

§ 330.3

Safety and System Stabilization Act (“the Act”), Public Law 107–42, 115 Stat. 230 (49 U.S.C. 40101 note). This statutory provision is intended to compensate air carriers for direct losses incurred as a result of the Federal ground stop order issued by the Secretary of Transportation, and any subsequent orders, following the terrorist attacks of September 11, 2001, and incremental losses incurred from September 11 through December 31, 2001, as the result of those attacks.

§ 330.3 What do the terms used in this part mean?

The following terms apply to this part:

Air carrier means any U.S. air carrier, as defined in 49 U.S.C. 40102.

Air taxi operator means an air carrier, other than a commuter air carrier, that holds authority issued under 14 CFR part 298 and 14 CFR part 121 or part 135.

Available seat-miles (ASMs) means the aircraft miles flown on each flight stage by an air carrier multiplied by the number of seats available for revenue use on that stage.

Certificated air carrier means an air carrier holding a certificate issued under 49 U.S.C. 41102 or 41103.

Commuter air carrier means an air carrier as defined in 14 CFR 298.2(e) that holds a commuter air carrier authorization issued under 49 U.S.C. 41738.

Incremental loss means a loss incurred by an air carrier in the period of September 11, 2001–December 31, 2001, as a result of the terrorist attacks on the United States of September 11, 2001. It does not include any loss that would have been incurred if the terrorist attacks on the United States of September 11, 2001, had not occurred.

Regional air carrier means an air carrier that operates at least one large aircraft and has annual operating revenues of less than \$100 million.

Revenue ton-miles (RTMs) means the aircraft miles flown on each flight stage by the air carrier multiplied by the number of tons of revenue cargo transported on that stage. For purposes of this part, RTMs include only those resulting from all-cargo flights.

§ 330.5 What funds will the Department distribute under this part?

Under this part, the Department will distribute up to the full amount of the compensation it determines is payable to air carriers under section 103(b) of the Act, and up to the full amount of the set-aside provided for in subpart C of this part to air carriers eligible for it. The Department may require additional information to support payments to individual carriers in connection with this final payment.

§ 330.7 [Reserved]

§ 330.9 What are the limits on compensation to air carriers?

(a) You are eligible to receive compensation equaling the lesser of your direct and incremental losses or the amount calculated by the formula set forth in section 103(b)(2) of the Act.

(b) If at any time we determine that a carrier has been compensated in an amount that exceeds the amount to which it is entitled under section 103(b) of the Act or the subpart C set-aside program, the Department will notify the carrier of the basis for the determination, the amount that must be repaid, and the procedures to follow for making a repayment. We will follow collection procedures under the Federal Claims Collection Act of 1966 (31 U.S.C. 3701 et seq.) to the extent required by law, in recovering such overpayments. This process will also apply to collection of overpayments by the Department as a result of an audit by representatives of the Department, including the Office of the Inspector General, or the Comptroller General under section 103 of the Act, which may be the subject of a separate collection action.

§ 330.11 Which carriers are eligible to apply for compensation under this part?

(a) If you are a certificated air carrier, a commuter air carrier, an air taxi, or an indirect air carrier, you are eligible to apply for compensation under subpart B of this part.
