records that could result in substantial harm or serious inconvenience to a member;

(3) Respond to incidents of unauthorized access to or use of member information that could result in substantial harm or serious inconvenience to a member;

(4) Assist in the identification of persons who commit or attempt such actions and crimes, and

(5) Prevent destruction of vital records, as defined in 12 CFR part 749.

(c) Each Federal credit union, as part of its information security program, must properly dispose of any consumer information the Federal credit union maintains or otherwise possesses, as required under § 717.83 of this chapter.

§ 748.1 Filing of reports.

(a) The president or managing official of each federally-insured credit union must certify compliance with the requirements of this part in its Credit Union Profile annually. Credit unions that cannot update their profile online must certify compliance in writing in accordance with the instructions on NCUA Form 4501 or its equivalent. The credit union president or managing official must sign and date the written certification.

(b) *Catastrophic act report.* Each federally insured credit union will notify the regional director within 5 business days of any catastrophic act that occurs at its office(s). A catastrophic act is any disaster, natural or otherwise, resulting in physical destruction or damage to the credit union or causing an interruption in vital member services, as defined in § 749.1 of this chapter, projected to last more than two consecutive business days. Within a reasonable time after a catastrophic act occurs, the credit union shall ensure that a record of the incident is prepared and filed at its main office. In the preparation of such record, the credit union should include information sufficient to indicate the office where the catastrophic act occurred; when it took place; the amount of the loss, if any; whether any operational or

mechanical deficiency(ies) might have contributed to the catastrophic act; and what has been done or is planned to be done to correct the deficiency(ies).

(c) *Suspicious Activity Report.* A credit union must file a report if it knows, suspects, or has reason to suspect that any crime or any suspicious transaction related to money laundering activity or a violation of the Bank Secrecy Act has occurred. For the purposes of this paragraph (c) *credit union* means a federally-insured credit union and *official* means any member of the board of directors or a volunteer committee.

(1) *Reportable activity. Transaction* for purposes of this paragraph means a deposit, withdrawal, transfer between accounts, exchange of currency, loan, extension of credit, purchase or sale of any stock, bond, share certificate, or other monetary instrument or investment security, or any other payment, transfer, or delivery by, through, or to a financial institution, by whatever means effected. A credit union must report any known or suspected crime or any suspicious transaction related to money laundering or other illegal activity, for example, terrorism financing, loan fraud, or embezzlement, or a violation of the Bank Secrecy Act by sending a completed suspicious activity report (SAR) to the Financial Crimes Enforcement Network (FinCEN) in the following circumstances:

(i) *Insider abuse involving any amount.* Whenever the credit union detects any known or suspected Federal criminal violations, or pattern of criminal violations, committed or attempted against the credit union or involving a transaction or transactions conducted through the credit union, where the credit union believes it was either an actual or potential victim of a criminal violation, or series of criminal violations, or that the credit union was used to facilitate a criminal transaction, and the credit union has a substantial basis for identifying one of the credit union's officials, employees, or agents as having committed or aided in the commission of the criminal violation, regardless of the amount involved in the violation;

(ii) *Transactions aggregating \$5,000 or more where a suspect can be identified.* Whenever the credit union detects any known or suspected Federal criminal violation, or pattern of criminal violations, committed or attempted against the credit union or involving a transaction or transactions conducted through the credit union, and involving or aggregating \$5,000 or more in funds or other assets, where the credit union believes it was either an actual or potential victim of a criminal violation, or series of criminal violations, or that the credit union was used to facilitate a criminal transaction, and the credit union has a substantial basis for identifying a possible suspect or group of suspects. If it is determined before filing this report that the identified suspect or group of suspects has used an alias, then information regarding the true identity of the suspect or group of suspects, as well as alias identifiers, such as drivers' licenses or social security numbers, addresses and telephone numbers, must be reported;

(iii) *Transactions aggregating \$25,000 or more regardless of potential suspects.* Whenever the credit union detects any known or suspected Federal criminal violation, or pattern of criminal violations, committed or attempted against the credit union or involving a transaction or transactions conducted through the credit union, involving or aggregating \$25,000 or more in funds or other assets, where the credit union believes it was either an actual or potential victim of a criminal violation, or series of criminal violations, or that the credit union was used to facilitate a criminal transaction, even though the credit union has no substantial basis for identifying a possible suspect or group of suspects; or

(iv) *Transactions aggregating \$5,000 or more that involve potential money laundering or violations of the Bank Secrecy Act.* Any transaction conducted or attempted by, at or through the credit union and involving or aggregating \$5,000 or more in funds or other assets, if the credit union knows, suspects, or has reason to suspect:

(A) The transaction involves funds derived from illegal activities or is intended or conducted in order to hide or disguise funds or assets derived from il-

legal activities (including, without limitation, the ownership, nature, source, location, or control of such funds or assets) as part of a plan to violate or evade any Federal law or regulation or to avoid any transaction reporting requirement under Federal law;

(B) The transaction is designed to evade any regulations promulgated under the Bank Secrecy Act; or

(C) The transaction has no business or apparent lawful purpose or is not the sort of transaction in which the particular member would normally be expected to engage, and the credit union knows of no reasonable explanation for the transaction after examining the available facts, including the background and possible purpose of the transaction.

(v) *Exceptions.* A credit union is not required to file a SAR for a robbery or burglary committed or attempted that is reported to appropriate law enforcement authorities, or for lost, missing, counterfeit, or stolen securities and the credit union files a report pursuant to the reporting requirements of 17 CFR 240.17f-1.

(2) *Filing Procedures.* (i) *Timing.* A credit union must file a SAR with FinCEN no later than 30 calendar days from the date the suspicious activity is initially detected, unless there is no identified suspect on the date of detection. If no suspect is identified on the date of detection, a credit union may use an additional 30 calendar days to identify a suspect before filing a SAR. In no case may a credit union take more than 60 days from the date it initially detects a reportable transaction to file a SAR. In situations involving violations requiring immediate attention, such as ongoing money laundering schemes, a credit union must immediately notify, by telephone, an appropriate law enforcement authority and its supervisory authority, in addition to filing a SAR.

(ii) *Content.* A credit union must complete, fully and accurately, SAR form TDF 90-22.47, Suspicious Activity Report (also known as NCUA Form 2362) in accordance with the form's instructions and 31 CFR Part 103.18. A copy of the SAR form may be obtained from the credit union resources section of NCUA's Web site, <http://>

www.ncua.gov, or the regulatory section of FinCEN's Web site, *http://www.fincen.gov*. These sites include other useful guidance on SARs, for example, forms and filing instructions, Frequently Asked Questions, and the FFIEC Bank Secrecy Act/Anti-Money Laundering Examination Manual.

(iii) *Compliance*. Failure to file a SAR as required by the form's instructions and 31 CFR Part 103.18 may subject the credit union, its officials, employees, and agents to the assessment of civil money penalties or other administrative actions.

(3) *Retention of Records*. A credit union must maintain a copy of any SAR that it files and the original or business record equivalent of all supporting documentation to the report for a period of five years from the date of the report. Supporting documentation must be identified and maintained by the credit union as such. Supporting documentation is considered a part of the filed report even though it should not be actually filed with the submitted report. A credit union must make all supporting documentation available to appropriate law enforcement authorities and its regulatory supervisory authority upon request.

(4) *Notification to board of directors*. (i) *Generally*. The management of the credit union must promptly notify its board of directors, or a committee designated by the board of directors to receive such notice, of any SAR filed.

(ii) *Suspect is a director or committee member*. If a credit union files a SAR and the suspect is a director or member of a committee designated by the board of directors to receive notice of SAR filings, the credit union may not notify the suspect, pursuant to 31 U.S.C. 5318(g)(2), but must notify the remaining directors, or designated committee members, who are not suspects.

(5) *Confidentiality of reports*. SARs are confidential. Any credit union, including its officials, employees, and agents, subpoenaed or otherwise requested to disclose a SAR or the information in a SAR must decline to produce the SAR or to provide any information that would disclose that a SAR was prepared or filed, citing this part, applicable law, for example, 31 U.S.C. 5318(g), or both, and notify NCUA of the re-

quest. A credit union must make the filed report and all supporting documentation available to appropriate law enforcement authorities and its regulatory supervisory authority upon request.

(6) *Safe Harbor*. Any credit union, including its officials, employees, and agents, that makes a report of suspected or known criminal violations and suspicious activities to law enforcement and financial institution supervisory authorities, including supporting documentation, are protected from liability for any disclosure in the report, or for failure to disclose the existence of the report, or both, to the full extent provided by 31 U.S.C. 5318(g)(3). This protection applies if the report is filed pursuant to this part or is filed on a voluntary basis.

§ 748.2 Procedures for monitoring Bank Secrecy Act (BSA) compliance.

(a) *Purpose*. This section is issued to ensure that all federally-insured credit unions establish and maintain procedures reasonably designed to assure and monitor compliance with the requirements of subchapter II of chapter 53 of title 31, United States Code, the Financial Recordkeeping and Reporting of Currency and Foreign Transactions Act, and the implementing regulations promulgated thereunder by the Department of Treasury, 31 CFR part 103.

(b) *Establishment of a BSA compliance program*—(1) *Program requirement*. Each federally-insured credit union shall develop and provide for the continued administration of a program reasonably designed to assure and monitor compliance with the recordkeeping and recording requirements set forth in subchapter II of chapter 53 of title 31, United States Code and the implementing regulations issued by the Department of the Treasury at 31 CFR part 103. The compliance program must be written, approved by the credit
