§ 627.210 Nondiscrimination and non-sectarian activities.

(a)(1) Recipients, SDA grant recipients, title III substate grantees, and other subrecipients shall comply with the nondiscrimination provisions of section 167 of the Act.

(2) Nondiscrimination and equal opportunity requirements and procedures, including complaint processing and compliance reviews, are governed by the provisions of 29 CFR part 34 and are administered and enforced by the DOL Directorate of Civil Rights.

(3) Funds may be used to meet a recipient’s or subrecipient’s obligation to provide physical and programmatic accessibility and reasonable accommodation in regard to the JTPA program as required by Section 504 of the Rehabilitation Act of 1973, as amended, and the Americans with Disabilities Act of 1990.

§ 627.215 Relocation.

(a) No funds provided under the Act shall be used, or proposed for use, to encourage or to induce the relocation of an establishment, or part thereof, that result in the loss of employment for any employee or such establishment at the original location.

(b) For 120 days after the commencement or the expansion of commercial operations of a relocating establishment, no funds provided under this Act shall be used for customized or skill training, on-the-job training, or company-specific assessments of job applicants or employees, for any relocating establishment or part thereof at a new, or expanded location, if the relocation of such establishment or part thereof results in a loss of employment for any employee of such establishment at the original location.

(c) For the purposes of this section, relocating establishment means a business entity, including a successor-in-interest, which is moving any operations from a facility in one labor market area within the United States and its territories to a new or expanding facility in another labor market area. For the purposes of this section, a labor market area is an area within which individuals can readily change employment without changing their place of residence.

(d) Pre-award review. To verify that an establishment which is new or expanding is not, in fact, relocating employment from another area, standardized pre-award review procedures developed by the State shall be completed and documented jointly by the service delivery area or substate grantee and the establishment as a prerequisite to JTPA assistance. The review should include names under which the establishment does business, including successors-in-interest; the name, title, and address of the company official certifying the information; the name and address of the facility in the other geographic location which is being closed or from which business is being transferred; a statement from the employer about job losses at that location; the nature of the products or business being transferred; the date the facility will commence or expand operations, and whether JTPA assistance is sought in connection with past or impending job losses at other facilities.

(e) Violations and sanctions. The Department will promptly review and take appropriate action with regard to alleged violations of the provisions of paragraphs (a) and (b) of this section. Procedures for the investigation and resolution of the violations are provided for under subpart F of this part. Sanctions and remedies are provided for under subpart G of this part.
