percent worsted wool fabric by weight with an average diameter of 18.5 microns or less. This data must also indicate actual production (not estimates) of Worsted Wool Suits, Worsted Wool Suit-Type Jackets and Worsted Wool Trousers containing at least 85 percent worsted wool fabric by weight with average diameter greater than 18.5 microns. Production data must be provided for the first six months of the year of the application. This data will be annualized for the purpose of making Tariff Rate Quota allocations.

(ii) Applicants for TRQ 9902.51.16 must provide the name and address of each plant or location where Worsted Wool Fabric was woven by the applicant. The quantity and value of the Worsted Wool Fabric woven in the United States by applicant. This data must indicate actual production (not estimates) of Worsted Wool Fabric containing at least 85 percent worsted wool fabric by weight with an average diameter of 18.5 microns or less. For applications for the 2005 Tariff Rate Quota year, production data must be provided for full calendar year 2004. For allocations of Tariff Rate Quota years after 2005, production data must be provided for the first six months of the year of the application. This data will be annualized for the purpose of making Tariff Rate Quota allocations.

(3) *Worsted Wool Fabric.* Data indicating the quantity and value of the Worsted Wool Fabric used in reported production.

(4) *Certification.* A statement by the applicant (if a natural person), or on behalf of applicant, by an employee, officer or agent, with personal knowledge of the matters set out in the application, certifying that the information contained therein is complete and accurate, signed and sworn before a Notary Public, and acknowledging that false representations to a federal agency may result in criminal penalties under federal law.

(e) *Confidentiality.* Any business confidential information provided pursuant to this section that is marked business confidential will be kept confidential and protected from disclosure to the full extent permitted by law.

(f) *Record Retention:* The applicant shall retain records substantiating the

§ 335.4 Allocation.

(a) For HTS 9902.51.11 and HTS 9902.51.15 each Tariff Rate Quota will be allocated separately. Allocation will be based on an applicant's Worsted Wool Suit production, on a weighted average basis, and the proportion of imported Worsted Wool Fabric consumed in the production of Worsted Wool Suits. In regards to HTS 9902.51.16 the Tariff Rate Quota will be allocated based on an applicant's Worsted Wool Fabric production, on a weighted average basis.

(b) For the purpose of calculating allocations for HTS 9902.51.11 and HTS 9902.51.15 only, Worsted Wool Suit production will be increased by the percentage of imported fabric consumed in the production of Worsted Wool Suits to total fabric consumed in this production. For example, if an applicant uses 30 percent imported fabric in the production of Worsted Wool Suits, that applicant's production level will be increased by 30 percent.

(c) The Department will cause to be published in the FEDERAL REGISTER its determination to allocate the Tariff Rate Quotas and will notify applicants of their respective allocation as soon as possible. Promptly thereafter, the Department will issue licenses.

§ 335.5 Licenses.

(a) Each Licensee will receive a license, which will include a unique control number. The license is subject to the surrender and reallocation provisions in § 335.6.

(b) A license may be exercised only for fabric entered for consumption, or withdrawn from warehouse for consumption, during the Tariff Rate Quota Year specified in the license. A license will be debited on the basis of date of entry for consumption or withdrawal from warehouse for consumption.

(c) A Licensee may import fabric certified by the importer as suitable for use in making suits, suit-type jackets, or trousers under the appropriate Tariff Rate Quota as specified in the license (*i.e.*, under the Tariff Rate Quota for fabric of worsted wool with average fiber diameters greater than 18.5 micron or the Tariff Rate Quota for fabric of worsted wool with average fiber diameters of 18.5 micron or less) up to the quantity specified in the license subject to the Tariff Rate Quota duty rate. Only a Licensee or an importer authorized by a Licensee will be permitted to import fabric under the Tariff Rate Quotas and to receive the Tariff Rate Quota duty rate.

(d) The term of a license shall be the Tariff Rate Quota Year for which it is issued. Fabric may be entered or withdrawn from warehouse for consumption under a license only during the term of that license. The license cannot be used for fabric entered or withdrawn from warehouse for consumption after December 31 of the year of the term of the license.

(e) The importer of record of fabric entered or withdrawn from warehouse for consumption under a license must be the Licensee or an importer authorized by the Licensee to act on its behalf. If the importer of record is the Licensee, the importer must possess the license at the time of filing the entry summary or warehouse withdrawal for consumption (Customs Form 7501).

(f) A Licensee may only authorize an importer to import fabric under the license on its behalf by making such an authorization in writing or by electronic notice to the importer and providing a copy of such authorization to the Department. A Licensee may only withdraw authorization from an importer by notifying the importer, in writing or by electronic notice, and providing a copy to the Department.

(g) The written authorization must include the unique number of the license, must specifically cover the type of fabric imported, and must be in the possession of the importer at the time of filing the entry summary or warehouse withdrawal for consumption (Customs Form 7501), or its electronic equivalent, in order for the importer to

obtain the applicable Tariff Rate Quota duty rate.

(h) It is the responsibility of the Licensee to safeguard the use of the license issued. The Department and the U.S. Customs Service will not be liable for any unauthorized or improper use of the license.

§ 335.6 Surrender, reallocation and license utilization requirement.

(a) Not later than September 30 of each Tariff Rate Quota Year, a Licensee that will not import the full quantity granted in a license during the Tariff Rate Quota Year shall surrender the allocation that will not be used to the Department for purposes of reallocation through a written or electronic notice to the Department, including the license control number and the amount being surrendered. The surrender shall be final, and shall apply only to that Tariff Rate Quota Year.

(b) For purposes of this section, “unused allocation” means the amount by which the quantity set forth in a license, including any additional amount received pursuant to paragraph (d) of this section, exceeds the quantity entered under the license, excluding any amount surrendered pursuant to paragraph (a) of this section.

(c) The Department will notify Licensees of any amount surrendered and the application period for requests for reallocation. A Licensee that has imported, or intends to import, a quantity of Worsted Wool Fabric exceeding the quantity set forth in its license may apply to receive additional allocation from the amount to be reallocated. The application shall state the maximum amount of additional allocation the applicant will be able to use.

(d) The amount surrendered will be reallocated to Licensees that have applied for reallocation. The entire amount surrendered will be reallocated pro-rata among applicants based on the applicant’s share of the annual allocation, but will not exceed the amount set forth in the reallocation application as the maximum amount able to be used.

(e) A Licensee whose unused allocation in a Tariff Rate Quota Year exceeds five percent of the quantity set forth in its license shall be subject to
