§ 207.68 Final comments on information.

(a) The Commission shall specify a date after the filing of posthearing briefs on which it will disclose to all parties to the five-year review all information it has obtained on which the parties have not previously had an opportunity to comment. Any such information that is business proprietary information will be released to persons authorized to obtain such information pursuant to § 207.7.

A comment may address the accuracy, reliability, or probative value of such information by reference to information elsewhere in the record, in which case the comment shall identify where in the record such information is found. Comments containing new factual information shall be disregarded. The date on which such comments must be filed will be specified by the Commission when it specifies the time that information will be disclosed pursuant to paragraph (a) of this section. The record shall close on the date such comments are due, except with respect to changes in bracketing of business proprietary information in the comments permitted by § 207.3(c).

§ 207.69 Publication of determinations.

Whenever the Commission makes a determination concluding a five-year review, the Secretary shall serve copies of the determination and, when applicable, the nonbusiness proprietary version of the final staff report on all parties to the review, and on the administering authority. The Secretary shall publish notice of such determination in the FEDERAL REGISTER.
