

Consumer Product Safety Commission

§ 1204.17

§ 1204.17 Records.

Each manufacturer or importer of CB antennas subject to the standard shall maintain the following records, which shall be maintained for 3 years after the creation of the records and shall be available to any designated officer or employee of the Commission in accordance with section 16(b) of the Consumer Product Safety Act (15 U.S.C. 2065(b)):

(a) Records of the qualification and production testing required by this subpart B, including a description of the types of tests conducted, the dates

and results of the tests, and the production interval selected for the performance of the production testing.

(b) Records of all corrective actions taken, including the specific actions taken to improve the design or manufacture and to correct any noncomplying antenna produced during the period, the date the action was taken, and the test failure which necessitated the action.

(Information collection requirements contained in paragraph (a) were approved by the Office of Management and Budget under control number 3041-0006)
