

the basis of the salary of the employee(s) conducting the search (basic hourly rate(s) of pay for the employee(s), plus 16 percent).

(b) *Electronic searches.* Fees shall reflect the direct cost of conducting the search. This will include the cost of operating the central processing unit for that portion of operating time that is directly attributable to searching for and printing records responsive to the FOIA request and operator/programmer salary attributable to the search.

(c) *Record reviews.* Time devoted to reviewing records shall be charged on the same basis as under paragraph (a) of this section, but shall only be applicable to the initial review of records located in response to commercial use requests.

(d) *Duplication.* Fees for copying paper records or for printing electronic records shall be assessed at a rate of \$.15 per page. For other types of copies such as disks or audio visual tapes, USTR shall charge the direct cost of producing the document(s). If duplication charges are expected to exceed \$25, the FOIA Officer shall notify the requester, unless the requester has indicated in advance a willingness to pay fees as high as those anticipated. If a requester wishes to limit costs, the FOIA Officer shall provide the requester an opportunity to reformulate the request in order to reduce costs. If the requester reformulates a request, it shall be considered a new request and the 20-day period described in §2004.6(c)(1) shall be deemed to begin when the FOIA Officer receives the request.

(e) *Advance payments required.* The FOIA Officer may require a requester to make an advance deposit of up to the amount of the entire anticipated fee before the FOIA Officer begins to process the request if:

(1) The FOIA Officer estimates that the fee will exceed \$250; or

(2) The requester has previously failed to pay a fee in a timely fashion.

When the FOIA Officer requires a requester to make an advance payment, the 20-day period described in §2004.6(c)(1) shall begin when the FOIA Officer receives the payment.

(f) *No assessment of fee.* USTR shall not charge a fee to any requester if:

(1) The cost of collecting the fee would be equal to or greater than the fee itself; or

(2) After December 31, 2008, USTR fails to comply with any time limit under the Freedom of Information Act for responding to a request for records where no unusual or exceptional circumstances apply.

§ 2004.9 Fees for categories of requesters.

USTR shall assess fees for certain categories of requesters as follows:

(a) *Commercial use requesters.* In responding to commercial use requests, USTR shall assess fees that recover the full direct costs of searching for, reviewing, and duplicating records.

(b) *Educational institutions.* USTR shall provide records to requesters in this category for the cost of duplication alone, excluding charges for the first 100 pages. To qualify for inclusion in this fee category, a requester must show that the request is authorized by and is made under the auspices of a qualifying institution and that the records are sought to further scholarly research, not an individual goal.

(c) *Representatives of the news media.* USTR shall provide records to requesters in this category for the cost of duplication alone, excluding charges for the first 100 pages.

(d) *All other requesters.* USTR shall charge requesters who do not fall within paragraphs (a) through (c) of this section fees that recover the full direct cost of searching for and duplicating records, excluding charges for the first 100 pages of reproduction and the first two hours of search time.

§ 2004.10 Other charges.

USTR may apply other charges, including the following:

(a) *Special charges.* USTR shall recover the full cost of providing special services, such as sending records by express mail, to the extent that USTR elects to provide them.

(b) *Interest charges.* USTR may begin assessing interest charges on an unpaid bill starting on the 31st day following the day on which the FOIA Officer sent the billing. Interest shall be charged at the rate prescribed in 31 U.S.C. 3717 and will accrue from the date of billing.
