#### ASSUMPTION OF DISABILITY DETERMINATION FUNCTION

### § 404.1690 Assumption when we make a finding of substantial failure.

(a) *Notice to State.* When we find that substantial failure exists, we will notify the State in writing that we will assume responsibility for performing the disability determination function from the State agency, whether the assumption will be partial or complete, and the date on which the assumption will be effective.

(b) *Effective date of assumption.* The date of any partial or complete assumption of the disability determination function from a State agency may not be earlier than 180 days after our

finding of substantial failure, and not before compliance with the requirements of § 404.1692.

### § 404.1691 Assumption when State no longer wishes to perform the disability determination function.

(a) *Notice to the Commissioner.* If a State no longer wishes to perform the disability determination function, it will notify us in writing. The notice must be from an official authorized to act for the State for this purpose. The State will provide an opinion from the State's Attorney General verifying the authority of the official who gave the notice.

(b) *Effective date of assumption.* The State agency will continue to perform whatever activities of the disability determination function it is performing at the time the notice referred to in paragraph (a) of this section is given for not less than 180 days or, if later, until we have complied with the requirements of § 404.1692. For example, if the State is not making disability determinations (because we previously assumed responsibility for making them) but is performing other activities related to the disability determination function at the time it gives notice, the State will continue to do these activities until the requirements of this paragraph are met. Thereafter, we will assume complete responsibility for performing the disability determination function.

(a) *Hiring preference.* We will develop and initiate procedures to implement a plan to partially or completely assume the disability determination function from the State agency under § 404.1690 or § 404.1691, as appropriate. Except for the State agency's administrator, deputy administrator, or assistant administrator (or his equivalent), we will give employees of the State agency who are capable of performing duties in the disability determination function preference over any other persons in filling positions with us for which they are qualified. We may also give a preference in hiring to the State agency's
