

§ 303.17

423, provided all the pertinent requirements of the Act and regulations in this part are met and so long as the combination of required information and non-required information is not misleading. The required information shall include the following:

(1) The generic names and percentages by weight of the constituent fibers present in the textile fiber product, excluding permissive ornamentation, in amounts of 5 percent or more and any fibers disclosed in accordance with §303.3(a) shall appear in order of predominance by weight with any percentage of fiber or fibers required to be designated as “other fiber” or “other fibers” appearing last.

(2) The name, provided for in §303.19, or registered identification number issued by the Commission, of the manufacturer or of one or more persons marketing or handling the textile fiber product.

(3) The name of the country where such product was processed or manufactured, as provided for in §303.33.

(b) All parts of the required information shall be set forth in such a manner as to be clearly legible, conspicuous, and readily accessible to the prospective purchaser. All parts of the fiber content information shall appear in type or lettering of equal size and conspicuousness.

(c) Subject to the provisions of §303.17, any non-required information or representations placed on the product shall not minimize, detract from, or conflict with required information and shall not be false, deceptive, or misleading.

(d) Non-deceptive terms which are properly and truthfully descriptive of a fiber may be used in conjunction with the generic name of such fiber; as for example: “100 percent cross-linked rayon,” “100 percent solution dyed acetate,” “100 percent combed cotton,” “100 percent nylon 66,” etc.

§ 303.17 Use of fiber trademarks and generic names on labels.

(a) A non-deceptive fiber trademark may be used on a label in conjunction with the generic name of the fiber to which it relates. Where such a trademark is placed on a label in conjunction with the required information, the generic name of the fiber must appear in immediate conjunction therewith, and such trademark and generic name must appear in type or lettering of equal size and conspicuousness.

(b) Where a generic name or a fiber trademark is used on any label, whether required or non-required, a full and complete fiber content disclosure shall be made in accordance with the Act and regulations the first time the generic name or fiber trademark appears on the label.

(c) If a fiber trademark is not used in the required information, but is used elsewhere on the label as non-required information, the generic name of the fiber shall accompany the fiber trademark in legible and conspicuous type or lettering the first time the trademark is used.

(d) No fiber trademark or generic name shall be used in non-required information on a label in such a manner as to be false, deceptive, or misleading as to fiber content, or to indicate directly or indirectly that a textile fiber product is composed wholly or in part of a particular fiber, when such is not the case.

§ 303.18 Terms implying fibers not present.

Words, coined words, symbols or depictions, (a) which constitute or imply the name or designation of a fiber which is not present in the product, (b) which are phonetically similar to the name or designation of such a fiber, or (c) which are only a slight variation of spelling from the name or designation of such a fiber shall not be used in such a manner as to represent or imply that such fiber is present in the product.
