INFORMATION FOR PROSPECTIVE BUSINESS OPPORTUNITY PURCHASERS REQUIRED BY FEDERAL TRADE COMMISSION

\* \* \* \* \*

To protect you, we've required your business opportunity seller to give you this information. We haven't checked it, and don't know if it's correct. It should help you make up your mind. Study it carefully. While it includes some information about your contract, don't rely on it alone to understand your contract. Read all of your contract carefully. Buying a business opportunity is a complicated investment. Take your time to decide. If possible, show your contract and this information to an advisor, like a lawyer or an accountant. If you find anything you think may be wrong or anything important that's been left out, you should let us know about it. It may be against the law.

There may also be laws on business opportunities in your state. Ask your state agencies about them.

Federal Trade Commission,  
Washington, D.C.

*Provided,* That the obligations to furnish such disclosure statement shall be deemed to have been met for both the business opportunity seller and the business opportunity broker if either such party furnishes the prospective business opportunity purchaser with such disclosure statement.

(22) All information contained in the disclosure statement shall be current

as of the close of the business opportunity seller's most recent fiscal year. After the close of each fiscal year, the business opportunity seller shall be given a period not exceeding 90 days to prepare a revised disclosure statement and, following such 90 days, may distribute only the revised prospectus and no other. The business opportunity seller shall, within a reasonable time after the close of each quarter of the fiscal year, prepare revisions to be attached to the disclosure statement to reflect any material change in the business opportunity seller or relating to the business opportunity business of the business opportunity seller, about which the business opportunity seller or broker, or any agent, representative, or employee thereof, knows or should know. Each prospective business opportunity purchaser shall have in his or her possession at the "time for making of disclosures," the disclosure statement and quarterly revision for the period most recent to the "time for making of disclosures" and available at that time. Information which is required to be audited pursuant to paragraph (a)(20) of this section is not required to be audited for quarterly revisions. *Provided, however,* That the unaudited information is accompanied by a statement in immediate conjunction therewith that clearly and conspicuously discloses that such information has not been audited.

(23) A table of contents shall be included within the disclosure statement.

(24) The disclosure statement shall include a comment which either positively or negatively responds to each disclosure item required to be in the disclosure statement, by use of a statement which fully incorporates the information required by the item. Each disclosure item therein must be preceded by the appropriate heading, as set forth in Note 3 of this part.

(b) To make any oral, written, or visual representation to a prospective business opportunity purchaser which states a specific level of potential sales, income, gross or net profit for that prospective business opportunity purchaser, or which states other facts which suggest such a specific level, unless:

(1) At the time such representation is made, such representation is relevant to the geographic market in which the business opportunity is to be located;

(2) At the time such representation is made, a reasonable basis exists for such representation and the business opportunity seller has in its possession material which constitutes a reasonable basis for such representation, and such material is made available to any prospective business opportunity purchaser and to the Commission or its staff upon reasonable demand.

*Provided, further,* That in immediate conjunction with such representation, the business opportunity seller shall disclose in a clear and conspicuous manner that such material is available to the prospective business opportunity purchaser; and *Provided, however,* That no provision within paragraph (b) of this section shall be construed as requiring the disclosure to any prospective business opportunity purchaser of the identity of any specific business opportunity purchaser or of information reasonably likely to lead to the disclosure of such person's identity; and *Provided, further,* That no additional representation as to a prospective business opportunity purchaser's potential sales, income, or profits may be made later than the "time for making of disclosures";

(3) Such representation is set forth in detail along with the material bases and assumptions therefor in a single legible written document whose text accurately, clearly and concisely discloses such information, and none other than that provided for by this part or by State law not preempted by this part. Each prospective business opportunity purchaser to whom the representation is made shall be furnished with such document no later than the "time for making of disclosure"; *Provided, however,* That if the representation is made at or prior to a "personal meeting" and such meeting occurs before the "time for making of disclosures", the document shall be furnished to the prospective business opportunity purchaser to whom the representation is made at that "personal meeting";

(4) The following statement is clearly and conspicuously disclosed in the document described by paragraph (b)(3) of this section in immediate conjunction with such representation and in not less than twelve point upper and lower-case boldface type:

(5) The following information is clearly and conspicuously disclosed in the document described by paragraph (b)(3) of this section in immediate conjunction with such representation:

(i) The number and percentage of outlets of the named business opportunity business which are located in the geographic markets that form the basis for any such representation and which are known to the business opportunity seller or broker to have earned or made at least the same sales, income, or profits during a period of corresponding length in the immediate past as those potential sales, income, or profits represented; and

(ii) The beginning and ending dates for the corresponding time period referred to by paragraph (b)(5)(i) of this section, *Provided, however*, That any business opportunity seller without prior business opportunity experience as to the named business opportunity business so indicate such lack of experience in the document described in paragraph (b)(3) of this section.

*Except*, That representations of the sales, income or profits of existing business opportunity outlets need not comply with paragraph (b) of this section.

(c) To make any oral, written, or visual representation to a prospective business opportunity purchaser which states a specific level of sales, income, gross or net profits of existing outlets (whether business opportunity purchaser-owned or company-owned) of the named business opportunity business, or which states other facts which suggest such a specific level, unless:

to the geographic market in which the business opportunity is to be located;

(2) At the time such representation is made, a reasonable basis exists for such representation and the business opportunity seller has in its possession material which constitutes a reasonable basis for such representation, and such material is made available to any prospective business opportunity purchaser and to the Commission or its staff upon reasonable demand, *Provided, however*, That in immediate conjunction with such representation, the business opportunity purchaser discloses in a clear and conspicuous manner that such material is available to the prospective franchisee; and *Provided, further*, That no provision within paragraph (c) of this section shall be construed as requiring the disclosure to any prospective business opportunity purchaser of the identity of any specific business opportunity purchaser or of information reasonably likely to lead to the disclosure of such person's identity; and *Provided, further*, That no additional representation as to the sales, income, or gross or net profits of existing outlets (whether business opportunity purchaser-owned or company-owned) of the named business opportunity business may be made later than the "time for making of disclosures";

(3) Such representation is set forth in detail along with the material bases and assumptions therefor in a single legible written document which accurately, clearly and concisely discloses such information, and none other than that provided for by this part or by State law not preempted by this part. Each prospective business opportunity purchaser to whom the representation is made shall be furnished with such document no later than the "time for making of disclosures," *Provided, however*, That if the representation is made at or prior to a "personal meeting" and such meeting occurs before the "time for making of disclosures," the document shall be furnished to the prospective business opportunity purchaser to whom the representation is made at that "personal meeting";

(4) The underlying data on which the representation is based have been prepared in accordance with generally accepted accounting principles;

(5) The following statement is clearly and conspicuously disclosed in the document described by paragraph (c)(3) of this section in immediate conjunction with such representation, and in not less than twelve point upper and lower case boldface type:

(ii) The beginning and ending dates for the corresponding time period referred to by paragraph (c)(6)(i) of this section, *Provided, however*, That any business opportunity seller without prior business opportunity experience as to the named business opportunity business so indicate such lack of experience in the document described in paragraph (c)(3) of this section.

(d) To fail to provide the following information within the document(s) required by paragraphs (b)(3) and (c)(3) of this section whenever any representation is made to a prospective business opportunity purchaser regarding its potential sales, income, or profits, or the sales, income, gross or net profits of existing outlets (whether business opportunity purchaser-owned or company-owned) of the named business opportunity business:

(1) A cover sheet distinctively and conspicuously showing the name of the business opportunity seller, the date of
