

## §21.2

## 4 CFR Ch. I (1–1–08 Edition)

(i) A protest may be dismissed for failure to comply with any of the requirements of this section, except for the items in paragraph (d) of this section. In addition, a protest shall not be dismissed for failure to comply with paragraph (e) of this section where the contracting officer has actual knowledge of the basis of protest, or the agency, in the preparation of its report, was not prejudiced by the protester's noncompliance.

[61 FR 39042, July 26, 1996, as amended at 67 FR 79835, Dec. 31, 2002]

### §21.2 Time for filing.

(a)(1) Protests based upon alleged improprieties in a solicitation which are apparent prior to bid opening or the time set for receipt of initial proposals shall be filed prior to bid opening or the time set for receipt of initial proposals. In procurements where proposals are requested, alleged improprieties which do not exist in the initial solicitation but which are subsequently incorporated into the solicitation must be protested not later than the next closing time for receipt of proposals following the incorporation.

(2) Protests other than those covered by paragraph (a)(1) of this section shall be filed not later than 10 days after the basis of protest is known or should have been known (whichever is earlier), with the exception of protests challenging a procurement conducted on the basis of competitive proposals under which a debriefing is requested and, when requested, is required. In such cases, with respect to any protest basis which is known or should have been known either before or as a result of the debriefing, the initial protest shall not be filed before the debriefing date offered to the protester, but shall be filed not later than 10 days after the date on which the debriefing is held.

(3) If a timely agency-level protest was previously filed, any subsequent protest to GAO filed within 10 days of actual or constructive knowledge of initial adverse agency action will be considered, provided the agency-level protest was filed in accordance with paragraphs (a)(1) and (a)(2) of this section, unless the contracting agency imposes a more stringent time for filing, in which case the agency's time for fil-

ing will control. In cases where an alleged impropriety in a solicitation is timely protested to a contracting agency, any subsequent protest to GAO will be considered timely if filed within the 10-day period provided by this paragraph, even if filed after bid opening or the closing time for receipt of proposals.

(b) Protests untimely on their face may be dismissed. A protester shall include in its protest all information establishing the timeliness of the protest; a protester will not be permitted to introduce for the first time in a request for reconsideration information necessary to establish that the protest was timely.

(c) GAO, for good cause shown, or where it determines that a protest raises issues significant to the procurement system, may consider an untimely protest.

### §21.3 Notice of protest, submission of agency report, and time for filing of comments on report.

(a) GAO shall notify the contracting agency by telephone within 1 day after the filing of a protest, and, unless the protest is dismissed under this part, shall promptly send a written confirmation to the contracting agency and an acknowledgment to the protester. The contracting agency shall immediately give notice of the protest to the contractor if award has been made or, if no award has been made, to all bidders or offerors who appear to have a substantial prospect of receiving an award. The contracting agency shall furnish copies of the protest submissions to those parties, except where disclosure of the information is prohibited by law, with instructions to communicate further directly with GAO. All parties shall furnish copies of all protest communications to the contracting agency and to other participating parties. All protest communications shall be sent by means reasonably calculated to effect expeditious delivery.

(b) A contracting agency or intervenor which believes that the protest or specific protest allegations should be dismissed before submission of an agency report should file a request for dismissal as soon as practicable.
