orally notify other parties and Commission staff personnel responsible for acting on the motion that the motion has been (or is being) filed.

[39 FR 43301, Dec. 12, 1974, as amended at 41 FR 9550, Mar. 5, 1976; 41 FR 14871, Apr. 8, 1976; 42 FR 28887, June 6, 1977; 63 FR 24124, May 1, 1998]

§ 1.47 Service of documents and proof of service.

(a) Where the Commission or any person is required by statute or by the provisions of this chapter to serve any document upon any person, service shall (in the absence of specific provisions in this chapter to the contrary) be made in accordance with the provisions of this section.

(b) Where any person is required to serve any document filed with the Commission, service shall be made by that person or by his representative on or before the day on which the document is filed.

(c) Commission counsel who formally participate in any proceeding shall be served in the same manner as other persons who participate in that proceeding. The filing of a document with the Commission does not constitute service upon Commission counsel.

(d) Except in formal complaint proceedings against common carriers under §§ 1.720 through 1.736, documents may be served upon a party, his attorney, or other duly constituted agent by delivering a copy or by mailing a copy to the last known address. See § 1.736. Documents that are required to be served must be served in paper form, even if documents are filed in electronic form with the Commission, unless the party to be served agrees to accept service in some other form.

(e) Delivery of a copy pursuant to this section means handing it to the party, his attorney, or other duly constituted agent; or leaving it with the clerk or other person in charge of the office of the person being served; or, if there is no one in charge of such office, leaving it in a conspicuous place therein; or, if such office is closed or the person to be served has no office, leaving it at his dwelling house or usual place of abode with some person of suitable age and discretion then residing therein.

(f) Service by mail is complete upon mailing.

(g) Proof of service, as provided in this section, shall be filed before action is taken. The proof of service shall show the time and manner of service, and may be by written acknowledgment of service, by certificate of the person effecting the service, or by other proof satisfactory to the Commission. Failure to make proof of service will not affect the validity of the service. The Commission may allow the proof to be amended or supplied at any time, unless to do so would result in material prejudice to a party.

(h) Every common carrier and interconnected VoIP provider, as defined in § 54.5 of this chapter, that is subject to the Communications Act of 1934, as amended, shall designate an agent in the District of Columbia, and may designate additional agents if it so chooses, upon whom service of all notices, process, orders, decisions, and requirements of the Commission may be made for and on behalf of such carrier or interconnected VoIP provider in any proceeding before the Commission. Such designation shall include, for both the carrier or interconnected VoIP provider and its designated agents, a name, business address, telephone or voicemail number, facsimile number, and, if available, Internet e-mail address. Such carrier or interconnected VoIP provider shall additionally list any other names by which it is known or under which it does business, and, if the carrier or interconnected VoIP provider is an affiliated company, the parent, holding, or management company. Within thirty (30) days of the commencement of provision of service, such carrier or interconnected VoIP provider shall file such information with the Chief of the Enforcement Bureau's Market Disputes Resolution Division. Such carriers and interconnected VoIP providers may file a hard copy of the relevant portion of the Telecommunications Reporting Worksheet, as delineated by the Commission in the FEDERAL REGISTER, to satisfy this requirement. Each Telecommunications Reporting Worksheet filed annually by a common carrier or interconnected VoIP provider must

contain a name, business address, telephone or voicemail number, facsimile number, and, if available, Internet e-mail address for its designated agents, regardless of whether such information has been revised since the previous filing. Carriers and interconnected VoIP providers must notify the Commission within one week of any changes in their designation information by filing revised portions of the Telecommunications Reporting Worksheet with the Chief of the Enforcement Bureau's Market Disputes Resolution Division. A paper copy of this designation list shall be maintained in the Office of the Secretary of the Commission. Service of any notice, process, orders, decisions or requirements of the Commission may be made upon such carrier or interconnected VoIP provider by leaving a copy thereof with such designated agent at his office or usual place of residence. If such carrier or interconnected VoIP provider fails to designate such an agent, service of any notice or other process in any proceeding before the Commission, or of any order, decision, or requirement of the Commission, may be made by posting such notice, process, order, requirement, or decision in the Office of the Secretary of the Commission.

§ 1.48 Length of pleadings.

(a) Affidavits, statements, tables of contents and summaries of filings, and other materials which are submitted with and factually support a pleading are not counted in determining the length of the pleading. If other materials are submitted with a pleading, they will be counted in determining its length; and if the length of the pleadings, as so computed, is greater than permitted by the provisions of this chapter, the pleading will be returned without consideration.

(b) It is the policy of the Commission that requests for permission to file pleadings in excess of the length prescribed by the provisions of this chapter shall not be routinely granted. Where the filing period is 10 days or less, the request shall be made within 2 business days after the period begins to run. Where the period is more than 10 days, the request shall be filed at least 10 days before the filing date. (See §1.4.) If a timely request is made, the pleading need not be filed earlier than 2 business days after the Commission acts upon the request.

§ 1.49 Specifications as to pleadings and documents.

(a) All pleadings and documents filed in paper form in any Commission proceeding shall be typewritten or prepared by mechanical processing methods, and shall be filed on A4 (21 cm. × 29.7 cm.) or on 8½ × 11 inch (21.6 cm. × 27.9 cm.) paper with the margins set so that the printed material does not exceed 6 ½ × 9½ inches (16.5 cm. × 24.1 cm.). The printed material may be in any typeface of at least 12-point (0.42333 cm. or 1³/₂") in height. The body of the text must be double spaced with a minimum distance of 7³/₃₂ of an inch (0.5556 cm.) between each line of text. Footnotes and long, indented quotations may be single spaced, but must be in type that is 12-point or larger in height, with at least 1¹/₁₆ of an inch (0.158 cm.) between each line of text. Counsel are cautioned against employing extended single spaced passages or excessive footnotes to evade prescribed pleading lengths. If single-spaced passages or footnotes are used in this manner the pleading will, at the discretion of the Commission, either be rejected as unacceptable for filing or dismissed with leave to be refiled in proper form. Pleadings may be printed on both sides of the paper. Pleadings that use only one side of the paper shall be stapled, or otherwise bound, in the upper left-hand corner; those using both sides of the paper shall be stapled twice, or otherwise bound, along the left-hand margin so that it opens like a book. The foregoing shall not apply to printed briefs specifically requested by
