Subpart C—Settlement of Securities Transactions

§ 551.130 When must I settle a securities transaction?

(a) You may not effect or enter into a contract for the purchase or sale of a security that provides for payment of funds and delivery of securities later than the latest of:

(1) The third business day after the date of the contract. This deadline is no later than the fourth business day after the contract for contracts involving the sale for cash of securities that are priced after 4:30 p.m. Eastern Standard Time on the date the securities are priced and are sold by an issuer to an underwriter under a firm commitment underwritten offering registered under the Securities Act of 1933, 15 U.S.C. 77a, et seq., or are sold by you to an initial purchaser participating in the offering;

(2) Such other time as the SEC specifies by rule (see SEC Rule 15c6–1, 17 CFR 240.15c6–1); or

(3) Such time as the parties expressly agree at the time of the transaction. The parties to a contract are deemed to have expressly agreed to an alternate date for payment of funds and delivery of securities at the time of the transaction for a contract for the sale for cash of securities under a firm commitment offering, if the managing underwriter and the issuer have agreed to the date for all securities sold under the offering and the parties to the contract have not expressly agreed to another date for payment of funds and delivery of securities at the time of the transaction.

(b) The deadlines in paragraph (a) of this section do not apply to the purchase or sale of limited partnership interests that are not listed on an exchange or for which quotations are not disseminated through an automated quotation system of a registered securities association.

§ 551.140 What policies and procedures must I maintain and follow for securities transactions?

If you effect securities transactions for customers, you must maintain and follow policies and procedures that meet all of the following requirements:

(a) Your policies and procedures must assign responsibility for the supervision of all officers or employees who:

(1) Transmit orders to, or place orders with, registered broker-dealers;

(2) Execute transactions in securities for customers; or

(3) Process orders for notice or settlement purposes, or perform other back office functions for securities transactions that you effect for customers. Policies and procedures for personnel described in this paragraph (a)(3) must provide supervision and reporting lines that are separate from supervision and reporting lines for personnel described in paragraphs (a)(1) and (2) of this section.

(b) Your policies and procedures must provide for the fair and equitable allocation of securities and prices to accounts when you receive orders for the same security at approximately the same time and you place the orders for execution either individually or in combination.

(c) Your policies and procedures must provide for securities transactions in which you act as agent for the buyer and seller (crossing of buy and sell orders) on a fair and equitable basis to the parties to the transaction, where permissible under applicable law.

(d) Your policies and procedures must require your officers and employees to file the personal securities trading reports described at §551.150, if the officer or employee:

(1) Makes investment recommendations or decisions for the accounts of customers;

(2) Participates in the determination of these recommendations or decisions; or

(3) In connection with their duties, obtains information concerning which securities you intend to purchase, sell, or recommend for purchase or sale.
