

§ 404.1200

(2) For the purpose of this paragraph the term *wages* includes remuneration paid to an employee for services covered by an agreement entered into under section 218 of the Act, or an agreement entered into under section 3121(l) of the Code, which would be wages under section 209 of Act if the services were considered employment under section 210(a) of the Act.

(c) *Minimum net earnings from self employment.* (1) Self-employment income does not include your net earnings from self-employment when the amount of those earnings for the taxable year is less than \$400. If you have only \$300 of net earnings from self-employment for the taxable year you would not have any self-employment income. (Special rules apply if you are paid \$100 or more and work for a church or church-controlled organization that has exempted its employees (see § 404.1068(f)).)

(2) If you have net earnings from self-employment of \$400 or more for the taxable year you may have less than \$400 of creditable self-employment income. This occurs where your net earnings from self-employment is \$400 or

more for a taxable year and the amount of your net earnings from self-employment plus the amount of the wages paid to you during that taxable year exceed the maximum creditable earnings for a year. For example, if you had net earnings from self-employment of \$1,000 for 1978, and were also paid wages of \$17,500 during 1978, your creditable self-employment income for 1978 would be \$200.

(d) *Nonresident aliens.* A nonresident alien has self-employment income only if coverage is provided under a totalization agreement [see § 404.1913]. We do not consider an individual who is a resident of the Commonwealth of Puerto Rico, the Virgin Islands, Guam, the Commonwealth of the Northern Mariana Islands, or American Samoa to be a nonresident alien.

paid before 1987, the State assumes full financial and reporting responsibility for all groups covered under its agreement. The agreement may not be terminated in its entirety or with respect to any coverage group under that agreement. For payments due on wages paid in the year 1987 and years later, section 9002 of Pub. L. 99-509 amends section 218 of the Act by transferring responsibility for collecting contributions due and receiving wage reports from the Social Security Administration (SSA) to the Internal Revenue Service (IRS). Sections of the regulations wholly or partly affected by this amendment to the Act are appended with the phrase “—for wages paid prior to 1987.”

(b) *Mandatory old-age, survivors, disability, and hospital insurance coverage.* Under section 210(a)(7)(F) of the Act, mandatory old-age, survivors, disability, and hospital insurance coverage is extended to certain services performed after July 1, 1991, by individuals who are employees of a State (other than the District of Columbia, Guam, the Commonwealth of the Northern Mariana Islands, or American Samoa), a political subdivision of the State, or any wholly owned instrumentality of one or more of the foregoing, and who are not members of the employer's retirement system. Certain services are excluded from such mandatory coverage (see § 404.1020(a)(3)).
