DOING BUSINESS WITH OTHER PERSONS

§ 85.300 What must I do before I enter into a covered transaction with another person at the next lower tier?

(a) You as a participant may continue covered transactions with an excluded person if the transactions were in existence when the agency excluded the person. However, you are not required to continue the transactions, and you may consider termination. You should make a decision about whether to terminate and the type of termination action, if any, only after a thorough review to ensure that the action is proper and appropriate.

(b) You may not renew or extend covered transactions (other than no-cost time extensions) with any excluded person, unless the Department of Education grants an exception under § 85.120.

(c) If you are a title IV, HEA participant, you may not continue a title IV, HEA transaction with an excluded person after the effective date of the exclusion unless permitted by 34 CFR 668.26, 682.702, or 668.94, as applicable

However, you are not required to continue using that person's services as a principal. You should make a decision

about whether to discontinue that person's services only after a thorough review to ensure that the action is proper and appropriate.

(b) You may not begin to use the services of an excluded person as a principal under a covered transaction unless the Department of Education grants an exception under §85.120.
