§ 39.4 Procedures for implementing derivatives clearing organization rules and clearing new products.

(a) Request for approval of rules. An applicant for registration, or a registered derivatives clearing organization, may request, pursuant to the procedures of §40.5 of this chapter, that the Commission approve any or all of its rules and subsequent amendments thereto, including operational rules, prior to their implementation or, notwithstanding the provisions of section 5c(c)(2) of the Act, at any time thereafter, under the procedures of §40.5 of

correction of typographical errors, renumbering or other nonsubstantive revisions, during that period.

(b) Termination of 90-day review. (1) During the 90-day period for review pursuant to paragraph (a)(3) of this section, the Commission shall notify the applicant seeking registration that the Commission is terminating review under this section and will review the proposal under the 180-day time period and procedures of Section 6(a) of the Act, if it appears to the Commission that the application:

(i) Is materially incomplete;

(ii) Fails in form or substance to meet the requirements of this part;

(iii) Raises novel or complex issues that require additional time for review; or

(iv) Is amended or supplemented in a manner that is inconsistent with §39.3(a)(3)(ii).

(2) This termination notification shall identify the deficiencies in the application that render it incomplete, the manner in which the application fails to meet the requirements of this part, or the novel or complex issues that require additional time for review. The Commission shall also terminate review under this section if requested in writing to do so by the applicant.

(c) Withdrawal of application for registration. An applicant for registration may withdraw its application submitted pursuant to paragraphs (a)(1) through (2) or (a)(3) of this section by filing with the Commission such a request. Withdrawal of an application for registration shall not affect any action taken or to be taken by the Commission based upon actions, activities or events occurring during the time that the facility was designated by the Commission.

(d) Guidance for applicants and registrants. Appendix A to this part provides guidance to applicants and registrants on how the core principles specified in Section 5b(c)(2) of the Act may be satisfied.

(e) Reinstatement of dormant registration. Before listing or relisting contracts for clearing, a dormant registered derivatives clearing organization as defined in §40.3 of this chapter must reinstate its registration under the procedures of paragraph (a)(1) through (2) or (a)(3) of this section; provided, however, that an application for reinstatement may rely upon previously submitted materials that still pertain to, and accurately describe, current conditions.

(f) Request for vacation of registration. A registered derivatives clearing organization may vacate its registration under Section 7 of the Act by filing electronically such a request with the Commission at its Washington, DC headquarters. Vacation of registration shall not affect any action taken or to be taken by the Commission based upon actions, activities or events occurring during the time that the facility was designated by the Commission.

(g) Delegation of authority. (1) The Commission hereby delegates, until it orders otherwise, to the Director of the Division of Clearing and Intermediary Oversight or the Director's delegates, with the concurrence of the General Counsel or the General Counsel's delegates, the authority to notify an applicant seeking designation under Section 6(a) of the Act that the application is materially incomplete and the running of the 180-day period is stayed or that the 90-day review under paragraph (a)(3) of this section is terminated.

(2) The Director of the Division of Clearing and Intermediary Oversight may submit to the Commission for its consideration any matter which has been delegated in this paragraph.

(3) Nothing in this paragraph prohibits the Commission, at its election, from exercising the authority delegated in paragraph (g)(1) of this section.
