

(d) *Units to be acquired with federal funds and used for public housing homeownership.* A PHA may not enter into any contract for acquisition of real property to be used in a homeownership program unless the required environmental reviews have been performed and approvals have been obtained.

(e) *Specific units unidentified.* Where the PHA's homeownership program contemplates acquisition of properties not identified at the time of submission, the PHA must certify that it will comply with this section, including paragraph (f) of this section, prior to such acquisition or construction. HUD may conditionally approve such a homeownership program; however, HUD will not give final approval of any site or unit until the required environmental review has been completed.

(f) *Information.* The PHA shall supply all relevant information necessary for the responsible entity, or HUD, if applicable, to perform the environmental review for each property included in the homeownership program, and, if necessary, shall carry out mitigating measures or select alternate eligible properties. Where HUD performs the environmental review, the PHA shall comply with 24 CFR 50.3(h).

(g) *Non-exclusivity.* Nothing in this section relieves the participating PHA, and its partners and contractors, from complying with all requirements of 24 CFR part 50 or part 58, as applicable.

§ 906.49 HUD approval; implementing agreement.

HUD may approve a homeownership program as submitted, conditionally approve it under § 906.47(e), or return it to the PHA for revision and resubmission. Where such conditional approval is given, the PHA, partners, and contractors remain subject to the restrictions in § 906.47. Upon HUD notification to the PHA that the homeownership program is approvable (in final form that satisfies all applicable requirements of this part), the PHA and HUD will execute a written implementing agreement, in a form prescribed by HUD, to evidence HUD approval and authorization for implementation. The program itself, as approved by HUD, must be incorporated in the imple-

menting agreement. Any of the items of supporting documentation may also be incorporated, if agreeable to the PHA and HUD. The PHA is obligated to carry out the approved homeownership program and other provisions of the implementing agreement without modification, except with written approval by HUD.

§ 908.101 Purpose.

The purpose of this part is to require Housing Agencies (HAs) that operate public housing, Indian housing, or Section 8 Rental Certificate, Rental Voucher and Moderate Rehabilitation programs to electronically submit certain data to HUD for those programs. This electronically submitted data is required for HUD Forms HUD-50058, Family Report, and HUD-50058-FSS, Family Self-Sufficiency Addendum.

EFFECTIVE DATE NOTE: At 74 FR 4842, Jan. 27, 2009, § 908.101 was revised, effective Mar. 30, 2009. The effective date of this revision was subsequently delayed until Sept. 30, 2009. For the convenience of the user, the revised text is set forth as follows:

§ 908.101 Purpose.

The purpose of this part is to require Public Housing Agencies (PHAs) that operate public housing, Indian housing, or section 8 Rental Certificate, Housing Choice Voucher (HCV), Rental Voucher, and Moderate Rehabilitation programs to electronically submit certain data to HUD for those programs.

These electronically submitted data are required for HUD forms HUD-50058, Family Report; and HUD-50058-FSS, Family Self-Sufficiency Addendum. Applicable program entities must retain form HUD-50058 during the term of each assisted lease, and for at least 3 years thereafter, to support billings to HUD and to permit an effective audit. Electronic retention of form HUD-50058 fulfills the retention requirement under this section.

§ 908.104 Requirements.

(a) *Automated HAs.* Housing agencies that currently use automated software packages to transmit Forms HUD-50058 and HUD-50058-FSS information by tape or diskette to the Department's data processing contractor must convert to telephonic electronic transmission of that data in a HUD specified format by June 30, 1995.

(b) *Nonautomated HAs.* Housing agencies that currently prepare and transmit the HUD-50058 and HUD-50058-FSS information to HUD paper must:

(1) Complete a vendor search and obtain either:

(i) The necessary hardware and software required to develop and maintain an in-house automated data processing system (ADP) used to generate electronic submission of the data for these forms via telephonic network; or

(ii) A service contract for the operation of an automated system to generate electronic submission of the data for these forms via telephonic network;

(2) Complete their data loading; and

(3) Begin electronic transmission by March 2, 1996.

(c) *Electronic transmission of data.* Electronic transmission of data consists of submission of all required data fields (correctly formatted) from the forms HUD-050058 and HUD-50058-FSS telephonically, in accordance with HUD instructions. Regardless of whether an HA obtains the ADP system itself or contracts with a service bureau to provide the system, the software must be periodically updated to incorporate changes or revisions in legislation, regulations, handbooks, notices, or HUD electronic transmission data format requirements.

(d) *Service contract.* HAs that determine that the purchase of hardware and/or software is not cost effective may contract out the electronic data

transmission function to organizations that provide such services, including, but not limited to the following organizations: local management associations and management agents with centralized facilities. HAs that contract out the electronic transmission function must retain the ability to monitor the day-to-day operations of the project at the HA site and be able to demonstrate the ability to the relevant HUD Field Office.

(e) Notwithstanding the provisions of paragraphs (a) and (b) of this section, the Department may approve transmission of the data by tape or diskette if it determines that the cost of telephonic transmission would be excessive.

(Approved by the Office of Management and Budget under control number 2577-0083)

§ 908.108 Cost.

(a) *General.* The costs of the electronic transmission of the correctly formatted data, including either the purchase and maintenance of computer hardware or software, or both, the cost of contracting for those services, or the cost of centralizing the electronic transmission function, shall be considered Section 8 Administrative expenses, or eligible public and Indian housing operating expenses that can be included in the public and Indian housing operating budget. At the HA's option, the cost of the computer software may include service contracts to provide maintenance or training, or both.

(b) *Sources of funding.* For public and Indian housing, costs may be covered from operating subsidy for which the HA is already eligible, or the initial cost may be covered by funds received by the HA under HUD's Comprehensive Improvement Assistance Program (CIAP) or Comprehensive Grant Program (CGP). For Section 8 programs, the costs may be covered from ongoing administrative fees or the Section 8 operating reserve.

§ 908.112 Extension of time.

The HUD Field Office may grant an HA an extension of time, of a reasonable period, for implementation of the requirements of § 908.104, if it determines that such electronic submission

Pt. 941

24 CFR Ch. IX (4-1-09 Edition)

is infeasible because of one of the following:

- (a) Lack of staff resources;
- (b) Insufficient financial resources to purchase the required hardware, software or contractual services; or
- (c) Lack of adequate infrastructure, including, but not limited to, the inability to obtain telephone service to transmit the required data.

- 941.610 Evidentiary materials and other documents.
- 941.612 Disbursement of grant funds.
- 941.614 HUD monitoring and review.
- 941.616 Sanctions.
