§ 760.4 Exemptions.

The flood insurance requirement prescribed by §760.3 does not apply with respect to:

(a) Any State-owned property covered under a policy of self-insurance satisfactory to the Director of FEMA, who publishes and periodically revises the list of States falling within this exemption; or

(b) Property securing any loan with an original principal balance of $5,000 or less and a repayment term of one year or less.

§ 760.5 Escrow requirement.

If a credit union requires the escrow of taxes, insurance premiums, fees, or any other charges for a loan secured by residential improved real estate or a mobile home that is made, increased, extended, or renewed on or after November 1, 1996, the credit union shall also require the escrow of all premiums and fees for any flood insurance required under §760.3. The credit union, or a servicer acting on behalf of the credit union, shall deposit the flood insurance premiums on behalf of the borrower in an escrow account. This escrow account will be subject to escrow requirements adopted pursuant to section 10 of the Real Estate Settlement Procedures Act of 1974 (12 U.S.C. 2609) (RESPA), which generally limits the amount that may be maintained in escrow accounts for certain types of loans and requires escrow account statements for those accounts, only if the loan is otherwise subject to RESPA. Following receipt of a notice from the Director of FEMA or other provider of flood insurance that premiums are due, the credit union or its servicer acting on behalf of the credit union may charge the borrower for the cost of premiums and fees incurred in purchasing the insurance.

§ 760.7 Forced placement of flood insurance.

If a credit union, or a servicer acting on behalf of the credit union, determines at any time during the term of a designated loan that the building or mobile home and any personal property securing the designated loan is not covered by flood insurance, or is covered by flood insurance in an amount less than the amount required under §760.3, then the credit union or its servicer shall notify the borrower that the borrower should obtain flood insurance, at the borrower’s expense, in an amount at least equal to the amount required under §760.3, for the remaining term of the loan. If the borrower fails to obtain flood insurance within 45 days after notification, then the credit union or its servicer shall purchase insurance on the borrower’s behalf. The credit union or its servicer may charge the borrower for the cost of premiums and fees incurred in purchasing the insurance.

§ 760.8 Determination fees.

(a) General. Notwithstanding any Federal or State law other than the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. 4001–4129), any credit union, or a servicer acting on behalf of the credit union, may charge a reasonable fee for determining whether the building or mobile home securing the loan is located or will be located in a special flood hazard area. A determination fee may also include, but is
