(3) In cases where a grantee or subgrantee fails to take appropriate disposition actions, SSA may direct the grantee or subgrantee to take excess and disposition actions.

(f) *Federal equipment.* In the event a grantee or subgrantee is provided federally-owned equipment:

(1) Title will remain vested in the Federal Government.

(b) Any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.

§ 437.35 Subawards to debarred and suspended parties.

Grantees and subgrantees must not make any award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, "Debarment and Suspension."

§ 437.36 Procurement.

(a) *States.* When procuring property and services under a grant, a State must follow the same policies and procedures it uses for procurements from its non-Federal funds. The State must ensure that every purchase order or other contract includes any clauses required by Federal statutes and executive orders and their implementing regulations. Other grantees and subgrantees must follow paragraphs (b) through (i) in this section.

(b) *Procurement standards.* (1) Grantees and subgrantees must use their own procurement procedures which reflect applicable State and local laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in this section.
