(1) You are a natural person credit union that is well capitalized as defined by § 702.102(a)(1) of this chapter or you are a corporate credit union that maintains a minimum capital ratio as required by § 704.3(d) of this chapter or a different ratio as permitted under § 704.3(e) of this chapter;

(2) The aggregate of the unsecured outstanding member business loans to any one member or group of associated members does not exceed the lesser of \$100,000 or 2.5% of your net worth; and

(3) The aggregate of all unsecured outstanding member business loans does not exceed 10% of your net worth.

(d) You are exempt from the provisions of paragraphs (a), (b), and (c) of this section with respect to credit card line of credit programs offered to non-natural person members that are limited to routine purposes normally made available under those programs.

(e) You may make vehicle loans under this part without complying with the loan-to-value ratios in this section, provided that the vehicle is a car, van, pick-up truck, or sports utility vehicle and not part of a fleet of vehicles.

§ 723.11 How do you obtain a waiver?

To obtain a waiver, a federal credit union must submit a request to the Regional Director (a corporate federal credit union submits the waiver request to the Director of the Office of Corporate Credit Unions). A state chartered federally insured credit union must submit the request to its state supervisory authority. If the state supervisory authority approves the request, the state regulator will forward the request to the Regional Director (or if appropriate the Director of the Office of Corporate Credit Unions). A

§ 723.12

- (a) A copy of your business lending policy;
- (b) The higher limit sought (if applicable);
- (c) An explanation of the need to raise the limit (if applicable);
- (d) Documentation supporting your ability to manage this activity; and
- (e) An analysis of the credit union's prior experience making member business loans, including as a minimum:
 - (1) The history of loan losses and loan delinquency;
 - (2) Volume and cyclical or seasonal patterns;
 - (3) Diversification;
 - (4) Concentrations of credit to one borrower or group of associated borrowers in excess of 15% of net worth;
 - (5) Underwriting standards and practices;
 - (6) Types of loans grouped by purpose and collateral; and
 - (7) The qualifications of personnel responsible for underwriting and administering member business loans.

§ 723.12 What will NCUA do with my waiver request?

Your Regional Director (or the Director of the Office of Corporate Credit Unions) will:

- (a) Review the information you provided in your request;
- (b) Evaluate the level of risk to your credit union;
- (c) Consider your credit union's historical CAMEL composite and component ratings when evaluating your request; and
- (d) Notify you whenever your waiver request is deemed complete. Notify you of the action taken within 45 calendar days of receiving a complete request from the federal credit union or the state supervisory authority. If you do not receive notification within 45 calendar days of the date the complete request was received by the regional office, the credit union may assume approval of the waiver request.

12 CFR Ch. VII (1–1–10 Edition)

§ 723.13 What options are available if the NCUA Regional Director denies my waiver request, or a portion of it?

You may appeal the Regional Director's (or the Director of the Office of Corporate Credit Unions) decision in writing to the NCUA Board. Your appeal must include all information requested in § 723.11 and why you disagree with your Regional Director's (or the Office of Corporate Credit Union Director's) decision.

§§ 723.14–723.15 [Reserved]

§ 723.16 What is the aggregate member business loan limit for a credit union?

(a) *General.* The aggregate limit on a credit union's net member business loan balances is the lesser of 1.75 times the credit union's net worth or 12.25% of the credit union's total assets. Loans that are exempt from the definition of member business loans are not counted for the purpose of the aggregate loan limit.

(b) *Effect of nonmember loans and nonmember participations.* If a credit union holds any nonmember loans or nonmember loan participation interests that would constitute a member business loan if made to a member, those loans will affect the credit union's aggregate limit on net member business loan balances as follows:

(1) The total of the credit union's net member business loan balances and the nonmember loan balances must not exceed the lesser of 1.75 times the credit union's net worth or 12.25% of the credit union's total assets, unless the credit union has first received approval from the NCUA regional director.

(2) To request approval from the NCUA regional director, a credit union must submit an application that:

- (i) Includes a current copy of the credit union's member business loan policies;
- (ii) Confirms that the credit union is in compliance with all other aspects of this rule;
- (iii) States the credit union's proposed limit on the total amount of nonmember loans and participation interests that the credit union may acquire if the application is granted; and
