LEASING POLICIES SPECIFIC TO 504 LOANS

§ 120.870 Leasing Project Property.

(a) A Borrower may use the proceeds of a 504 loan to acquire, construct, or modify buildings and improvements, and/or to purchase and install machinery and equipment located on land leased to the Borrower by an unrelated lessor if:

(1) The remaining term of the lease, including options to renew, exercisable only by the lessee, equals or exceeds the term of the Debenture;

(2) The Borrower assigns its interest in the lease to the CDC with right of reassignment to SBA; and

(3) The 504 loan is secured by a recorded lien against the leasehold estate and other collateral as necessary.

(b) If the Project is for new construction, the Borrower may lease long term up to 20 percent of the Rentable Property in the Project to one or more tenants if the Borrower immediately occupies at least 60 percent of the Rentable Property, plans to occupy within three years some of the remaining space not immediately occupied and not leased long term, and plans to occupy all of the remaining space not leased long term within ten years.

(b) Third-party loan proceeds used to renovate the leased space do not count towards the 504 first mortgage requirement or the Borrower's contribution.

LOAN-MAKING POLICIES SPECIFIC TO 504 LOANS

§ 120.880 Basic eligibility requirements.

In addition to the eligibility requirements specified in subpart A, to be an eligible Borrower for a 504 loan, a small business must:

(a) Use the Project Property (except that an Eligible Passive Company may lease to an Operating Company); and

(b) Together with its Affiliates, meet one of the size standards set forth in §121.301(b) of this chapter.

[61 FR 3235, Jan. 31, 1996, as amended at 68 FR 57987, Oct. 7, 2003]

§ 120.881 Ineligible Projects for 504 loans.

In addition to the ineligible businesses and uses of proceeds specified in subpart A of this part, the following Projects are ineligible for 504 financing:

(a) Relocation of any of the operations of a small business which will cause a net reduction of one-third or more in the workforce of a relocating small business or a substantial increase in unemployment in any area of the country, unless the CDC can justify the loan because:

(1) The relocation is for key economic reasons and crucial to the continued existence, economic wellbeing, and/or competitiveness of the applicant; and

(2) The economic development benefits to the applicant and the receiving community outweigh the negative impact on the community from which the applicant is moving; and

(b) Projects in foreign countries (loans financing real or personal property located outside the United States or its possessions).

§ 120.882 Eligible Project costs for 504 loans.

Eligible Project costs which may be paid with the proceeds of 504 loans are:

(a) Costs directly attributable to the Project including expenditures incurred by the Borrower (with its own funds or from a loan):

(1) To acquire land used in the Project prior to applying to SBA for the 504 loan; or

(2) For any other expense toward a Project within nine months prior to receipt by SBA of a complete loan application, unless the time limit is extended or waived by SBA for good cause;

(b) In Projects involving construction, a contingency reserve for cost overruns not to exceed 10 percent of construction cost;

(c) Professional fees directly attributable and essential to the Project, such as title insurance, opinion of title, architectural and engineering costs, appraisals, environmental studies, and legal fees related to zoning, permits, or platting; and

(d) Repayment of interim financing including points, fees and interest.

(e) If the project involves expansion of a small business concern, any amount of existing indebtedness that does not exceed 50 percent of the project cost of the expansion may be refinanced and added to the expansion cost if:

(1) The proceeds of the indebtedness were used to acquire land, including a building situated thereon, to construct a building thereon, or to purchase equipment. The assets acquired must be eligible for financing under the 504 loan program;

(2) The existing indebtedness is collateralized by fixed assets. The 504 eligible fixed assets collateralizing any debt to be refinanced or relating to the portion of debt being refinanced in the case of a partial refinance must also collateralize the 504 Loan unless SBA approves a waiver due to extraordinary circumstances. PCLP CDCs may not use their delegated authority to approve a loan requiring this waiver;

(3) The existing indebtedness was incurred for the benefit of the small business concern for which any new Project costs are incurred. Existing 7(a) and 504 loans may be refinanced under this section in accordance with SBA policies or procedures;

(4) The financing will be used only for refinancing existing indebtedness or costs relating to the project financed;

(5) The financing will provide a substantial benefit to the borrower when prepayment penalties, financing fees, and other financing costs are accounted for. For purposes of this paragraph, ''substantial benefit'' means that the portion of the new installment amount attributable to the debt being refinanced must be at least 10 percent less than the existing installment amount(s). Prepayment penalties, financing fees, and other financing costs must also be added to the amount being refinanced in calculating the percentage reduction in the new installment payment. Exceptions to the 10%
