

(2) Service under the temporary or conditional restoration provisions of paragraph (a)(1) of this section shall be credited toward the completion of a probationary or trial period, eligibility for a within-grade increase, or the completion of the service requirement for career tenure, if the Commission upholds the decision on appeal. Such service shall not be credited toward the completion of any applicable probationary or trial period or the completion of the service requirement for career tenure if the Commission reverses the decision on appeal.

(3) When the Board appeals, it may delay the payment of any amount, other than prospective pay and benefits, ordered to be paid to the complainant until after the appeal is resolved. If the Board delays payment of any amount pending the outcome of the appeal and the resolution of the appeal requires the Board to make the payment, then the Board shall pay interest from the date of the original decision until payment is made.

(4) The Board shall notify the Commission and the employee in writing at the same time it appeals that the relief it provides is temporary or conditional and, if applicable, that it will delay the payment of any amounts owed but will pay interest as specified in paragraph (b)(2) of this section. Failure of the Board to provide notification will result in the dismissal of the Board's appeal.

(5) The Board may, by notice to the complainant, decline to return the complainant to his or her place of employment if it determines that the return or presence of the complainant will be unduly disruptive to the work environment. However, prospective pay and benefits must be provided. The determination not to return the complainant to his or her place of employment is not reviewable. A grant of interim relief does not insulate a complainant from subsequent disciplinary or adverse action.

(b) If the Board files an appeal and has not provided required interim relief, the complainant may request dismissal of the Board's appeal. Any such request must be filed with the Office of Federal Operations within 25 days of the date of service of the Board's ap-

peal. A copy of the request must be served on the Board at the same time it is filed with EEOC. The Board may respond with evidence and argument to the complainant's request to dismiss within 15 days of the date of service of the request.

### Subpart G—Matters of General Applicability

#### § 268.601 EEO group statistics.

(a) The Board shall establish a system to collect and maintain accurate employment information on the race, national origin, sex and disability(ies) of its employees.

(b) Data on race, national origin and sex shall be collected by voluntary self-identification. If an employee does not voluntarily provide the requested information, the Board shall advise the employee of the importance of the data and of the Board's obligation to report it. If the employee still refuses to provide the information, the Board must make a visual identification and inform the employee of the data it will be reporting. If the Board believes that information provided by an employee is inaccurate, the Board shall advise the employee about the solely statistical purpose for which the data is being collected, the need for accuracy, the Board's recognition of the sensitivity of the information and the existence of procedures to prevent its unauthorized disclosure. If, thereafter, the employee declines to change the apparently inaccurate self identification, the Board must accept it.

(c) Subject to applicable law, the information collected under paragraph (b) of this section shall be disclosed only in the form of gross statistics. The Board shall not collect or maintain any information on the race, national origin or sex of individual employees except in accordance with applicable law and when an automated data processing system is used in accordance with standards and requirements prescribed by the Commission to insure individual privacy and the separation of that information from personnel records.

(d) The Board's system is subject to the following controls:

## Federal Reserve System

## § 268.604

(1) Only those categories of race and national origin prescribed by the Commission may be used;

(2) Only the specific procedures for the collection and maintenance of data that are prescribed or approved by the Commission may be used.

(e) The Board may use the data only in studies and analyses which contribute affirmatively to achieving the objectives of the Board's equal employment opportunity program. The Board shall not establish a quota for the employment of persons on the basis of race, color, religion, sex, or national origin.

(f) Data on disabilities shall also be collected by voluntary self-identification. If an employee does not voluntarily provide the requested information, the Board shall advise the employee of the importance of the data and of the Board's obligation to report it. If an employee who has been appointed pursuant to a special Board program for hiring individuals with a disability still refuses to provide the requested information, the Board must identify the employee's disability based upon the records supporting the appointment. If any other employee still refuses to provide the requested information or provides information that the Board believes to be inaccurate, the Board should report the employee's disability status as unknown.

(g) The Board shall report to the Commission on employment by race, national origin, sex and disability in the form and at such times as the Board and Commission shall agree.

### § 268.602 Reports to the Commission.

(a) The Board shall report to the Commission information concerning pre-complaint counseling and the status, processing, and disposition of complaints under this part at such times and in such manner as the Board and Commission shall agree.

(b) The Board shall advise the Commission whenever it is served with a Federal court complaint based upon a complaint that is pending on appeal at the Commission.

(c) The Board shall submit annually for the review and approval of the Commission written equal employment op-

portunity plans of action. Plans shall be submitted in the format prescribed by the Commission and shall include, but not be limited to:

(1) Provision for the establishment of training and education programs designed to provide maximum opportunity for employees to advance so as to perform at their highest potential;

(2) Description of the qualifications, in terms of training and experience relating to equal employment opportunity, of the principal and operating officials concerned with administration of the Board's equal employment opportunity program; and

(3) Description of the allocation of personnel and resources proposed by the Board to carry out its equal employment opportunity program.

### § 268.603 Voluntary settlement attempts.

The Board shall make reasonable efforts to voluntarily settle complaints of discrimination as early as possible in, and throughout, the administrative processing of complaints, including the pre-complaint counseling stage. Any settlement reached shall be in writing and signed by both parties and shall identify the claims resolved.

### § 268.604 Filing and computation of time.

(a) All time periods in this part that are stated in terms of days are calendar days unless otherwise stated.

(b) A document shall be deemed timely if it is received or postmarked before the expiration of the applicable filing period, or, in the absence of a legible postmark, if it is received by mail within five days of the expiration of the applicable filing period.

(c) The time limits in this part are subject to waiver, estoppel and equitable tolling.

(d) The first day counted shall be the day after the event from which the time period begins to run and the last day of the period shall be included, unless it falls on a Saturday, Sunday or Federal holiday, in which case the period shall be extended to include the next business day.
