§ 10.36a Vehicles, pleasure boats and aircraft brought in for repair or alteration.

(a) A vehicle (such as an automobile, truck, bus, motorcycle, tractor, trailer), pleasure boat, or aircraft brought into the United States by an operator of such vehicle, pleasure boat, or aircraft for repair or alteration (as defined in §§10.8, 10.490, 10.570, and 181.64 of this chapter) may be entered on the operator’s baggage declaration, in lieu of formal entry and examination, and may be passed under subheading 9813.00.05, Harmonized Tariff Schedule of the United States (HTSUS), at the place of arrival in the same manner as passengers’ baggage. When the vehicle, aircraft, or pleasure boat to be entered is being towed by or transported on another vehicle, the operator of the towing or transporting vehicle may make entry for the vehicle, aircraft or pleasure boat to be repaired or altered. The bond, prescribed by §10.33(f), filed to support entry under this section shall be without surety or cash deposit except as provided by this paragraph and paragraph (d) of this section. The examination may be made by an inspector who is qualified to determine the amount of such bond to be filed in support of the entry. The privilege accorded by this paragraph shall not apply when two or more vehicles, pleasure boats, or aircraft are to be entered by the same importer under subheading 9813.00.05, HTSUS, at the same time. In that event, the importer must file a formal entry supported by bond with surety or cash deposit in lieu of surety.

(b) Each vehicle, pleasure boat, or aircraft to which paragraph (a) of this section is applicable shall be identified on the operator’s baggage declaration, which must include the data prescribed in paragraphs (a) and (e) of §10.31.

(c) Exportation shall be effected in accordance with the provisions of §10.38.
§ 10.38 Exportation.

(a) Articles entered under chapter 98, subchapter XIII, Harmonized Tariff Schedule of the United States (HTSUS) (19 U.S.C. 1202) may be exported at the port of entry or at another port. An application on Customs Form 3495 shall be filed in duplicate with the port director a sufficient length of time in advance of exportation to permit the examination and identification of the articles if circumstances warrant such action and, in such event, the applicant shall be notified on a copy of Customs Form 3495 where the articles are to be sent for identification. If a carnet was used for entry purposes, the reexportation voucher of the carnet shall be filed, in addition to Customs Form 3495, and the carnet shall be presented for certification.

(b) All expenses in connection with the delivery of the articles for examination, the cording and sealing of such articles, and their transfer for exportation shall be paid by the parties in interest.

(c) If exportation is to be made at a port other than the one at which the merchandise was entered, the application on Customs Form 3495 shall be filed in triplicate. There shall also be filed with the application a certified copy of the import entry or a certified copy of the invoice used on entry.

(d) If the goods are examined at one port and are to be exported from another port, they shall be forwarded to the port of exportation under a transportation and exportation entry. In such cases Customs Form 3495 shall be filed in triplicate. Articles entered under a carnet shall not be examined elsewhere than at the port from which they are to be exported.

(e) If the articles are to be exported by mail or parcel post, the package containing the articles must be mailed under Customs supervision after examination. Waiver of the right to withdraw the package from the mails shall be granted.
