

## Commodity Futures Trading Commission

## § 1.32

download, information from the Electronic Recordkeeper's electronic storage media to any medium acceptable under this regulation.

(i) The Technical Consultant must file with the Commission an undertaking in a form acceptable to the Commission, signed by the Technical Consultant or a person duly authorized by the Technical Consultant. An acceptable undertaking must include the following provision with respect to the Electronic Recordkeeper:

With respect to any books and records maintained or preserved on behalf of the Electronic Recordkeeper, the undersigned hereby undertakes to furnish promptly to any representative of the United States Commodity Futures Trading Commission or the United States Department of Justice (the "Representative"), upon reasonable request, such information as is deemed necessary by the Representative to download information kept on the Electronic Recordkeeper's electronic storage media to any medium acceptable under 17 CFR 1.31. The undersigned also undertakes to take reasonable steps to provide access to information contained on the Electronic Recordkeeper's electronic storage media, including, as appropriate, arrangements for the downloading of any record required to be maintained under the Commodity Exchange Act or the rules, regulations, or orders of the United States Commodity Futures Trading Commission, in a format acceptable to the Representative. In the event the Electronic Recordkeeper fails to download a record into a readable format and after reasonable notice to the Electronic Recordkeeper, upon being provided with the appropriate electronic storage medium, the undersigned will undertake to do so, at no charge to the United States, as the Representative may request.

(ii) [Reserved]

(c) Persons employing an electronic storage system shall provide a representation to the Commission prior to the initial use of the system. The representation shall be made by the person required to maintain the records, the storage system vendor, or another third party with appropriate expertise and shall state that the selected electronic storage system meets the requirements set forth in paragraph (b)(1)(ii) of this section. Persons employing an electronic storage system using media other than optical disk or CD-ROM technology shall so state. The representation shall be accompanied by

the type of oath or affirmation described in §1.10(d)(4).

(d) Trading cards, documents on which trade information is originally recorded in writing, written orders required to be kept pursuant to §1.35(a), (a-1)(1), (a-1)(2) and (d), and paper copies of electronically filed certified Forms 1-FR and FOCUS Reports with the original manually signed certification must be retained in hard-copy for the required time period.

(Approved by the Office of Management and Budget under control numbers 3038-0007 and 3038-0022)

### § 1.32 Segregated account; daily computation and record.

(a) Each futures commission merchant must compute as of the close of each business day, on a currency-by-currency basis:

(1) The total amount of customer funds on deposit in segregated accounts on behalf of commodity and option customers;

(2) the amount of such customer funds required by the Act and these regulations to be on deposit in segregated accounts on behalf of such commodity and option customers; and

(3) the amount of the futures commission merchant's residual interest in such customer funds.

(b) In computing the amount of funds required to be in segregated accounts, a futures commission merchant may offset any net deficit in a particular customer's account against the current market value of readily marketable securities, less applicable percentage deductions (*i.e.*, "securities haircuts") as set forth in Rule 15c3-1(c)(2)(vi) of the Securities and Exchange Commission (17 CFR 241.15c3-1(c)(2)(vi)), held for the same customer's account. The futures commission merchant must maintain a security interest in the securities, including a written authorization to liquidate the securities at the futures commission merchant's discretion, and must segregate the securities in a safe-keeping account with a bank, trust company, clearing organization of a

contract market, or another futures commission merchant. For purposes of this section, a security will be considered readily marketable if it is traded on a “ready market” as defined in Rule 15c3–1(c)(11)(i) of the Securities and Exchange Commission (17 CFR 240.15c3–1(c)(11)(i)).

(c) The daily computations required by this section must be completed by the futures commission merchant prior to noon on the next business day and must be kept, together with all supporting data, in accordance with the requirements of § 1.31.

[66 FR 41133, Aug. 7, 2001, as amended at 68 FR 5551, Feb. 4, 2003]

#### § 1.33 Monthly and confirmation statements.

(a) *Monthly statements.* Each futures commission merchant must promptly furnish in writing to each commodity customer and to each option customer and to each foreign futures and foreign options customer, as of the close of the last business day of each month or as of any regular monthly date selected, except for accounts in which there are neither open positions at the end of the statement period nor any changes to the account balance since the prior statement period, but in any event not less frequently than once every three months, a statement which clearly shows:

(1) For each commodity customer and foreign futures customer—

(i) The open contracts with prices at which acquired;

(ii) The net unrealized profits or losses in all open contracts marked to the market; and

(iii) Any customer funds carried with the futures commission merchant; and

(iv) A detailed accounting of all financial charges and credits to such customer accounts during the monthly reporting period, including all customer funds and funds on deposit with respect to foreign futures transactions in accordance with § 30.7 of this chapter received from or disbursed to such customer and realized profits and losses; and

(2) For each option customer and foreign options customer—

(i) All commodity options and foreign options purchased, sold, exercised,

or expired during the monthly reporting period, identified by underlying futures contract or underlying physical, strike price, transaction date, and expiration date;

(ii) The open commodity option and foreign option positions carried for such customer as of the end of the monthly reporting period, identified by underlying futures contract or underlying physical, strike price, transaction date, and expiration date;

(iii) All open commodity option and foreign option positions marked to the market and the amount each position is in the money, if any;

(iv) Any customer funds carried in such customer’s account(s); and

(v) A detailed accounting of all financial charges and credits to such customer’s account(s) during the monthly reporting period, including all customer funds and funds on deposit with respect to foreign options transactions received from or disbursed to such customer, premiums charged and received, and realized profits and losses.

(b) *Confirmation statement.* Each futures commission merchant must, not later than the next business day after any commodity futures or commodity option transaction, including any foreign futures or foreign options transactions, furnish:

(1) To each commodity customer, a written confirmation of each commodity futures transaction caused to be executed by it for the customer.

(2) To each option customer, a written confirmation of each commodity option transaction, containing at least the following information:

(i) The option customer’s account identification number;

(ii) A separate listing of the actual amount of the premium, as well as each mark-up thereon, if applicable, and all other commissions, costs, fees and other charges incurred in connection with the commodity option transaction;

(iii) The strike price;

(iv) The underlying futures contract or underlying physical;

(v) The final exercise date of the commodity option purchased or sold; and
