§416.981  Meaning of blindness as defined in the law.

We will consider you blind under the law for payment of supplemental security income benefits if we determine that you are statutorily blind. Statutory blindness is central visual acuity of 20/200 or less in the better eye with the use of a correcting lens. An eye which has a limitation in the field of vision so that the widest diameter of the visual field subtends an angle no greater than 20 degrees is considered to have a central visual acuity of 20/200 or less.

§416.982  Blindness under a State plan.

We shall also consider you blind for the purposes of payment of supplemental security income benefits if—

(a) You were found to be blind as defined under a State plan approved under title X or title XVI of the Social Security Act, as in effect for October 1972;

(b) You received aid under the State plan because of your blindness for the month of December 1973; and

(c) You continue to be blind as defined under the State plan.

§416.983  How we evaluate statutory blindness.

We will find that you are blind if you are statutorily blind within the meaning of §416.981. For us to find that you are statutorily blind, it is not necessary—

(a) That your blindness meet the duration requirement; or
