§ 261.13 Processing requests.

(a) *Receipt of requests.* Upon receipt of any request that satisfies § 261.12(b), the Freedom of Information Office shall assign the request to the appropriate processing schedule, pursuant to paragraph (b) of this section. The date of receipt for any request, including one that is addressed incorrectly or that is referred to the Board by another agency or by a Federal Reserve Bank, is the date the Freedom of Information Office actually receives the request.

(b) *Multitrack processing.* (1) The Board provides different levels of processing for categories of requests under this section. Requests for records that are readily identifiable by the Freedom of Information Office and that have already been cleared for public release may qualify for fast-track processing. All other requests shall be handled under normal processing procedures, unless expedited processing has been

(2) The Freedom of Information Office will make the determination whether a request qualifies for fast-track processing. A requester may contact the Freedom of Information Office to learn whether a particular request has been assigned to fast-track processing. If the request has not qualified for fast-track processing, the requester will be given an opportunity to limit the request in order to qualify for fast-track processing. Limitations of requests must be in writing.

The statement, which must be certified to be true and correct to the best of the requester's knowledge and belief, shall demonstrate that:

(i) The failure to obtain the records on an expedited basis could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(ii) The requester is a representative of the news media, as defined in § 261.2, and there is urgency to inform the public concerning actual or alleged Board activity.

(2) In response to a request for expedited processing, the Secretary shall notify a requester of the determination within ten calendar days of receipt of the request. If the Secretary denies a request for expedited processing, the requester may file an appeal pursuant to the procedures set forth in paragraph (i) of this section, and the Board shall respond to the appeal within ten working days after the appeal was received by the Board.

(d) *Priority of responses.* The Secretary will assign responsible staff to process particular requests. The Freedom of Information Office will normally process requests in the order
