§9.4 Beneficiaries and options.

Any designation of beneficiary or election of settlement options is subject to the provisions of 38 U.S.C. 1970 and 1977 and the following provisions:

(a) Any designation of beneficiary or settlement option election made by any member insured under Servicemembers' Group Life Insurance for full-time coverage or part-time coverage will remain in effect until properly changed by the member or canceled automatically for any of the following reasons:

(1) The insurance terminates following separation or release from all duty in a uniformed service.

(b) A change of beneficiary may be made at any time and without the knowledge or consent of the previous beneficiary.

(c) Until and unless otherwise changed, a beneficiary designation and settlement option election of record on the date a statutory increase in coverage takes effect shall be considered to be a beneficiary and optional settlement election for the increased amount as well, and any beneficiary named therein shall be entitled to the same

percentage (%) share of the new total coverage amount as that beneficiary was entitled to prior to the statutory increase in coverage.

§9.5 Payment of proceeds.

Proceeds shall be paid in accordance with provisions set forth in 38 U.S.C. 1970 and the following provisions:

(a) If proceeds are to be paid in installments, the first installment will be payable as of the date of death. The amount of each installment will be computed so as to include interest on the unpaid balance at the then effective rate.

(b) If, following the death of an insured member who has designated both principal and contingent beneficiaries and elected to have payment made in 36 equal monthly installments, the principal beneficiary dies before all 36 installments have been paid, the remaining installments will be paid as they fall due to the contingent beneficiary. At the death of such a contingent beneficiary, and in other instances of a beneficiary's death, where there is no contingent beneficiary, the value of any unpaid installments, discounted to the date of his or her death at the same rate used for inclusion of interest in the computation of installments will be paid, without further accrual of interest, in one sum to the estate of the beneficiary or contingent beneficiary last receiving payment.

(c) In instances where payment in installments is made at the election of the beneficiary, upon his or her request, the value of such installments as remain unpaid will be discounted to the date of payment at the same rate used for inclusion of interest in the computation of installments and paid to him or her in one sum.

(d) If a member whose coverage is extended due to total disability converts the group insurance to an individual policy which is effective before he or she ceases to be totally disabled or before the end of 1 year following termination of duty, whichever is earlier, and dies while group insurance would be in effect, except for such conversion,

38 CFR Ch. I (7-1-08 Edition)

the group insurance will be payable, provided the individual policy is surrendered for a return of premiums and without further claim. When there is no such surrender, any amount of group insurance in excess of the amount of the individual policy will be payable.

§9.7 Administrative decisions.

(a) Determinations of the Department of Veterans Affairs are conclusive under the policy with respect to the following:

(1) The status of any person being within the term *member* and whether or not he or she is covered at any point of time under the policy including *travel-time* under 38 U.S.C. 1967(b) and death within 120 days thereafter from a disability incurred or aggravated while on duty.

(2) The fact and date of a member's termination of active duty, or active duty for training, and the fact, date and hours of a member's performance of inactive duty training.

(3) The fact and dates with respect to a member's absence without leave, confinement by civilian authorities under a sentence adjudged by a civil court, or confinement by military authorities under a court-martial sentence involving total forfeiture of pay and allowances.

(4) The operation of the forfeiture provision provided in 38 U.S.C. 1973 with respect to any member.

(5) The existence of total disability or insurability at standard premium rates under 38 U.S.C. 1968.

(b) When determination is required on a claim that a member who waived coverage, or whose coverage was forfeited for one of the offenses listed under 38 U.S.C. 1973 was in fact insured,

or that a member who elected to be insured was insured for an amount greater than the amount shown in the record, and there is no record of an application to be insured or to increase the amount of insurance as required under 38 U.S.C. 1967(c):

(1) The person making the claim will be required to submit all evidence available concerning the member's actions and intentions with respect to Servicemembers' Group Life Insurance or Veterans' Group Life Insurance.

(2) Request will be made to the member's uniformed service and any other likely source of information considered necessary, for whatever evidence in the form of copies of payroll or personnel records, statements of persons having knowledge of the facts, etc., is essential to a decision in the matter.

Based on the evidence obtained, a formal determination will be made as to whether the member involved is deemed to have applied to be insured, or to be insured for an amount other than the amount shown in the record. The determination will include a finding as to the member's health status for insurance purposes based on the evidence available.

(Authority: 38 U.S.C. 1967)

(c) In making the determination required under paragraph (b) of this section, the following will be considered:

(1) The possibility that due to widespread geographic distribution, inadequate means of communication and the nature of the group insurance program, members may not be adequately and accurately informed, especially in time of war or military emergency, about the detailed requirements for obtaining insurance protection.

(2) Payroll deductions made without objection by a member, following waiver or termination of coverage, representing premiums for insurance or additional insurance, may, by virtue of continuity or the circumstances surrounding their initiation, be indicative that the member did apply. Such deductions without a formal application of record may be considered as evidence that the member's application was not in proper form or misplaced. They may also be considered as evidence that an application was not

made solely because of erroneous or incomplete counseling or absence of counseling on the part of the responsible personnel of the uniformed service.

(d) Questions for determination under this section as well as those involving coverage of groups and classes of members and other questions are properly referable to the Assistant Director for Insurance. Authority to make any determinations required under this section is delegated to the Under Secretary for Benefits and Assistant Director for Insurance.

§ 9.8 Termination of coverage.

Termination of coverage will be in accordance with the provisions of 38 U.S.C. 1968 and § 9.3 of this part and the following provisions:

(a) In the case of a member whose coverage is forfeited under 38 U.S.C. 1973, coverage terminates at the end of the day preceding the day on which the act or omission forming the basis for such forfeiture occurred.

(b) In the event of discontinuance of the group policy, coverage terminates at the end of the day preceding the date of the discontinuance of the policy except for those members who are insured under Veterans' Group Life Insurance in which event coverage terminates at the expiration of the day preceding the anniversary of the effective date of such insurance which first occurs, 90 days or more after the discontinuance of the group policy.

[40 FR 4135, Jan. 28, 1975, as amended at 48 FR 8071, Feb. 25, 1983; 53 FR 17699, May 18, 1988; 57 FR 11910, Apr. 8, 1992. Redesignated and amended at 61 FR 20135, 20136, May 6, 1996; 62 FR 35970, July 3, 1997]

§ 9.9 Conversion privilege.

(a) With respect to a member on active duty or active duty for training under a call or order to duty that specifies a period of less than 31 days, and a member insured during inactive duty training scheduled in advance by competent authority there shall be no right of conversion unless the insurance is continued in force under 38

§9.10

U.S.C. 1967(b) or 1968(a) for 120 days following a period of such duty, as the result of a disability incurred or aggravated during such a period of duty.

(b) The individual policy of life insurance to which an insured may convert under 38 U.S.C. 1968(b) or 1977(e) shall not have disability or other supplementary benefits and shall not be term insurance or any policy which does not provide for cash values. Term riders providing level or decreasing insurance for which an additional premium is charged may be attached to an eligible basic conversion policy, but the rider will be excluded from the conversion pool agreement under the policy.

(c) The insurer will establish a conversion pool in cooperation with the reinsurers and converters in accordance with the terms of the policy. Its purpose will be to provide for the determination and maintenance of appropriate charges arising from excess mortality under individual conversion policies issued in accordance with this section and provide for the appropriate distribution of the risk of loss due to such excess mortality among the reinsurers and converters.

[40 FR 4135, Jan. 28, 1975, as amended at 53 FR 17699, May 18, 1988. Redesignated and amended at 61 FR 20135, 20136, May 6, 1996]

§9.10 Health standards.

(a) For the purpose of determining if a member who incurred a disability or aggravated a preexisting disability during a period of active duty or active duty for training under a call to duty specifying a period of less than 31 days or during a period of inactive duty was rendered uninsurable at standard premium rates, the underwriting criteria used by the insurer in determining good health for persons applying to it for life insurance in amounts not exceeding the maximum amount of coverage then available under 38 U.S.C. 1967 will be used.

(Authority: 38 U.S.C. 1967)

(b) For all other purposes of determining if a member meets the necessary health requirements except paragraph (a) of this section, the underwriting criteria used by the insurer

38 CFR Ch. I (7-1-08 Edition)

in determining good health for group life insurance purposes will be used.

§9.11 Criteria for reinsurers and converters.

The following criteria will control eligibility for reinsuring and converting companies:

(a) The company must be a legal reserve life insurance company as classified by the insurance supervisory authorities of the State of domicile. Qualified fraternal organizations are included.

(b) The company must have been in the life insurance business for a continuous period of 5 years prior to October 1, 1965, or the December 31 preceding any redeterminations of the allocations. In the event of a merger, the 5-year requirement may be satisfied by either the surviving company or by one of the absorbed companies. Upon joint application by a subsidiary of a participating company, together with the parent company, the 5-year requirement may be waived provided such parent company owns more than 50 percent of the outstanding stock of the subsidiary and has been a legal reserve life insurance company for a period of 10 years or more.

(c) The company must be licensed to engage in life insurance in at least one State of the United States or the District of Columbia.

(d) The company will not be one: (1) Certified by the Department of Defense as being under suspension for cause for purpose of allotment or on-base solicitation privileges.

(2) That solicits life insurance applications as conversion or other replacement of Servicemembers' Group Life Insurance or Veterans' Group Life Insurance coverage in jurisdictions in which it is not licensed.

(3) That fails to take effective action to correct an improper practice followed by it or its agents within 30 days after written receipt of notice issued by the insurer or the Assistant Director for Insurance. Improper practice includes:

(i) The use for solicitation purposes of lists of names and addresses of

Department of Veterans Affairs

§ 9.14

former members without obtaining reasonable assurance that such lists have not been obtained contrary to regulations of the Department of Defense or other uniformed service;

(ii) Failure to reveal sources and copies of mailing lists upon proper request or to otherwise cooperate in an authorized investigation of a reported improper practice;

(iii) The use of written or oral representations which may mislead the person addressed as to the true role of the company or its representatives as one of the participating companies;

(iv) The use of written or oral representations which may mislead the person addressed as to rights, privileges, coverage, premiums, or similar matters under Servicemembers' Group Life Insurance, Veterans' Group Life Insurance, or any policy issued or proposed to be issued as a conversion or other replacement coverage;

(v) Violation of regulations of a uniformed service concerning solicitation of life insurance; and

(vi) The use of written or oral references to Servicemembers' Group Life Insurance, Veterans' Group Life Insurance or conversions of Servicemembers' Group Life Insurance or Veterans' Group Life Insurance in connection with the attempted sale of an insurance policy which would not be, in fact, a conversion policy or a policy issued in lieu of a conversion, if those references might lead a person addressed to believe there is a connection between the policy being sold and coverage under Servicemembers' Group Life Insurance, Veterans' Group Life Insurance or a conversion of it.

(e) Each reinsuring and converting company must agree to issue conversion policies to any qualified applicant regardless of race, color, religion, sex, or national origin, under terms and conditions established by the primary insurer.

§ 9.12 Reinsurance formula.

The allocation of insurance to the insurer and each reinsurer will be based upon the following:

(a) An amount of the total life insurance in force under the policy in pro-

portion to the company's total life insurance in force in the United States where:

The first \$100 million in force is counted in full.

The second \$100 million in force is counted at 75 percent.

The third \$100 million in force is counted at 50 percent.

The fourth \$100 million in force is counted at 25 percent.

And any amount above \$400 million in force is counted at 5 percent.

(b) The allocation will be redetermined at the beginning of each policy year for the primary insurer and the companies then reinsuring, with the portion as set forth in paragraph (a) of this section based upon the corresponding in force (excluding the Servicemembers' Group Life Insurance in force) as of the preceding December 31.

(c) Any life insurance company, which is not initially participating in reinsurance or conversions, but satisfies the criteria set forth in § 9.11, may subsequently apply to the primary insurer to reinsure and convert, or to convert only. The participation of such company will be effective as of the beginning of the policy year following the date on which application is approved by the insurer.

(a) *What is an Accelerated Benefit?* An Accelerated Benefit is a payment of a portion of your Servicemembers' Group Life Insurance or Veterans' Group Life Insurance to you before you die.

(b) *Who is eligible to receive an Accelerated Benefit?* You are eligible to receive

§9.14

38 CFR Ch. I (7-1-08 Edition)

an Accelerated Benefit if you have a valid written medical prognosis from a physician of 9 months or less to live, and otherwise comply with the provisions of this section.

(c) Who can apply for an Accelerated Benefit? Only you, the insured member, can apply for an Accelerated Benefit. No one can apply on your behalf.

(d) How much can you request as an Accelerated Benefit? (1) You can request as an Accelerated Benefit an amount up to a maximum of 50% of the face value of your insurance coverage.

(2) Your request for an Accelerated Benefit must be \$5,000 or a multiple of \$5000 (for example, \$10,000, \$15,000).

(e) How much can you receive as an Accelerated Benefit? You can receive as an Accelerated Benefit the amount you request up to a maximum of 50% of the face value of your insurance coverage, minus the interest reduction. The interest reduction is the amount the Office of Servicemembers' Group Life Insurance actuarially determines to be the amount of interest that would be lost because of the early payment of part of your insurance coverage. This means that if you have \$100,000 in coverage and you request the maximum amount that you are eligible to request as an Accelerated Benefit, you will be paid \$50,000 minus the interest reduction.

(f) How do you apply for an Accelerated Benefit? (1) You can obtain an application form entitled "Claim for Accelerated Benefits" by writing the Office of Servicemembers' Group Life Insurance, 290 W. § 9.20 Traumatic injury protection.

(a) *What is traumatic injury protection?* Traumatic injury protection provides for the payment of a specified benefit amount to a member insured by Servicemembers' Group Life Insurance who sustains a traumatic injury directly resulting in a scheduled loss.

(b) *What is a traumatic event?* (1) A traumatic event is the application of external force, violence, chemical, biological, or radiological weapons, or accidental ingestion of a contaminated substance causing damage to a living being occurring—

(i) On or after December 1, 2005, or

(ii) On or after October 7, 2001, and through and including November 30, 2005, if the scheduled loss is a direct result of a traumatic injury incurred in Operation Enduring Freedom or Operation Iraqi Freedom.

(2)(i) The term *incurred in Operation Enduring Freedom* means a service member was deployed outside of the United States on orders in support of Operation Enduring Freedom or served in a geographic location that qualified the service member for the Combat Zone Tax Exclusion under 26 U.S.C. 211.

(ii) The term *incurred in Operation Iraqi Freedom* means a service member was deployed outside of the United States on orders in support of Operation Iraqi Freedom or served in a geographic location that qualified the service member for the Combat Zone Tax Exclusion under 26 U.S.C. 211.

(3) A traumatic event does not include a surgical procedure in and of itself.

(c) *What is a traumatic injury?* (1) A traumatic injury is physical damage to a living body that is caused by a traumatic event as defined in paragraph (b) of this section.

(2) For purposes of this section, the term “traumatic injury” does not include damage to a living body caused by—

(i) A mental disorder; or

(ii) A mental or physical illness or disease, except if the physical illness or disease is caused by a pyogenic infection, biological, chemical, or radiological weapons, or accidental ingestion of a contaminated substance.

(3) For purposes of this section, all traumatic injuries will be considered to have occurred at the same time as the traumatic event.

(d) *What are the eligibility requirements for payment of traumatic injury protection benefits?* You must meet all of the following requirements in order to be eligible for traumatic injury protection benefits.

(1) You must be a member of the uniformed services who is insured by Servicemembers’ Group Life Insurance under section 1967(a)(1)(A)(i), (B) or (C)(i) of title 38, United States Code, on the date you sustained a traumatic injury, except if you are a member who experienced a traumatic injury on or after October 7, 2001, through and including December 1, 2005, and your scheduled loss was a direct result of injuries incurred in Operation Enduring Freedom or Operation Iraqi Freedom. (For this purpose, you will be consid-

ered a member of the uniformed services until midnight on the date of termination of your duty status in the uniformed services that established your eligibility for Servicemembers’ Group Life Insurance, notwithstanding an extension of your Servicemembers’ Group Life Insurance coverage under section 1968(a) of title 38, United States Code.)

(2) You must suffer a scheduled loss that is a direct result of a traumatic injury and no other cause.

(3) You must survive for a period not less than seven full days from the date of the traumatic injury. The seven day period begins on the date and Zulu (Greenwich Meridean) time of the traumatic injury and ends 168 full hours later.

(4) You must suffer a scheduled loss under paragraph (e)(7) of this section within two years of the traumatic injury.

(e) *What is a scheduled loss and what amount will be paid because of that loss?*

(1) The term “scheduled loss” means a condition listed in the schedule in paragraph (e)(7) of this section if directly caused by a traumatic injury. A scheduled loss is payable at the amount specified in the schedule.

(2) The maximum amount payable under the schedule for all losses resulting from traumatic events occurring within a seven-day period is \$100,000. We will calculate the seven-day period beginning with the day on which the first traumatic event occurs.

(3) A benefit will not be paid if a scheduled loss is due to a traumatic injury—

(i) Caused by—

(A) The member’s attempted suicide, while sane or insane;

(B) An intentionally self-inflicted injury or an attempt to inflict such injury;

(C) Medical or surgical treatment of an illness or disease;

(D) Willful use of an illegal or controlled substance, unless administered or consumed on the advice of a medical doctor; or

(ii) Sustained while a member was committing or attempting to commit a felony.

(4) A benefit will not be paid for a scheduled loss resulting from—

Department of Veterans Affairs

§ 9.20

(ii) A mental disorder whether or not caused by a traumatic injury.

(5) Amount Payable under the Schedule of Losses. (i) The maximum amount payable for all scheduled losses resulting from a single traumatic event is limited to \$100,000. For example, if a traumatic event on April 1, 2006, results in the immediate total and permanent loss of sight in both eyes, and the loss of one foot on May 1, 2006, as a direct result of the same traumatic event, the member will be paid \$100,000.

(ii) If a member suffers more than one scheduled loss as a result of a single traumatic event, payment will be made for the scheduled loss with the highest benefit amount.

(iii) If a member suffers more than one scheduled loss from separate traumatic events occurring more than seven full days apart, the scheduled losses will be considered separately and a benefit will be paid for each loss up to the maximum amount according to the schedule. For example, if a member suffers the loss of one foot at or above the ankle on May 1, 2006, from one event, the member will be paid \$50,000. If the same member suffers loss of sight in both eyes from an event that occurred on November 1, 2006, the member will be paid an additional \$100,000.

(6) Definitions. For purposes of this paragraph (e)(6)—

(f) *Who will determine eligibility for traumatic injury protection benefits?* Each uniformed service will certify its own members for traumatic injury protection benefits based upon section 1032 of Public Law 109-13, section 501 of Public Law 109-233, and this section. The uniformed service will certify whether you were at the time of the traumatic injury insured under Servicemembers' Group Life Insurance and whether you have sustained a qualifying loss.

(g) *How does a member make a claim for traumatic injury protection benefits?* (1)(i) A member who believes he or she qualifies for traumatic injury protection benefits must complete Part A of the Certification of Traumatic Injury Protection Form and sign the form.

(ii) If a member is unable to do so, anyone acting on the member's behalf may request a Certification of Traumatic Injury Protection Form from the uniformed service. However, the Certification of Traumatic Injury Protection Form must be signed by the member, the member's guardian, or the member's attorney-in-fact.

(iii) If a member suffered a scheduled loss as a direct result of the traumatic injury, survived seven full days from the date of the traumatic event, and then died before the maximum benefit for which the service member qualifies is paid the beneficiary or beneficiaries of the member's Servicemembers' Group Life Insurance policy should complete a Certification of Traumatic Injury Protection Form.

(2) If a member seeks traumatic injury protection benefits for a scheduled loss occurring after submission of a completed Certification of Traumatic Injury Protection Form for a different scheduled loss, the member must submit a completed Certification of Traumatic Injury Protection Form for the new scheduled loss and for each scheduled loss that occurs thereafter. For example, if a member seeks traumatic injury protection benefits for a scheduled loss due to coma from traumatic injury and/or the inability to carry out activities of daily living due to traumatic brain injury (§ 9.20(e)(7)(xxxvii)), or the inability to carry out activities of daily living due to loss directly resulting from a traumatic injury other

than an injury to the brain (§ 9.20(e)(7)(xliv)), a completed Certification of Traumatic Injury Protection Form must be submitted for each increment of time for which TSGLI is payable. Also, for example, if a service member suffers a scheduled loss due to a coma, a completed Certification of Traumatic Injury Protection Form should be filed after the 15th consecutive day that the member is in the coma, for which \$25,000 is payable. If the member remains in a coma for another 15 days, another completed Certification of Traumatic Injury Protection Form should be submitted and another \$25,000 will be paid.

(h) *How does a member or beneficiary appeal an adverse eligibility determination?* (1) Notice of a decision regarding a member's eligibility for traumatic injury protection benefits will include an explanation of the procedure for obtaining review of the decision. An appeal of an eligibility determination, such as whether the loss occurred within 365 days of the traumatic injury, whether the injury was self-inflicted or whether a loss of hearing was total and permanent, must be in writing. An appeal must be submitted by a member or a member's legal representative or by the beneficiary or the beneficiary's legal representative, within one year of the date of a denial of eligibility, to the office of the uniformed service identified in the decision regarding the member's eligibility for the benefit.

(2) An appeal regarding whether a member was insured under Servicemembers' Group Life Insurance when the traumatic injury was sustained must be in writing. An appeal must be submitted by a member or a member's legal representative or by the beneficiary or the beneficiary's legal representative within one year of the date of a denial of eligibility to the Office of Servicemembers' Group Life Insurance.

(3) Nothing in this section precludes a member from pursuing legal remedies under 38 U.S.C. 1975 and 38 CFR 9.13.

(i) *Who will be paid the traumatic injury protection benefit?* The injured member who suffered a scheduled loss will be paid the traumatic injury protection benefit in accordance with title

38 U.S.C. 1980A except under the following circumstances:

(1) If a member is legally incapacitated, the member's guardian or attorney-in-fact will be paid the benefit on behalf of the member.

(2) If a member dies before payment is made, the beneficiary or beneficiaries who will be paid the benefit will be determined in accordance with 38 U.S.C. 1970(a).

(j) The Traumatic Servicemembers' Group Life Insurance program will be administered in accordance with this rule, except to the extent that any regulatory provision is inconsistent with subsequently enacted applicable law.
