(a) In accordance with 5 CFR 2635.105, the regulations in this part apply to employees of the Department of Agriculture (Department or USDA) and supplement the Standards of Ethical Conduct for Employees of the Executive Branch contained in 5 CFR part 2635.

(b) In addition to 5 CFR part 2635 and this part, employees also are required to comply with the executive branch financial disclosure regulations at 5 CFR part 2634, the regulations on responsibilities and conduct contained in 5 CFR part 735, and Department guidance and procedures established pursuant to paragraph (c) of this section.

(c) With the concurrence of the Designated Agency Ethics Official (DAEO), agencies and components of the Department may, in accordance with 5 CFR 2635.105(c), issue explanatory guidance for their employees and establish procedures necessary to implement this part and part 2635 of this title. The Deputy Ethics Official for each agency or component shall retain copies of all such guidance issued by that agency or component.

§ 8301.102 Prior approval for outside employment.

(a) *Prior approval requirement.* An employee, other than a special Government employee, who is required to file either a public or confidential financial disclosure report (SF 278 or OGE Form 450), or an alternative form of reporting approved by the Office of Government Ethics, shall, before engaging in outside employment, obtain written approval in accordance with the procedures set forth in paragraph (c) of this section.

(b) *Definition of employment.* For purposes of this section, “employment” means any form of non-Federal employment or business relationship or activity involving the provision of personal services by the employee for direct, indirect, or deferred compensation other than reimbursement of actual and necessary expenses. It also includes, irrespective of compensation, the following outside activities.

(1) Providing personal services as a consultant or professional, including service as an expert witness or as an attorney; and

(2) Providing personal services to a for-profit entity as an officer, director, employee, agent, attorney, consultant, contractor, general partner, or trustee, which involves decision making or policymaking for the non-Federal entity, or the provision of advice or counsel.

(c) *Submission of requests for approval.* An employee seeking to engage in employment for which advance approval is required shall submit a written request for approval to the employee’s supervisor a reasonable time before the employee proposes to begin the employment. Upon a significant change in the nature of the outside employment or in the employee’s official position, the employee shall submit a revised request for approval. The supervisor will forward written requests for approval to the agency designee, through normal supervisory channels. All requests for prior approval shall include the following information:

(1) The employee’s name, organizational location, occupational title, grade, and salary;

(2) The nature of the proposed outside employment, including a full description of the specific duties or services to be performed;

(3) A description of the employee's official duties that relate in any way to the proposed employment;

(4) The name and address of the person or organization for whom or with which the employee is to be employed, including the location where the services will be performed;

(5) The method or basis of any compensation (e.g., fee, per diem, honorarium, royalties, stock options, travel and expenses, or other);

(6) A statement as to whether the compensation is derived from a USDA grant, contract, cooperative agreement, or other source of USDA funding;

(7) For employment involving the provision of consultative or professional services, a statement indicating whether the client, employer, or other person on whose behalf the services are performed is receiving, or intends to seek, a USDA grant, contract, cooperative agreement, or other funding relationship; and

(8) For employment involving teaching, speaking, writing or editing, the proposed text of any disclaimer required by 5 CFR 2635.807(b).

(d) *Standard for approval.* Approval shall be granted by the agency designee unless it is determined that the outside employment is expected to involve conduct prohibited by statute or Federal regulation, including 5 CFR part 2635.

(e) *Responsibilities of the component agencies.* (1) The agency designee for each separate agency or component of USDA may issue an instruction or manual issuance exempting categories of employment from a requirement of prior written approval based on a determination that employment within those categories would generally be approved and is not likely to involve conduct prohibited by Federal statutes or regulations, including 5 CFR part 2635 and this part.

(2) Department components may specify internal procedures governing the submission of prior approval requests, including but not limited to: timely submission requirements; determination deadlines; appeals or reviews;

and requirements for updating requests. Internal procedures also should designate appropriate officials to act on such requests. The instructions or manual issuances may include examples of outside employment that are permissible or impermissible consistent with 5 CFR part 2635 and this part. With respect to employment involving teaching, speaking or writing, the instructions or manual issuances may specify pre-clearance procedures and/or require disclaimers indicating that the views expressed do not necessarily represent the views of the agency, USDA or the United States.

(3) The officials within the respective USDA agencies or components responsible for the administrative aspects of these regulations and the maintenance of records shall make provisions for the filing and retention of requests for approval of outside employment and copies of the notification of approval or disapproval.

§ 8301.103 Additional rules for employees of the Farm Service Agency.

(a) *Application.* This section applies only to Farm Service Agency (FSA) personnel who are Federal employees within the meaning of 5 U.S.C. 2105. This section does not apply to FSA community committee members, county committee members, and county office personnel, who are either elected to their positions or are employees of community or county committees established under 16 U.S.C. 590h. For rules applicable to FSA community committee members, county committee members, and county office personnel, see 7 CFR part 7.

(b) *Definition of FSA program participant.* For purposes of this section, the phrase "FSA program participant," includes any person who is, or is an applicant to become, an FSA borrower, FSA grantee, or recipient of any other form of FSA financial assistance available under any farm credit, payment or other program administered by FSA.

(2) *Waiver.* A request for an exception to the prohibition found in paragraph (c)(1) of this section may be submitted jointly by the FSA program participant and FSA employee (whether on his or her own behalf, or on behalf the employee's spouse or minor child), to the FSA State Executive Director. The FSA State Executive Director may grant a written waiver from this prohibition based on a determination made with the advice and clearance of the DAEO and the FSA headquarters ethics advisor that the waiver is not inconsistent with part 2635 of this title nor 7 U.S.C. 1986 nor otherwise prohibited by law and that, under the particular circumstances, application of the prohibition is not necessary to avoid the appearance of misuse of position or loss of impartiality or otherwise to ensure confidence in the impartiality and objectivity with which agency programs are administered. A waiver under this paragraph may impose appropriate conditions, such as requiring execution of a written disqualification.

(d) *Prohibited transactions with FSA program participants.* (1) Except as provided in paragraph (d)(2) of this section, no FSA employee or spouse or minor child of an FSA employee may directly or indirectly: sell real property to; lease real property to or from; sell to, lease to or from, or purchase personal property from; or employ for compensation a person whom the FSA employee knows or reasonably should know is an FSA program participant directly affected by decisions of the particular FSA office in which the FSA employee serves.

(i) A sale, lease, or purchase of personal property, if it involves:

(A) Goods available to the general public at posted prices that are customary and usual within the community; or

(B) Property obtained pursuant to public auction; or

(ii) Transactions listed in (d)(1) of this section determined in advance by the appropriate FSA State Executive Director, after consulting with the FSA Headquarters ethics advisor, to be consistent with part 2635 of this title and otherwise not prohibited by law.

(e) *Additional prior approval requirements for outside employment.* Any FSA employee not otherwise required to obtain approval for outside employment under § 8301.102 shall obtain written approval in accordance with the procedures and standards set forth in paragraphs (c) and (d) of § 8301.102 before engaging in outside employment, as that term is defined by paragraph (b) of § 8301.102, with or for a person:

(1) Whom the FSA employee knows, or reasonably should know, is an FSA program participant; and

(2) Who is directly affected by decisions made by the particular FSA office in which the FSA employee serves.
