SOURCE: 73 FR 56955, Oct. 1, 2008, unless otherwise noted.

§ 134.701 What is the scope of the rules in this subpart G?

(a) The rules of practice in this subpart G apply to all appeals to OHA from formal protest determinations made by the Director for Government Contracting (D/GC) in connection with a Women-Owned Small Business (WOSB) or Economically Disadvantaged WOSB (EDWOSB) status protest issued pursuant to part 127 of this chapter. Appeals under this subpart include issues related to whether the concern is owned and controlled by one or more women who are United States citizens and, if the appeal is in connection with an EDWOSB contract, that the concern is at least 51% owned and controlled by one or more women who are economically disadvantaged. This includes appeals from determinations by the D/GC that the protest was premature, untimely, nonspecific, or not based upon protestable allegations.

(b) Except where inconsistent with this subpart, the provisions of Subpart A and B of this part apply to appeals listed in paragraph (a) of this section.

(c) Appeals relating to formal size determinations and NAICS Code designations are governed by subpart C of this part.

§ 134.702 Who may appeal?

Appeals from WOSB or EDWOSB protest determinations may be filed with OHA by the protested concern, the protestor, or the contracting officer responsible for the procurement affected by the protest determination.

§ 134.703 When must a person file an appeal from an WOSB or EDWOSB protest determination?

Appeals from a WOSB or EDWOSB protest determination must be commenced by filing and serving an appeal petition within 10 business days after

the appellant receives the WOSB or EDWOSB protest determination (see §134.204 for filing and service requirements). An untimely appeal will be dismissed.

§ 134.704 What are the effects of the appeal on the procurement at issue?

Appellate decisions apply to the procurement in question. If the contracting officer awarded the contract to a concern that OHA finds to be ineligible, then the contracting officer may terminate the contract, not exercise any options, or not award further task or delivery orders.

§ 134.705 What are the requirements for an appeal petition?

(a) *Format.* There is no required format for an appeal petition. However, it must include the following information:

(1) The solicitation or contract number, and the name, address, and telephone number of the contracting officer;

(2) A statement that the petitioner is appealing a WOSB or EDWOSB protest determination issued by the D/GC and the date that the petitioner received it;

(4) The name, address, telephone number, facsimile number, and signature of the appellant or its attorney.

(b) *Service of appeal.* The appellant must serve the appeal petition upon each of the following:
