

§ 416.2035

20 CFR Ch. III (4–1–10 Edition)

(b) *Relationship to actual cost differences.* Under the agreement, variations in State supplementary payment levels will be permitted for each living arrangement the State elects. These differences must be based on rational distinctions between both the types of living arrangements and the costs of those arrangements.

(c) *Effective month of State supplementary payment category.* The State supplementary payment category which applies in the current month will be used to determine the State payment level in that month. This rule applies even if the countable income in a prior month is used to determine the amount of State supplementary payment.

§ 416.2035 Optional supplementation: Additional State options.

(a) *Residency requirement.* A State or political subdivision may impose, as a condition of eligibility, a residency requirement which excludes from eligibility for State supplementary payment any individual who has resided in such State (or political subdivision thereof) for less than a minimum period prescribed by the State. Any such residency requirement will be specified in the agreement.

(b) *Lien and relative responsibility.* A State which elects Federal administration of its supplementary payments may place a lien upon property of an individual as a consequence of the receipt of such payments or may require that a relative of the individual contribute to a reasonable extent to the support of the individual, providing it is stated in the agreement that:

(1) The Commissioner has determined that the specific State laws and their enforcement are consistent with the supplemental security income program purpose of providing unencumbered cash payments to recipients; and

(2) The Federal Government is not involved in the administration of such laws and will not vary the State supplementary payment amount it makes to comply with such laws; and

(3) Neither the basic Federal benefit nor any part of the State supple-

mentary payment financed by Federal funds will be subject to the liens or encumbrances of such laws.

(a) *Inmate of public institution.* A person who is a resident in a public institution for a month, is ineligible for a Federal benefit for that month under the provision of § 416.211(a), and does not meet the requirements for any of the exceptions in § 416.211 (b), (c), or (d), or § 416.212, also shall be ineligible for a federally administered State supplementary payment for that month.

(b) *Ineligible persons.* No person who is ineligible for a Federal benefit for any month under sections 1611(e)(1)(A), (2), (3), or (f) of the Act (failure to file; refuses treatment for drug addiction or alcoholism; outside the United States) or other reasons (other than the amount of income) shall be eligible for such State supplementation for such month.

Additionally, a recipient who would be eligible for benefits under § 416.212 but for countable income which reduces his or her Federal SSI benefit to zero, may still be eligible to receive federally administered State supplementation.
