**38 CFR Ch. I (7-1-09 Edition)**

(5) Permanent service-connected disability of one lung, rated 50 percent or more disabling, in combination with a nonservice-connected disability of the other lung.

(b) *Effect of judgment or settlement.* (1) If a veteran receives any money or property of value pursuant to an award in a judicial proceeding based upon, or a settlement or compromise of, any cause of action for damages for the nonservice-connected disability which established entitlement under this section, the increased compensation payable by reason of this section shall not be paid for any month following the month in which any such money or property is received until such time as the total amount of such increased compensation that would otherwise have been payable equals the total of the amount of any such money received and the fair market value of any such property received. The provisions of this paragraph do not apply, however, to any portion of such increased compensation payable for any period preceding the end of the month in which such money or property of value was received.

(2) With respect to the disability combinations specified in paragraphs (a)(1), (a)(2), (a)(3) and (a)(5) of this section, the provisions of this paragraph apply only to awards of increased compensation made on or after October 28, 1986.

(c) *Social security and workers' compensation.* Benefits received under social security or workers' compensation are not subject to recoupment under paragraph (b) of this section even though such benefits may have been awarded pursuant to a judicial proceeding.

(d) *Veteran's duty to report.* Any person entitled to increased compensation under this section shall promptly report to VA the receipt of any money or property received pursuant to a judicial proceeding based upon, or a settlement or compromise of, any cause of action or other right of recovery for damages for the nonservice-connected loss or loss of use of the impaired extremity upon which entitlement under this section is based. **EFFECTIVE DATES**

**§ 3.400 General.**

Except as otherwise provided, the effective date of an evaluation and award

## § 3.400

of pension, compensation or dependency and indemnity compensation based on an original claim, a claim reopened after final disallowance, or a claim for increase will be the date of receipt of the claim or the date entitlement arose, whichever is the later.

(Authority: 38 U.S.C. 5110(a))

(a) *Unless specifically provided.* On basis of facts found.

(b) *Disability benefits—(1) Disability pension (§ 3.3).* An award of disability pension may not be effective prior to the date entitlement arose.

(i) *Claims received prior to October 1, 1984.* Date of receipt of claim or date on which the veteran became permanently and totally disabled, if claim is filed within one year from such date, whichever is to the advantage of the veteran.

(ii) *Claims received on or after October 1, 1984.* (A) Except as provided in paragraph (b)(1)(ii)(B) of this section, date of receipt of claim.

(B) If, within one year from the date on which the veteran became permanently and totally disabled, the veteran files a claim for a retroactive award and establishes that a physical or mental disability, which was not the result of the veteran's own willful misconduct, was so incapacitating that it prevented him or her from filing a disability pension claim for at least the first 30 days immediately following the date on which the veteran became permanently and totally disabled, the disability pension award may be effective from the date of receipt of claim or the date on which the veteran became permanently and totally disabled, whichever is to the advantage of the veteran. While rating board judgment must be applied to the facts and circumstances of each case, extensive hospitalization will generally qualify as sufficiently incapacitating to have prevented the filing of a claim. For the purposes of this subparagraph, the presumptive provisions of § 3.342(a) do not apply.

(2) *Disability compensation—(i) Direct service connection (§ 3.4(b)).* Day following separation from active service or date entitlement arose if claim is received within 1 year after separation from service; otherwise, date of receipt of claim, or date entitlement arose, whichever is later. Separation from

service means separation under conditions other than dishonorable from continuous active service which extended from the date the disability was incurred or aggravated.

(ii) *Presumptive service connection (§§ 3.307, 3.308, 3.309).* Date entitlement arose, if claim is received within 1 year after separation from active duty; otherwise date of receipt of claim, or date entitlement arose, whichever is later. Where the requirements for service connection are met during service, the effective date will be the day following separation from service if there was continuous active service following the period of service on which the presumption is based and a claim is received within 1 year after separation from active duty.

(c) *Death benefits—(1) Death in service (38 U.S.C. 5110(j), Pub. L. 87-825) (§§ 3.4(c), 3.5(b)).* First day of the month fixed by the Secretary concerned as the date of actual or presumed death, if claim is received with 1 year after the date the initial report of actual death or finding of presumed death was made; however benefits based on a report of actual death are not payable for any period for which the claimant has received, or is entitled to receive an allowance, allotment, or service pay of the veteran.

(2) *Service-connected death after separation from service (38 U.S.C. 5110(d), Pub. L. 87-825) (§§ 3.4(c), 3.5(b)).* First day of the month in which the veteran's death occurred if claim is received within 1 year after the date of death; otherwise, date of receipt of claim.

(3) *Nonservice-connected death after separation from service.* (i) For awards based on claims received prior to October 1, 1984, or on or after December 10, 2004, first day of the month in which the veteran's death occurred if claim is received within one year after the date of death; otherwise, date of receipt of claim.

(ii) For awards based on claims received between October 1, 1984, and December 9, 2004, first day of the month in which the veteran's death occurred if claim is received within 45 days after

### § 3.400

the date of death; otherwise, date of receipt of claim.

(Authority: 38 U.S.C. 5110(d))

(4) *Dependency and indemnity compensation*—(i) *Deaths prior to January 1, 1957* (§ 3.702). Date of receipt of election.

(ii) *Child* (38 U.S.C. 5110(e), Pub. L. 87-835). First day of the month in which entitlement arose if claim is received within 1 year after the date of entitlement; otherwise, date of receipt of claim.

(iii) *Deaths on or after May 1, 1957 (in-service waiver cases)* (§§ 3.5(b)(3) and 3.702). Date of receipt of election. (See § 3.114(a)).

(d) [Reserved]

(e) *Apportionment* (§§ 3.450 through 3.461, 3.551). On original claims, in accordance with the facts found. On other than original claims from the first day of the month following the month in which:

(1) Claim is received for apportionment of a veteran's award, except that where payments to him (her) have been interrupted, apportionment will be effective the day following date of last payment if a claim for apportionment is received within 1 year after that date;

(2) Notice is received that a child included in the surviving spouse's award is not in the surviving spouse's custody, except that where payments to the surviving spouse have been interrupted, apportionment will be effective the day following date of last payment if such notice is received within 1 year after that date.

(f) *Federal employees' compensation cases* (§ 3.708). Date authorized by applicable law, subject to any payments made by the Office of Workers' Compensation Programs under the Federal Employees' Compensation Act over the same period of time.

(g) *Correction of military records* (38 U.S.C. 5110(i); Pub. L. 87-825). Where entitlement is established because of the correction, change or modification of a military record, or of a discharge or dismissal, by a Board established under 10 U.S.C. 1552 or 1553, or because of other corrective action by competent military naval, or air authority, the award will be effective from the latest of these dates:

(1) Date application for change, correction, or modification was filed with the service department, in either an original or a disallowed claim;

(2) Date of receipt of claim if claim was disallowed; or

(3) One year prior to date of reopening of disallowed claim.

(h) *Difference of opinion* (§ 3.105). (1) As to decisions not final prior to receipt of an application for reconsideration or to reopen, or prior to reconsideration on Department of Veterans Affairs initiative, the date from which benefits would have been payable if the former decision had been favorable.

(2) As to decisions which have become final (by appellate decision or failure to timely initiate and perfect an appeal) prior to receipt of an application for reconsideration or to reopen, the date of receipt of such application or the date entitlement arose, whichever is later.

(3) As to decisions which have become final (by appellate decision or failure to timely initiate and perfect an appeal) and reconsideration is undertaken solely on Department of Veterans Affairs initiative, the date of Central Office approval authorizing a favorable decision or the date of the favorable Board of Veterans Appeals decision.

(4) Where the initial determination for the purpose of death benefits is favorable, the commencing date will be determined without regard to the fact that the action may reverse, on a difference of opinion, an unfavorable decision for disability purposes by an adjudicative agency other than the Board of Veterans Appeals, which was in effect at the date of the veteran's death.

(i) *Disability or death due to hospitalization, etc.* (38 U.S.C. 5110(c), (d); Public Law 87-825; §§ 3.358, 3.361, and 3.800.) (1) *Disability*. Date injury or aggravation was suffered if claim is received within 1 year after that date; otherwise, date of receipt of claim.

The award will be subject to prior payments over the same period of time.

(3) January 1, 1965, as to pension payable under Pub. L. 86-211 (73 Stat. 432) as amended by Pub. L. 88-664 if there was basic eligibility for pension on June 30, 1960, under the law in effect on that date and an election if filed prior to May 1, 1965.

As such, the provisions of 38 CFR 3.114(a) apply when determining the effective date of an award. If the requirements
