

§ 408.1225

of a State recognition payment that SSA will administer on behalf of a State.

(c) *Minimum amount.* SSA will not administer State recognition payments in amounts less than \$1 per month. Hence, recognition payment amounts of less than \$1 will be raised to a dollar.

§ 408.1225 What happens if you receive an overpayment?

If we determine that you received an overpayment, we will adjust future Federally administered State recognition payments you are entitled to. Our rules and requirements (see §§ 408.910 through 408.941) that apply to recovery (or waiver) of SVB overpayments also apply to the recovery (or waiver) of Federally administered State recognition overpayments. If your entitlement to State recognition payments ends before you have repaid the overpayment, we will annotate your record (specifying the amount of the overpayment) to permit us to recoup the overpaid amount if you become reentitled to recognition payments from the same State.

§ 408.1226 What happens if you are underpaid?

If we determine that you are due an underpayment of State recognition payments, we will pay the amount you were underpaid directly to you, or to your representative.

§ 408.1230 Can you waive State recognition payments?

(a) *Waiver request in writing.* You may waive your right to receive State recognition payments if you make a written request. If you make your request before you become entitled to SVB, you will not be entitled to State recognition payments. If you make your request after you become entitled to SVB, your request will be effective with the month we receive your request, or with an earlier month if you refund to us the amount of any recognition payment(s) we made to you for the earlier period.

(b) *Cancelling your waiver.* You may cancel your waiver of State recognition payments at any time by making a written request with us. The cancellation will be effective the month in

which it is filed. The date your request is received in a Social Security office or the postmarked date, if the written request was mailed, will be the filing date, whichever is earlier.

§ 408.1235 How does the State transfer funds to SSA to administer its recognition payment program?

(a) *Payment transfer and adjustment.*

(1) Any State that has entered into an agreement with SSA which provides for Federal administration of such State's recognition payments will transfer to SSA:

(i) An amount of funds equal to SSA's estimate of State recognition payments for any month which will be made by SSA on behalf of such State; and

(ii) An amount of funds equal to SSA's estimate of administration fees for any such month determined in the manner described in § 408.1210(b).

(3) In order for SSA to make State recognition payments on behalf of a State for any month as provided by the agreement, the estimated amount of State funds referred to in paragraph (a)(1)(i) of this section together with the estimated amount of administration fees referred to in paragraph (a)(1)(ii) of this section, for that month, must be on deposit with SSA on the State recognition payment transfer date, which is:

(i) the business day preceding the date that the Commissioner pays such monthly recognition payments; or

(ii) with respect to such monthly payments paid for the month that is the last month of the State's fiscal year, the fifth business day following such date.

(b) *Accounting of State funds.* (1) As soon as feasible after the end of each calendar month, SSA will provide the State with a statement showing, cumulatively, the total amounts paid by SSA on behalf of the State during the current Federal fiscal year; the fees charged by SSA to administer such recognition payments; the State's total liability; and the end-of-month balance of the State's cash on deposit with SSA.

(2) SSA will provide the State with an accounting of State funds received

as State recognition payments and administration fees within three calendar months following the termination of an agreement under §408.1210(d).

(3) Adjustments will be made because of State funds due and payable or amounts of State funds recovered for calendar months for which the agreement was in effect. Interest will be incurred by SSA and the States with respect to the adjustment and accounting of State recognition payments funds in accordance with applicable laws and regulations of the United States Department of the Treasury.

(c) *State audit.* Any State entering into an agreement with SSA which provides for Federal administration of the State's recognition payments has the right to an audit (at State expense) of the payments made by SSA on behalf of such State. The Commissioner and the State shall mutually agree upon a satisfactory audit arrangement to verify that recognition payments paid by SSA on behalf of the State were made in accordance with the terms of the administration agreement under §408.1205. Audit findings will be resolved in accordance with the provisions of the State's agreement with SSA.
