§ 121.701 What SBIR programs are subject to size determinations?

(a) These sections apply to size status for award of a funding agreement pursuant to the Small Business Innovation Development Act of 1982 (Pub. L. 97-219, 15 U.S.C. 638(e) through (k)).

(2) A systematic study directed specifically toward applying new knowledge to meet a recognized need; or

(3) A systematic application of knowledge toward the production of useful materials, devices, and systems or methods, including design, development, and improvement of prototypes and new processes to meet specific requirements.

§ 121.702 What size standards are applicable to the SBIR program?

To be eligible for award of funding agreements in the SBA's Small Business Innovation Research (SBIR) program, a business concern must meet the requirements of paragraphs (a) and (b) below:

§ 121.703 Are formal size determinations binding on parties?

Size determinations by authorized SBA officials are formal actions based upon a specific funding agreement, and are binding upon the parties. Other SBA opinions provided to funding agreement officers or others, are only advisory, and are not binding or appealable.

§ 121.704 When does SBA determine the size status of a business concern?

The size status of a concern for the purpose of a funding agreement under the SBIR program is determined as of the date of the award for both Phase I and Phase II SBIR awards or on the date of the request for a size determination, if an award is pending.

[69 FR 29206, May 21, 2004]

§ 121.705 Must a business concern self-certify its size status?

(a) A firm must self-certify that it currently meets the eligibility requirements set forth in § 121.702 of this title or will meet those eligibility requirements on the date of award of a funding agreement for a Phase I or Phase II SBIR award.

(b) A funding agreement officer may accept a concern's self-certification as true for the particular funding agreement involved in the absence of a written protest by other offerors or other credible information which would cause the funding agreement officer or SBA to question the size of the concern.
