§ 408.710 What must your report include?

When you make a report, you must tell us—

(a) The name and social security number of the person to whom the report applies;

(b) The event you are reporting and the date it happened; and

(c) Your name if you are not the person to whom the report applies.

§ 408.712 How should you make your report?

You should make your report in any of the ways described in this section.

(a) Written reports. You may write a report on your own paper or on a printed form supplied by us. You may mail a written report or bring it to one of our offices.

(b) Oral reports. You may report to us by telephone, or you may come to one of our offices and tell one of our employees what you are reporting.

(c) Other methods of reporting. You may use any other suitable method of reporting—for example, a telegram or a cable.

§ 408.714 When are reports due?

(a) A reportable event happens. You should report to us as soon as an event listed in §408.708 happens.

(b) We request a report. We may request a report from you if we need information to determine continuing entitlement or the correct amount of your SVB payments. If you do not make the report within 30 days of our written request, we may determine that you may not continue to receive SVB. We will suspend your benefits effective with the month following the month in which we determine that you are not entitled to receive SVB because of your failure to give us necessary information (see §408.803).
