#### **§ 280.1 What is the Magnet Schools Assistance Program?**

The Magnet Schools Assistance Program provides grants to eligible local

educational agencies (LEAs) or consortia of LEAs for use in magnet schools that are part of an approved desegregation plan and that are designed to bring students from different social, economic, ethnic and racial backgrounds together. The purposes of the program are to support, through financial assistance to eligible LEAs or consortia of LEAs—

(a) The elimination, reduction, or prevention of minority group isolation in elementary and secondary schools with substantial portions of minority students, which shall include assisting in the efforts of the United States to achieve voluntary desegregation in public schools;

(b) The development and implementation of magnet school projects that will assist LEAs in achieving systemic reforms and providing all students the opportunity to meet challenging State academic content standards and student academic achievement standards;

(c) The development and design of innovative educational methods and practices that promote diversity and increase choices in public elementary schools and public secondary schools and public educational programs;

(d) Courses of instruction within magnet schools that will substantially strengthen the knowledge of academic subjects and the attainment of tangible and marketable vocational, technological, and professional skills of students attending such schools;

(e) Improvement of the capacity of LEAs, including through professional development, to continue operating magnet schools at a high performance level after Federal funding for the magnet schools is terminated; and

(f) Ensuring that all students enrolled in the magnet school programs have equitable access to high quality education that will enable the students to succeed academically and continue with postsecondary education or productive employment.

**§ 280.2 Who is eligible to apply for a grant?**

(a) An LEA or consortia of LEAs is eligible to receive assistance under this part if the LEA or consortia of LEAs meets any of the following requirements:

(1) The LEA or consortia of LEAs is implementing a plan undertaken pursuant to a final order of a court of the United States, or a court of any State, or any other State agency or official of competent jurisdiction, and the order requires the desegregation of minority group segregated children or faculty in the elementary and secondary schools of that agency or those agencies.

(2) The LEA or consortia of LEAs adopted and is implementing on either a voluntary basis or as required under title VI of the Civil Rights Act of 1964—or will adopt and implement if assistance is made available under this part—a plan that has been approved by the Secretary as adequate under title VI.

(b) The Secretary approves a voluntary plan under paragraph (a)(2) of this section only if he determines that for each magnet school for which funding is sought—

(1) The magnet school will reduce, eliminate, or prevent minority group isolation within the period of the grant award, either in the magnet school or in a feeder school, as appropriate; and

(2) The establishment of the magnet school will not result in an increase of minority enrollment, at the magnet school or at any feeder school, above the districtwide percentage of minority group students in the LEA's schools at the grade levels served by that magnet school.
