

**§§ 1410.13–1410.19**

**7 CFR Ch. XIV (1–1–08 Edition)**

considered for priority purposes. These include but are not limited to soil erosion prevention, water quality improvement, wildlife habitat restoration, and mitigation of economic loss.

(h) In return for a contract entered into under this paragraph, a participant may opt for:

(1) Annual rental payments authorized by §1410.42, except that the payment rate shall be equal to:

(i) The average rental rate for CRP contracts in the county in which the land is actually located; or

(ii) In the case where no CRP contracts are enrolled in a county, the average rental rate will be the CRP rate applicable to a nearby similarly-situated county.

(2) In lieu of the annual payments provided for in paragraph (h)(1) of this section, lump sum payment equal to the present value of the total amount of annual rental payments that would otherwise be paid under paragraph (h)(1) of this section.

(i) Cost-share assistance authorized under §1410.40 may be reduced by the value of salvaged timber or timber products which are removed to prepare the site for replanting.

(j) The provisions of §1410.7(c), which concern enrollment limits, do not apply to contracts to which this section applies.

(k) To avoid duplicate payments, participants under this section are not eligible to receive EFCRP funding for land on which the participant has or will receive funding under any other program that covers the same expenses.

(1) All other requirements of this part shall apply to enrollments under this section.

**§§ 1410.13–1410.19 [Reserved]**

**§ 1410.20 Obligations of participant.**

(a) All participants subject to a CRP contract must agree to:

(1) Carry out the terms and conditions of such CRP contract;

(2) Implement the conservation plan, which is part of such contract, in accordance with the schedule of dates included in such conservation plan unless the Deputy Administrator determines

that the participant cannot fully implement the conservation plan for reasons beyond the participant's control, and CCC agrees to a modified plan. However, a contract will not be terminated for failure to establish an approved vegetative or water cover on the land if, as determined by the Deputy Administrator:

(i) The failure to plant or establish such cover was due to excessive rainfall, flooding, or drought;

(ii) The land subject to the contract on which the participant could practicably plant or establish to such cover is planted or established to such cover; and

(iii) The land on which the participant was unable to plant or establish such cover is planted or established to such cover after the wet or drought conditions that prevented the planting or establishment subside;

(3) Establish temporary vegetative cover either when required by the conservation plan or, as determined by the Deputy Administrator, if the permanent vegetative cover cannot be timely established;

(4) Comply with part 12 of this title;

(5) Not allow grazing, harvesting, or other commercial use of any crop from the cropland subject to such contract except for those periods of time approved in accordance with instructions issued by the Deputy Administrator;

(6) Establish and maintain the required vegetative or water cover and the required practices on the land subject to such contract and take other actions that may be required by CCC to achieve the desired environmental benefits and to maintain the productive capability of the soil throughout the contract period;

(7) Comply with noxious weed laws of the applicable State or local jurisdiction on such land;

(8) Control on land subject to such contract all weeds, insects, pests and other undesirable species to the extent necessary to ensure that the establishment and maintenance of the approved cover as necessary or may be specified in the CRP conservation plan and to avoid an adverse impact on surrounding land, taking into consideration water quality, wildlife, and other
