§ 273.23

(D) That the Social Security number of a new member must be reported, if the household has reported a new member but not the new member's Social Security number;

(E) What the extended filing date is;

(F) That the State agency will assist the household in completing the report; and

(G) That the household's benefits will be issued based on the previous month's submitted report without regard to any changes in the household's circumstances if the missing report is not submitted.

(iii) Simultaneously with the issuance, the State agency shall notify a household, if its report has not been received, that the benefits being provided are based on the previous month's submitted report and that this benefit does not reflect any changes in the household's circumstances. This notice shall also advise the household that, if a complete report is not filed timely, the household will be terminated.

(iv) If the household is terminated, the State agency shall send the notice so the household receives it no later than the date benefits would have been received. This notice shall advise the household of its right to reinstatement if a complete monthly report is submitted by the end of the month following termination.

(5) *Supplements and claims.* If the household submits the missing monthly report after the issuance date but in the issuance month, the State agency shall provide the household with a supplement, if warranted. If the household submits the missing monthly report after the issuance date or the State agency becomes aware of a change that would have decreased benefits in some other manner, the State agency shall file a claim for any benefits overissued.

§ 273.22 [Reserved]

§ 273.23 Simplified application and standardized benefit projects.

(a) *General.* This subpart establishes rules under which Simplified Application and Standardized Benefit Projects shall operate. State agencies and political subdivisions chosen as project operators may designate households containing members receiving TANF, SSI, or Medicaid benefits as project eligible. Project eligible households shall have their food stamp eligibility determined using simplified application procedures. Food stamp eligibility shall be determined using information contained in their TANF, or Medicaid application, or, in the case of SSI, on the State Data Exchange (SDX) tape, and any appropriate addendum. Project-eligible households shall be considered categorically food stamp resource eligible based on their eligibility for these other programs and shall be required to meet food stamp income eligibility standards. However, income definitions appropriate to the TANF, SSI or Medicaid programs shall be used instead of food stamp income definitions in determining eligibility. In addition, such households shall, as a condition of program eligibility, meet and/or fulfill all food stamp nonfinancial eligibility requirements. (Project-eligible households defined as categorically eligible in § 273.2 (j) and (k) of these regulations are not required to meet the income eligibility standards.) To further simplify program administration, benefits provided to such households may be standardized by category of assistance and household size.

(b) *Program administration.* (1) Simplified application and standardized benefit procedures are applicable in five States and five political subdivisions. For the purpose of this section, a political subdivision is a project area as defined in § 271.2 of these regulations.

(2) State agencies and political subdivisions seeking to operate a Simplified Application and Standardized Benefit Project shall submit Work Plans to FNS in accordance with the requirements of this section.

(3) FNS shall evaluate Work Plans according to the criteria set forth in
